KIMSDU/B-1(i)/394/2022 Date : 29.01.2022

Extract of Minutes of the Meeting of Board of Management

Resolution of Board of Management Meeting of Krishna Institute of Medical Sciences "Deemed To Be University" held on 24th January 2022.

BOM-03/08/21-22 Feedback Analysis for the Academic Year 2020-2021.

Director, Internal Quality Assurance Cell (IQAC) informed the members that the Feedback analysis for the Academic Year 2020-2021 was in the final stages and would be submitted to the Internal Quality Assurance Cell, Academic Council and Board of Management.

In view of the situation it was resolved to authorize Hon'ble Vice Chancellor to accept the Feedback Analysis Report on behalf of the Board of Management and to take action on the actionable points.

REGISTRAR
KIMSDU, KARAD

Feedback Analysis - Process

Background

Krishna Institute of Medical Sciences "Deemed to Be" University (KIMSDU) offers need based curriculum to the students providing a holistic learning experience reflecting the institution's vision and mission of academic excellence, spiritual vitality and social relevance with an initiative to drive entrepreneurial capability and harnessing innovation from an educator's perspective.

The university has well defined procedure for design, development and revision of curriculum as continuous process to achieve the necessary programme outcomes and course outcomes that are adhered with strict compliance to the regulatory bodies. KIMSDU also has state of art infrastructure with adequate physical facilities for curriculum implementation, teaching-learning and skill acquisition, as stipulated by appropriate regulatory authorities.

For the above, KIMSDU has received many accolades and accreditations. Our success is a reflection of our stakeholders' success. An extremely important tenet of achieving this excellence is utilizing feedback from various stakeholders for improving and updating the quality of education we provide. Hence, we have a mechanism in place for taking feedback from the following stakeholders, as stipulated by National Assessment and Accreditation Council (NAAC):

1. Students
2. Alumni
3. Teachers
4. Professionals
5. Employers

Questionnaire

Questionnaires for taking feedback from the above stakeholders were developed as per KIMSDU's Standard Operating Procedure for Feedback. Sample feedback forms have been attached as Annexures (I-V).

Response Collection

For the Academic Year 2020-21, we utilized Google Forms for collecting feedback based on its ease of use and public familiarity. KIMSDU has a Google Workspace (formerly G Suite) Subscription. Accordingly, a dedicated institutional feedback email ID (feedback@kimskarad.in) was made. Google Forms were created using the same and the links were shared via email and / or personal messaging platforms. Links were kept open for responding from 10 January 2022 to 19 January 2022 (10 days). Response collection was centralized with only 2 officers having direct access to data.

Analysis

Results were analysed through descriptive analysis and represented graphically as percentage and numerical most frequent response. Responses for open-ended questions were depicted as 'Remarks' and 'Suggestions'. Results were anonymized and shared with respective faculty for further processing.

Interpretation

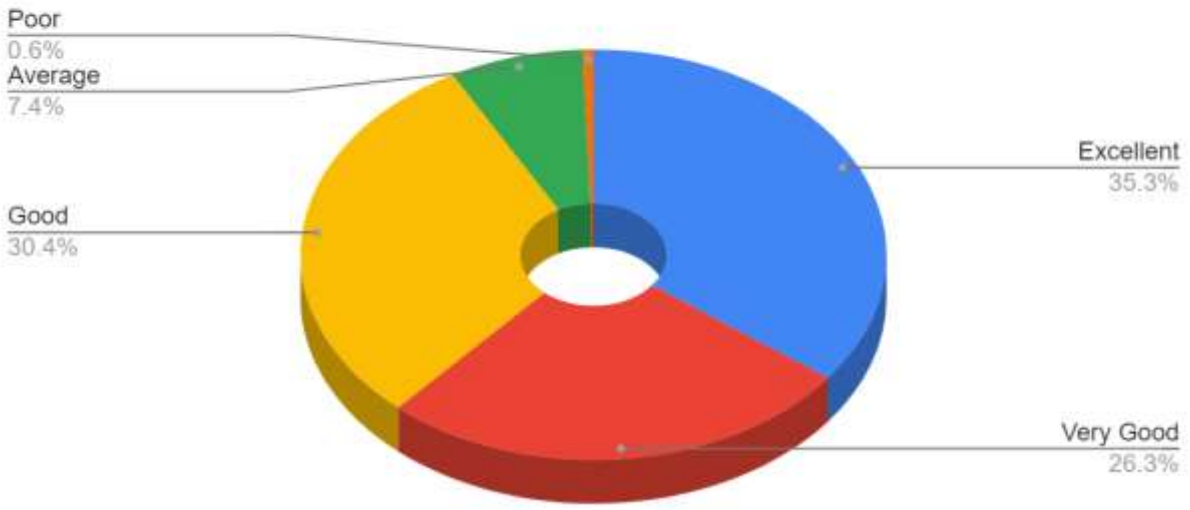

More than 75 percentage rating of 'Excellent' plus 'Very Good' plus 'Good' for each question was considered as a favourable response. Similarly, a most frequent response score of 3 or more for each question was considered as a favourable response. Favourable responses needed no further action.

Responses to the open-ended questions were analysed for positive comments which were then placed as 'Remarks' in the analysis, while comments for improvement were placed as 'Suggestions'. Suggestions related to curricular aspects were forwarded to respective faculty for further action to be taken.

Krishna Institute of Medical Sciences

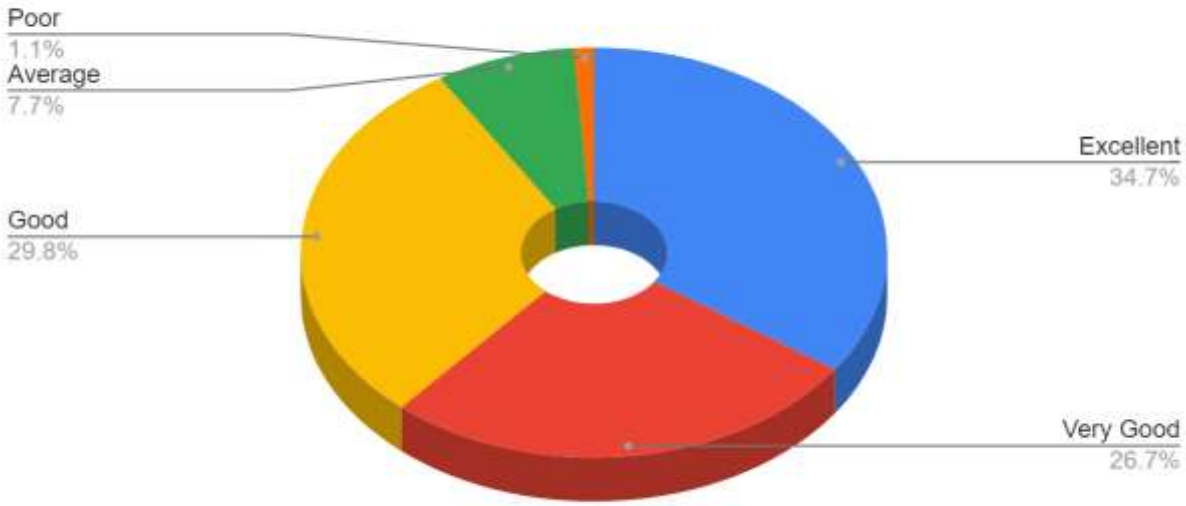

Students' Feedback Analysis

1. How do you rate the course curriculum in relation to the achievement of desired competencies?

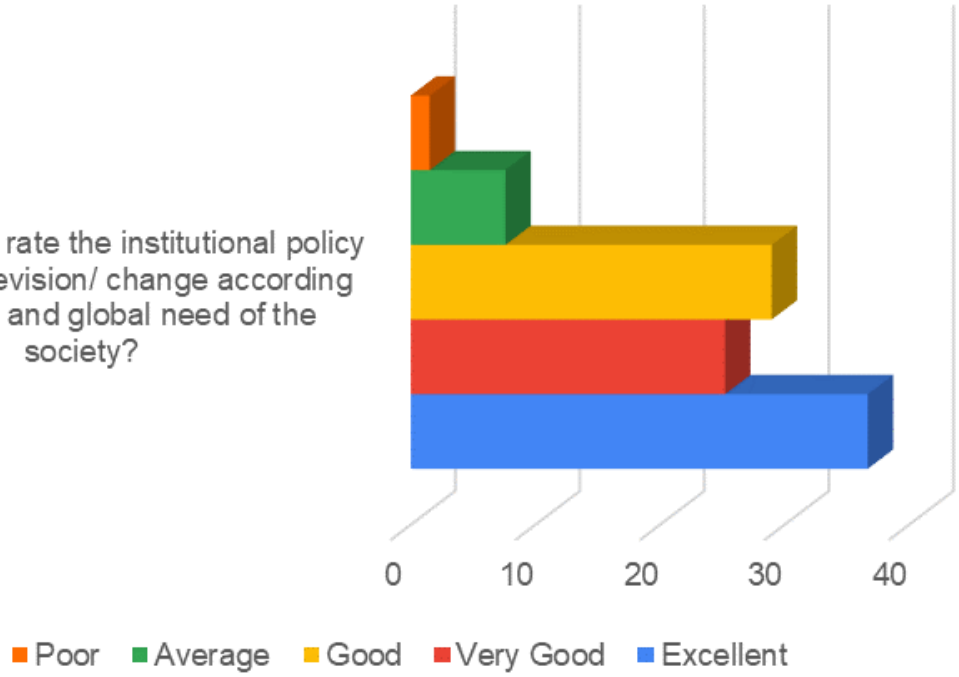

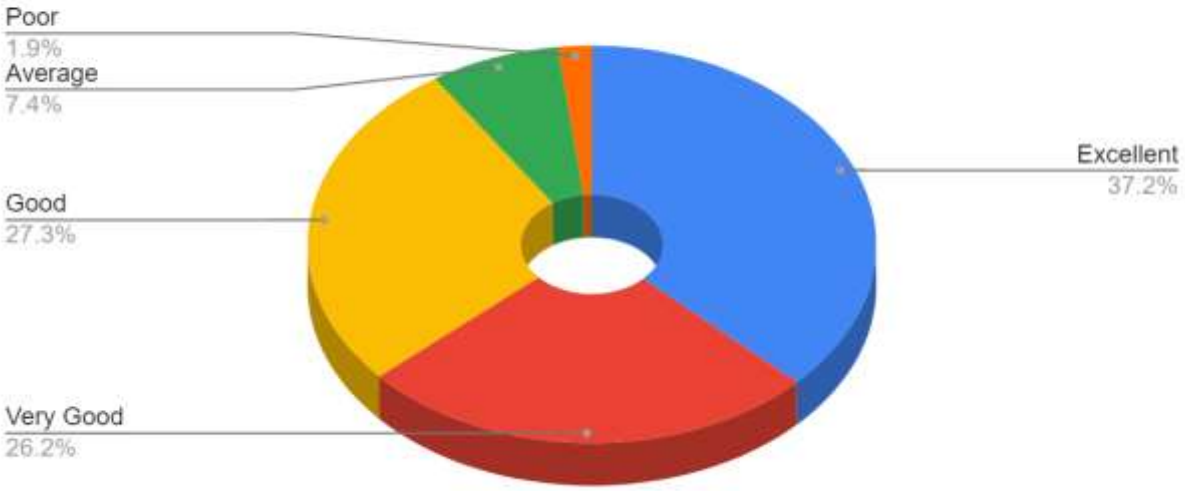

3. How do you rate the curriculum design for inclusion of community services?

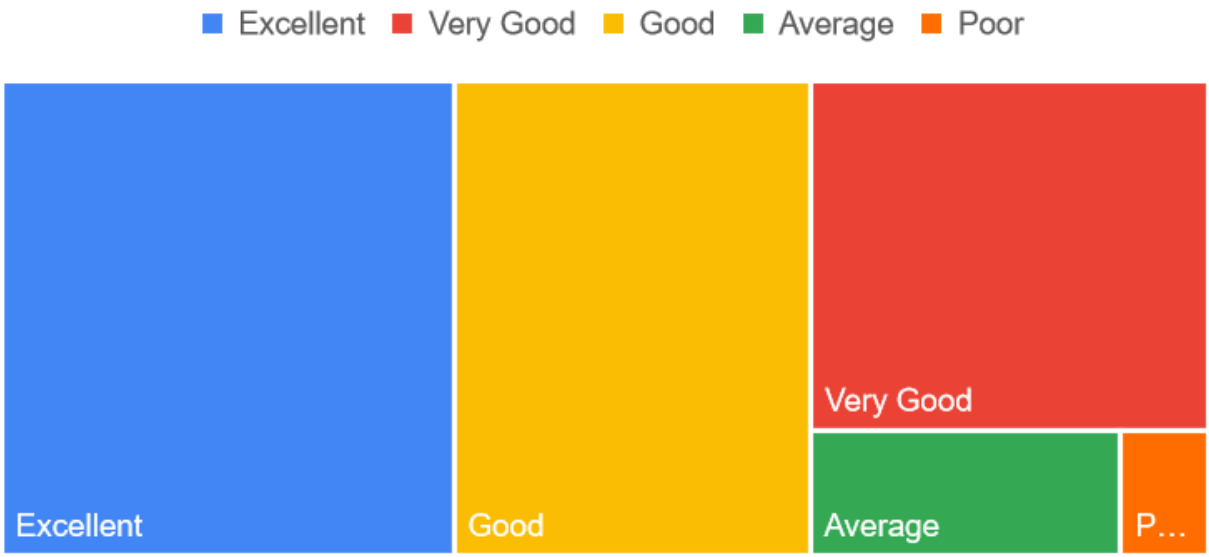

4. How do you rate the institutional policy of curricular revision/ change according to the local and global need of the society?

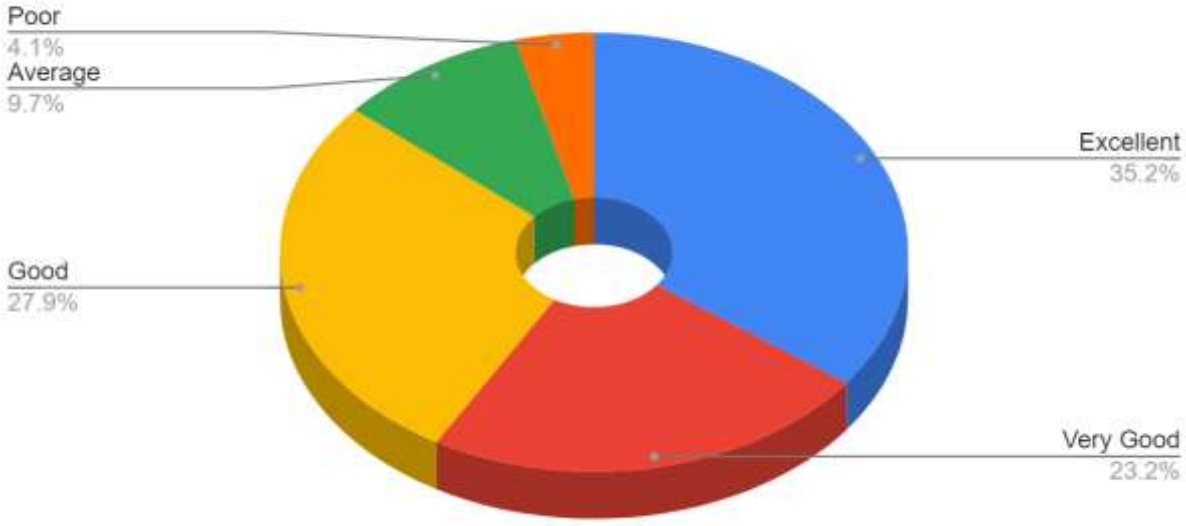

5. How do you rate the implementation of innovative teaching learning methods (interactive lectures, self-directive learning, problem based learning, narrative-reflective learning, integrated / modular/small group teaching)?

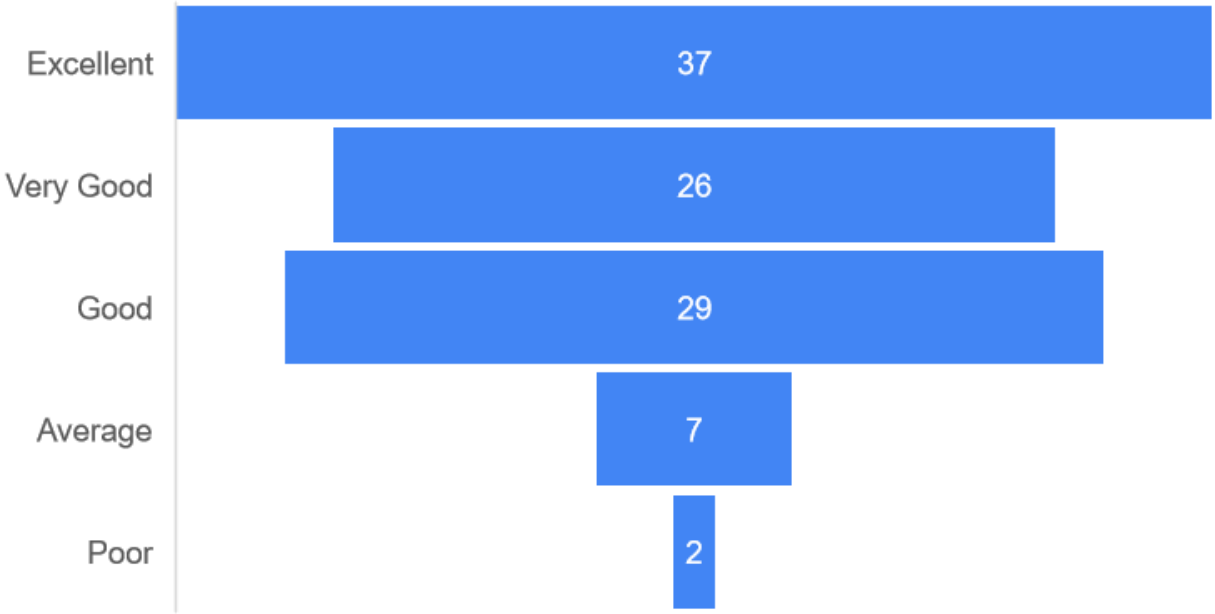

6. How do you rate the institute for conducting guest lectures, seminars, workshops, conferences, quiz competitions etc. for better knowledge and skill acquisition?

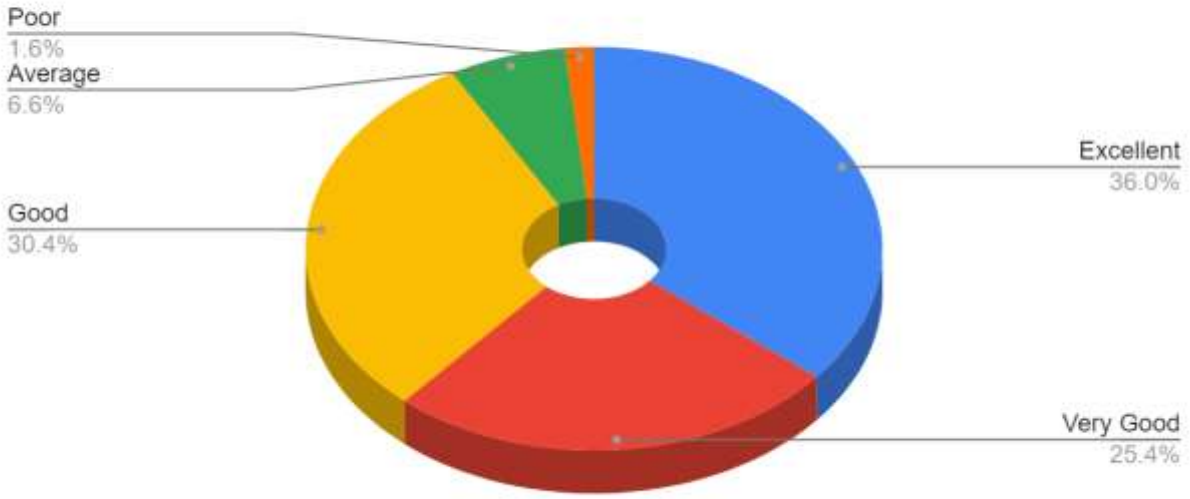

7. How do you rate the mentorship program in your Institute?

8. How are the facilities required to acquire soft skills, professionalism, bioethics and communication skills provided by the institute?

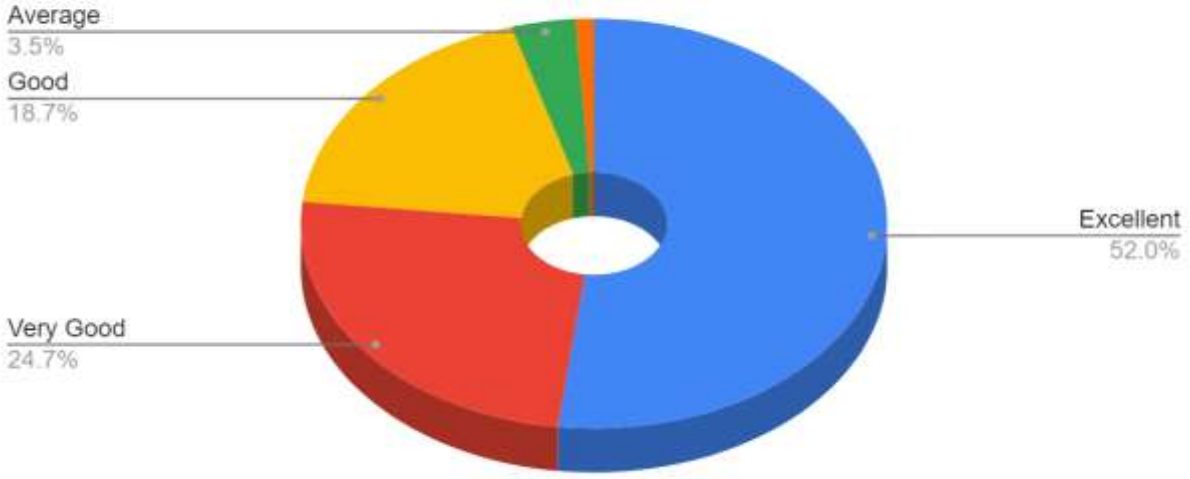

9. How do you rate the innovative (transparent/valid/structured/reliable/feasible/relevant)assessment methods used in the institute?

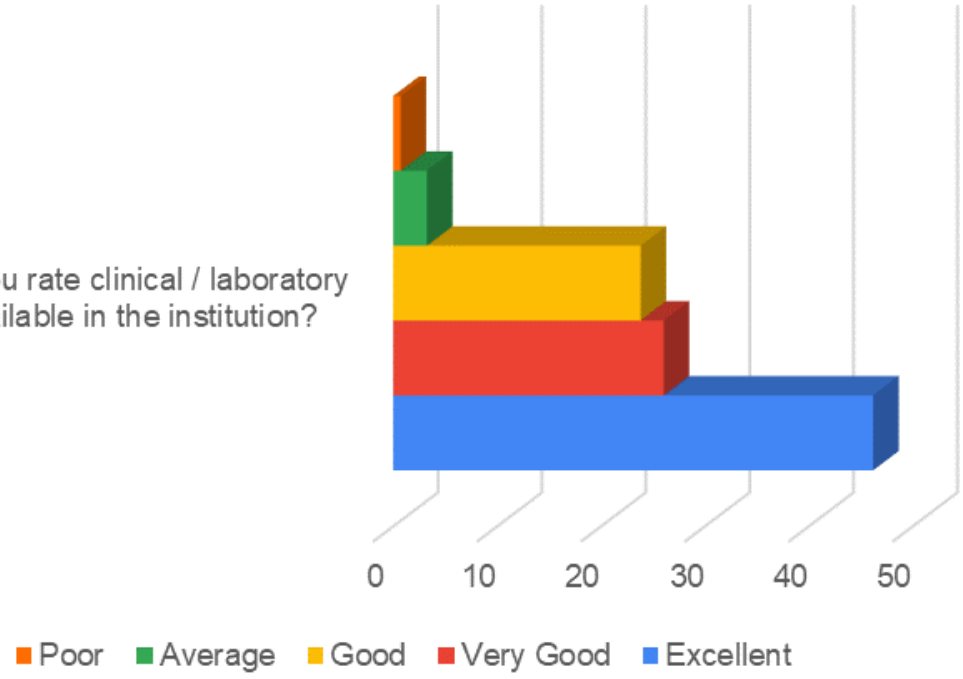

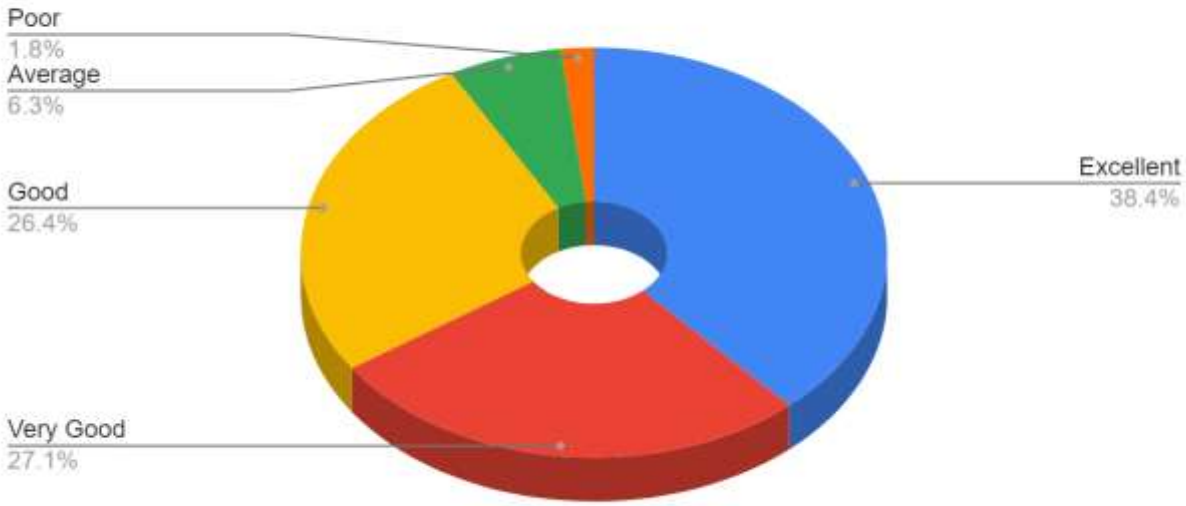

11. How do you rate Anti-Ragging measures & grievance redressal mechanism?

12. How do you rate clinical / laboratory facilities available in the institution?

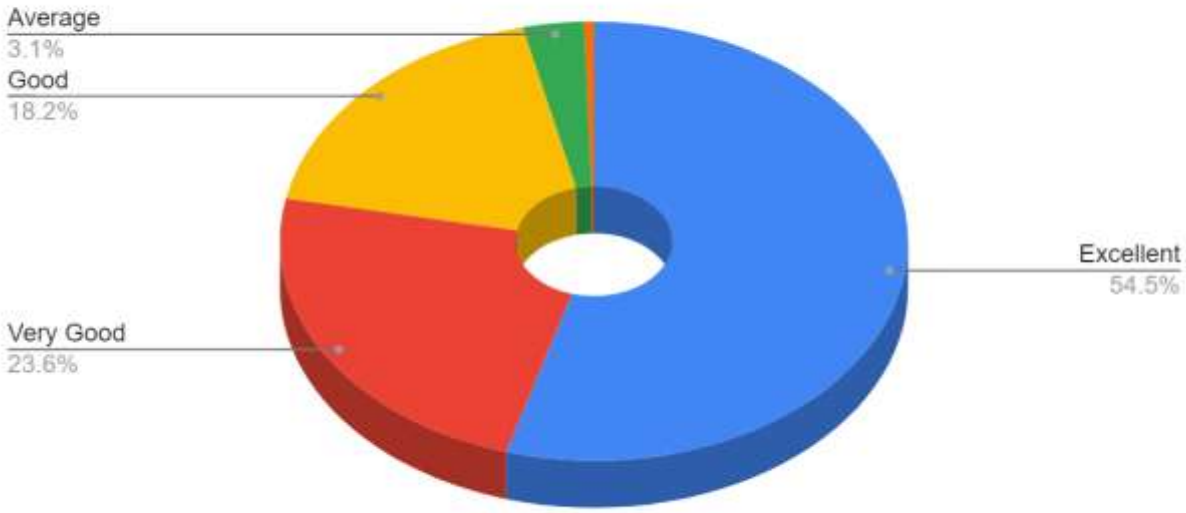

13. How is the information communication technology (ICT), e-learning facilities provided by the institute?

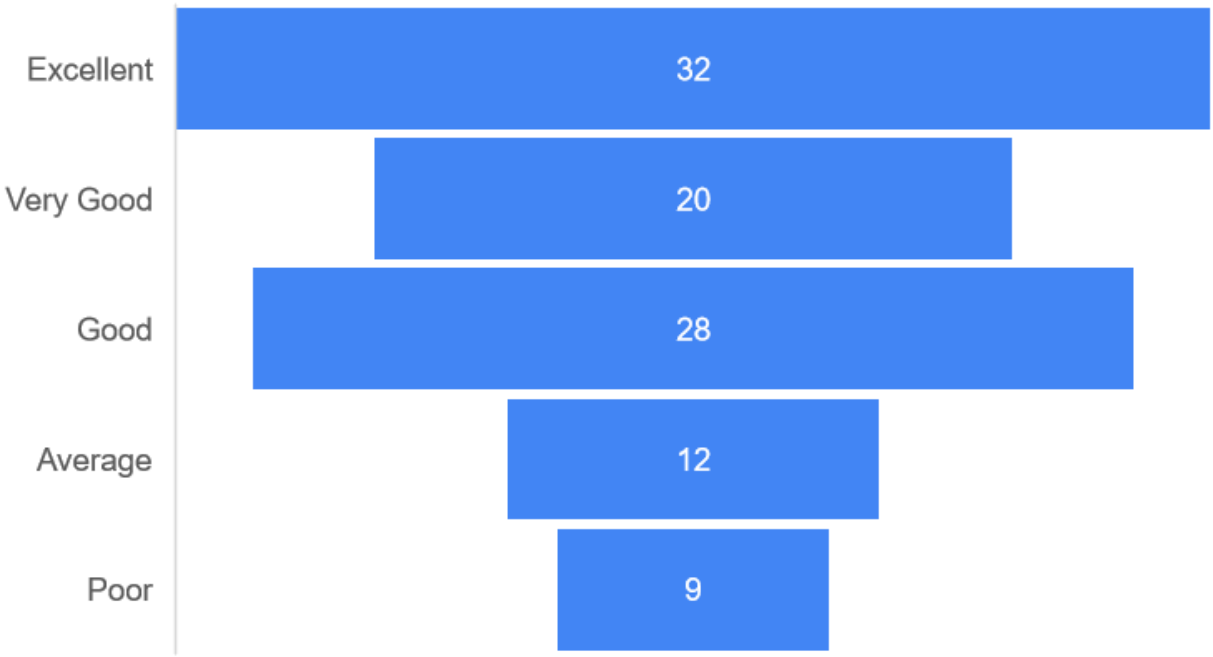

14. How do you rate the institute for the availability and adequacy of classrooms, demonstration rooms and practical halls for better learning outcome of the course?

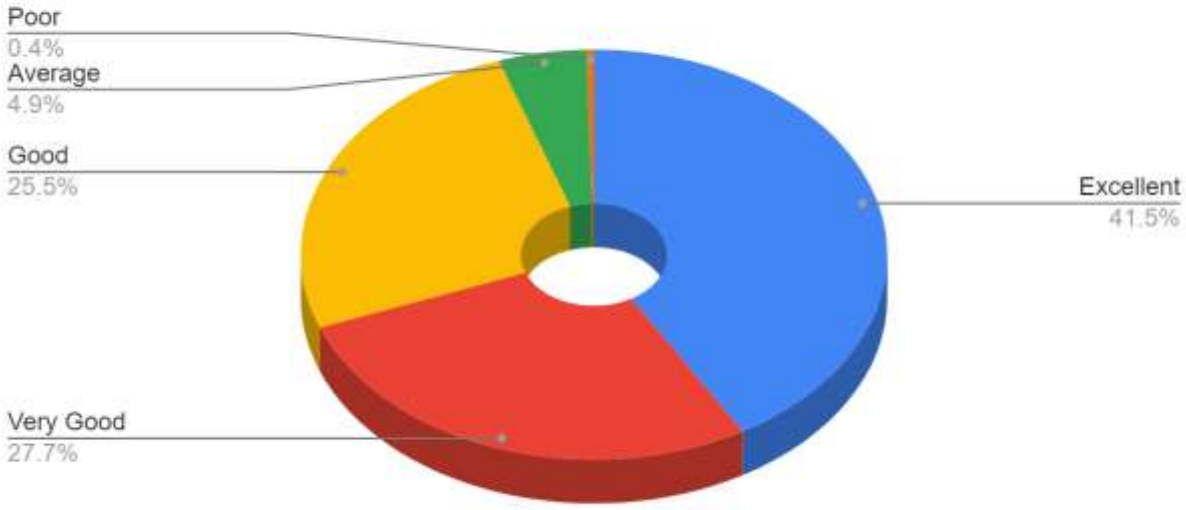

15. How do you rate the library facilities provided by the institute?

16. How do you rate the hostel facilities in the institute?

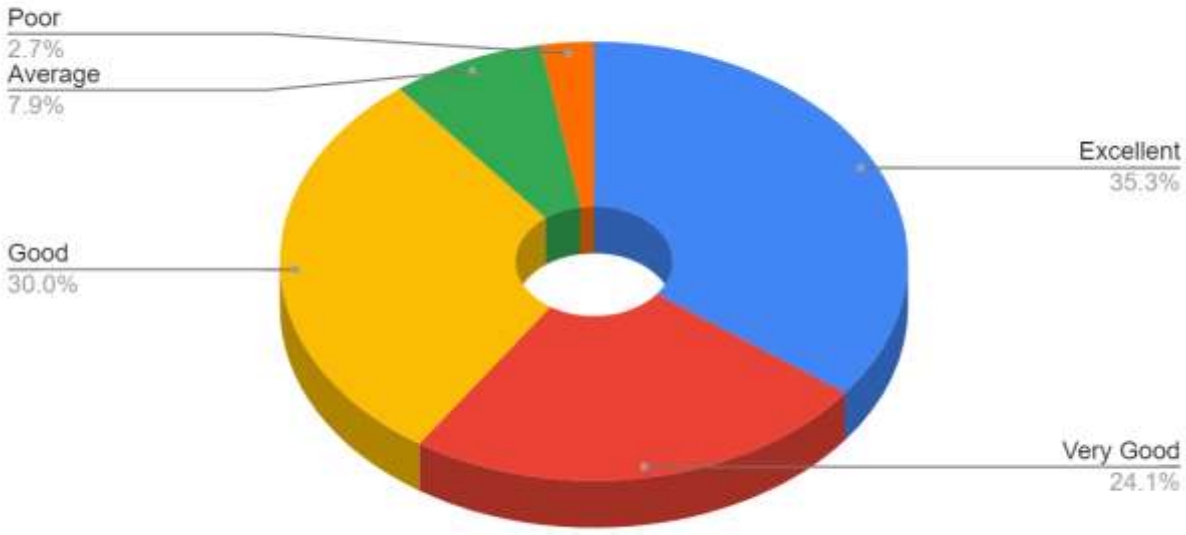

17. How is the quality of patient care, in your opinion, provided by the hospital?

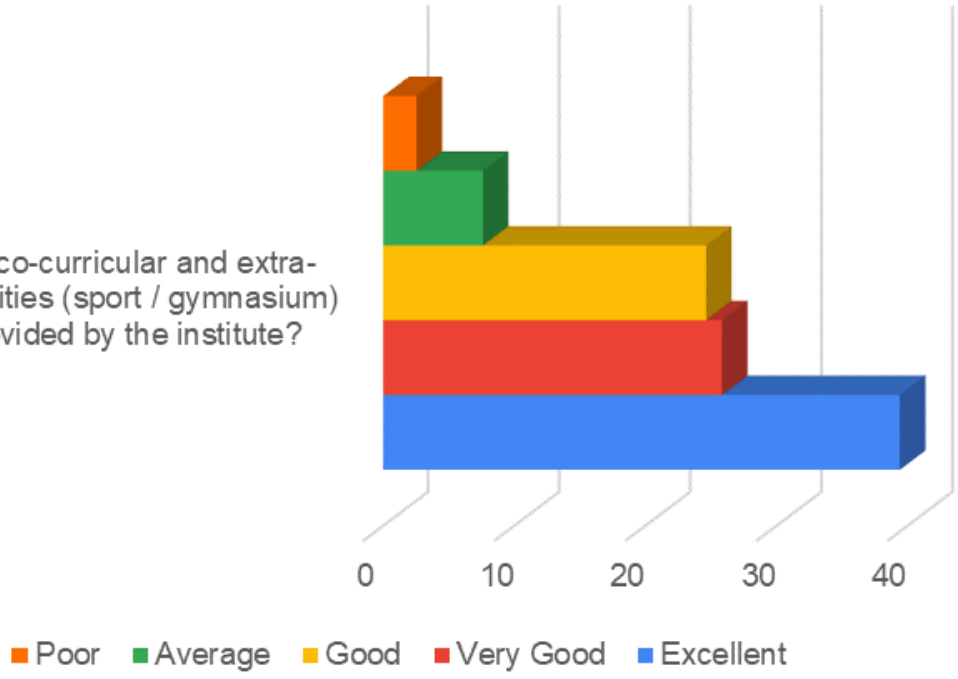

19. How do you rate the institute's efforts in context to placement?

20. How are co-curricular and extra-curricular activities (sport / gymnasium) facilities provided by the institute?

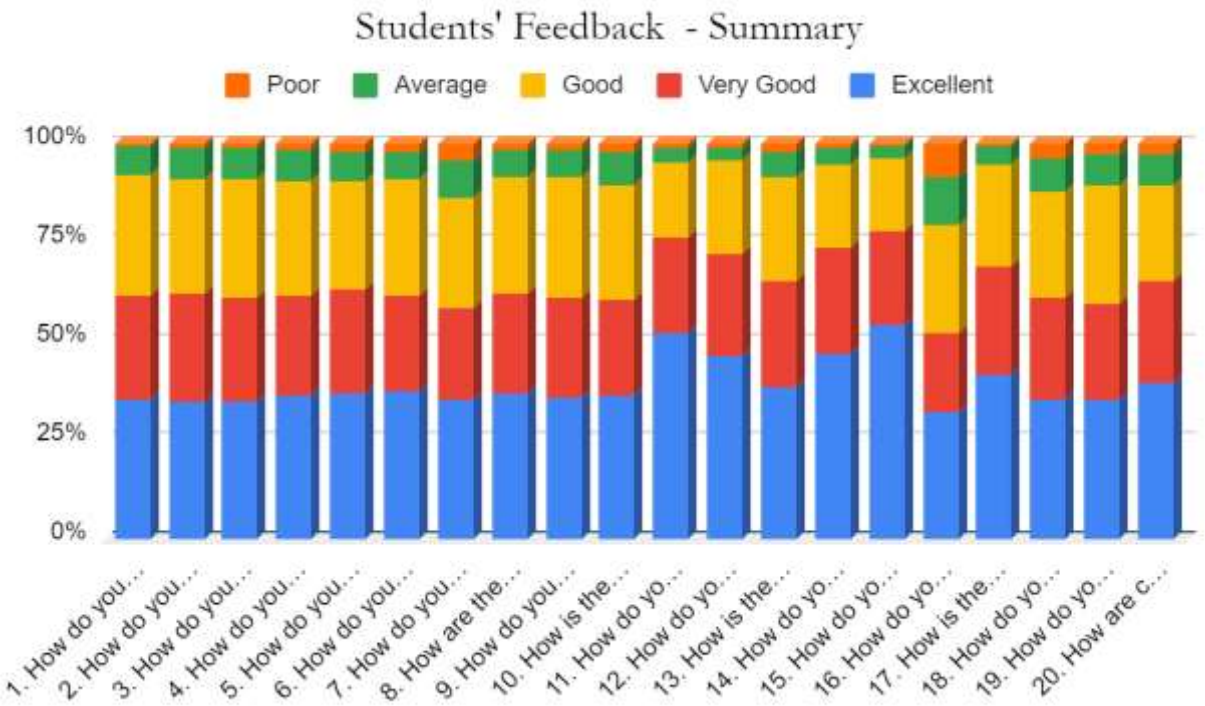

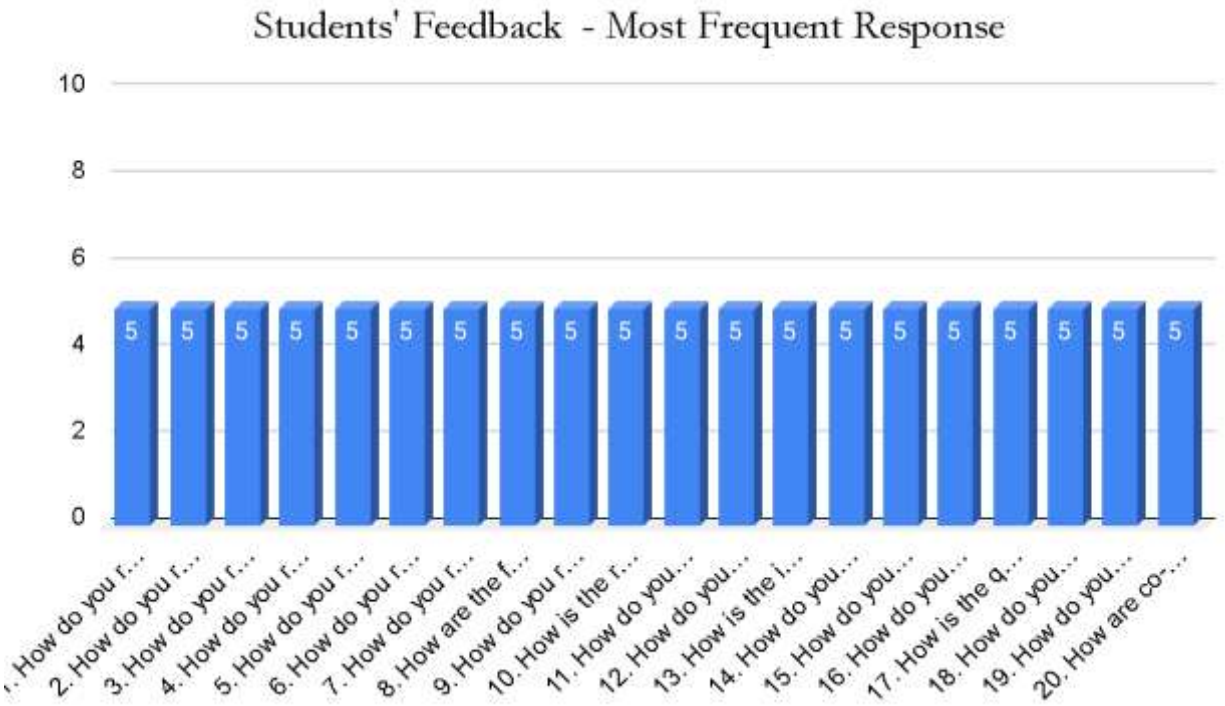

21. **Any other suggestions**

Sr No	REMARKS
1	Krishna Institute of Medical Sciences is one of the most complete medical institutions that offers the students all they need, in terms of academics, sports, a good teaching faculty and an organized administration. Even though I'm from Karnataka, being here feels like home. I can proudly say that this is one of the best medical colleges in India
2	The infrastructure is very excellent. Professors' behaviour towards students are really good. Teaching faculty and HODs are really helping. Workers in lab, Lab assistant are also really happy
3	Everything is so good in this institute. The campus is peaceful and has a great environment for studying
4	Excellent college for all types of medical related courses
5	Excellent institution and teachers are the best

Sr No	SUGGESTIONS
1	Quality Accreditation Cell should be set with student involvement from all years of UG and PG of each course. Bi-monthly meetings and review of course curriculum and implementation should be done with Quality Accreditation Cell, students and professors

Alumni Feedback Analysis

1. How do you rate the institutional policy of curricular revision/ change according to the local and global need of the society?

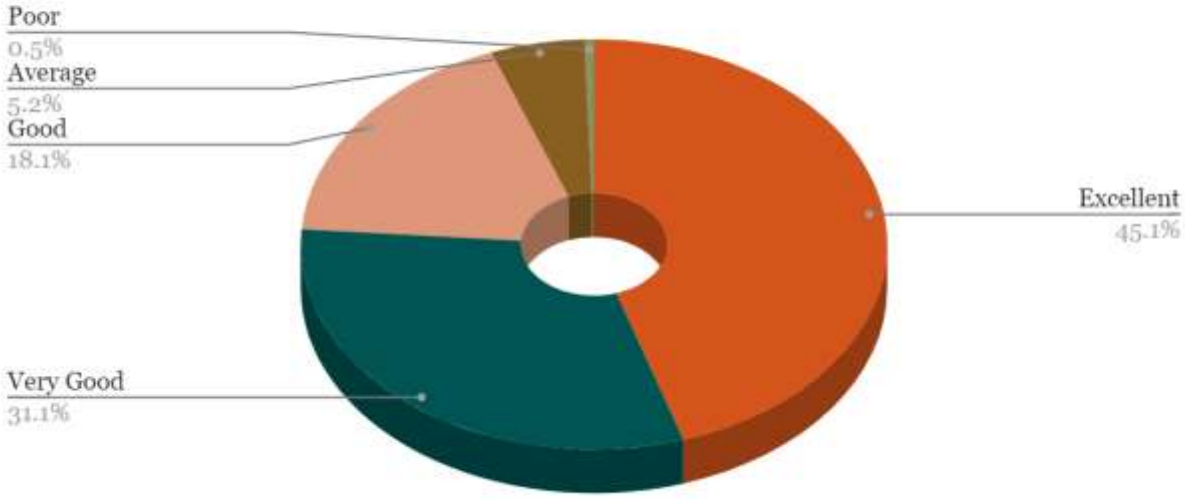

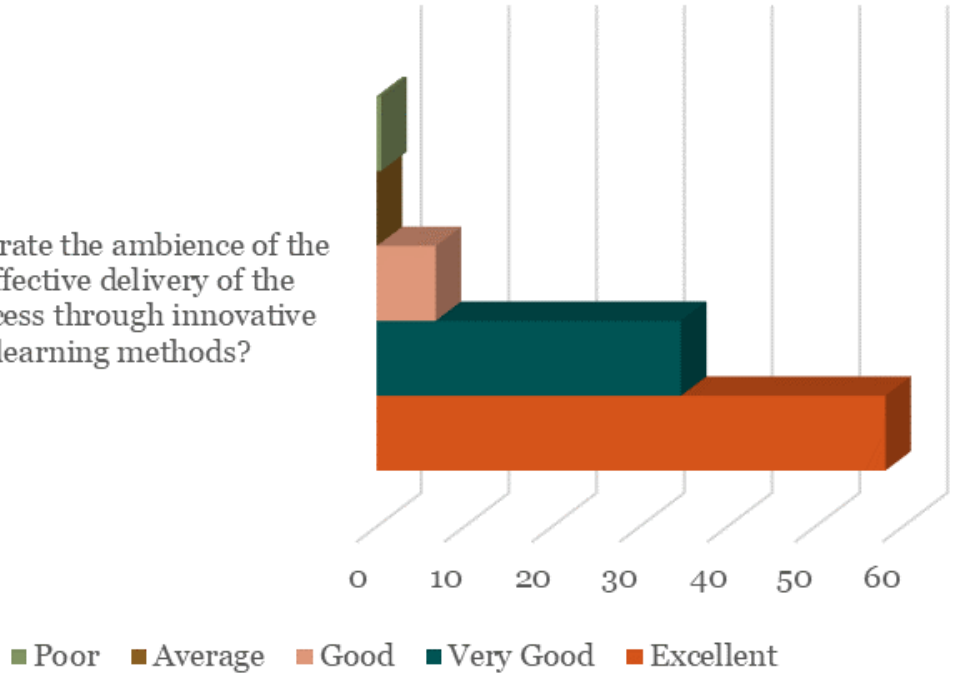

2. How do you rate the academic flexibility embedded in the curriculum which provides opportunities to students to pursue their interest by choosing from the electives?

Excellent Very Good Good Average Poor

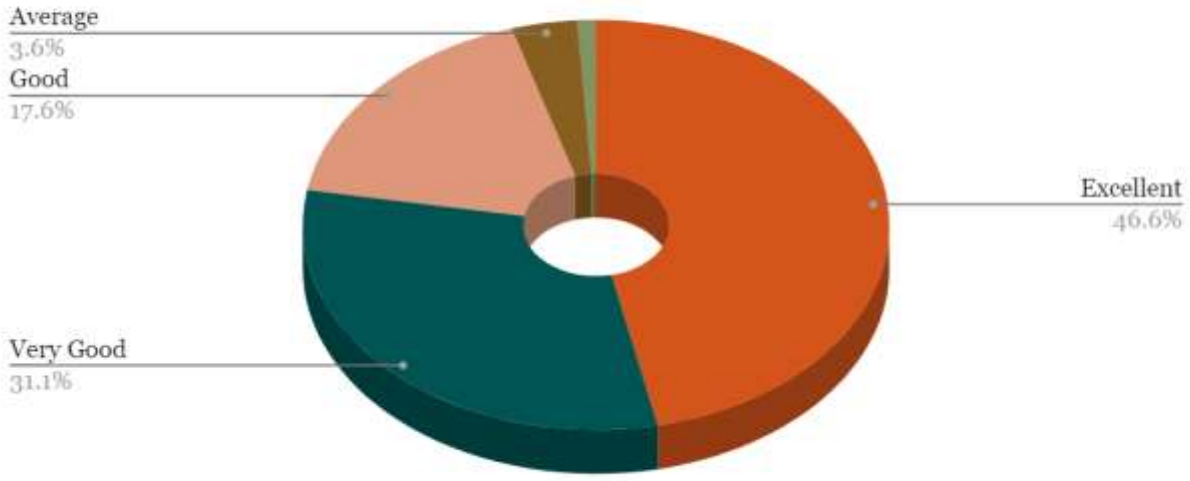

3. How do you rate the outcome (goal) oriented curricular design of the course (ie. becoming competent and independent professionals)?

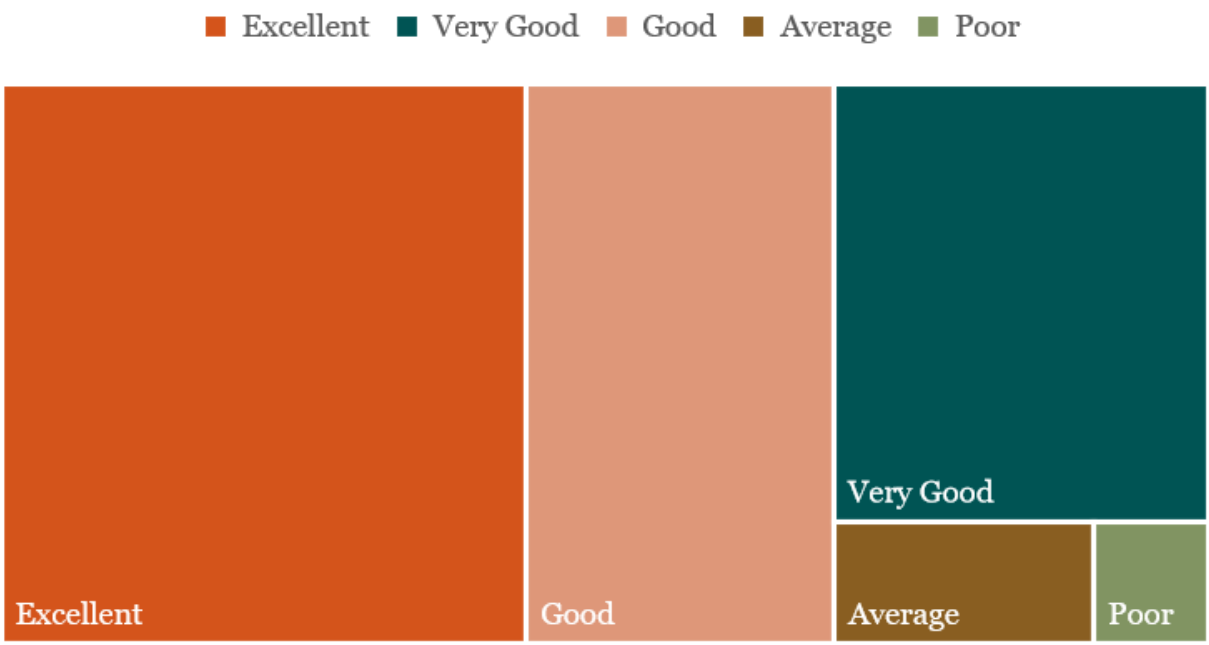

4. How do you rate the ambience of the college for effective delivery of the academic process through innovative teaching learning methods?

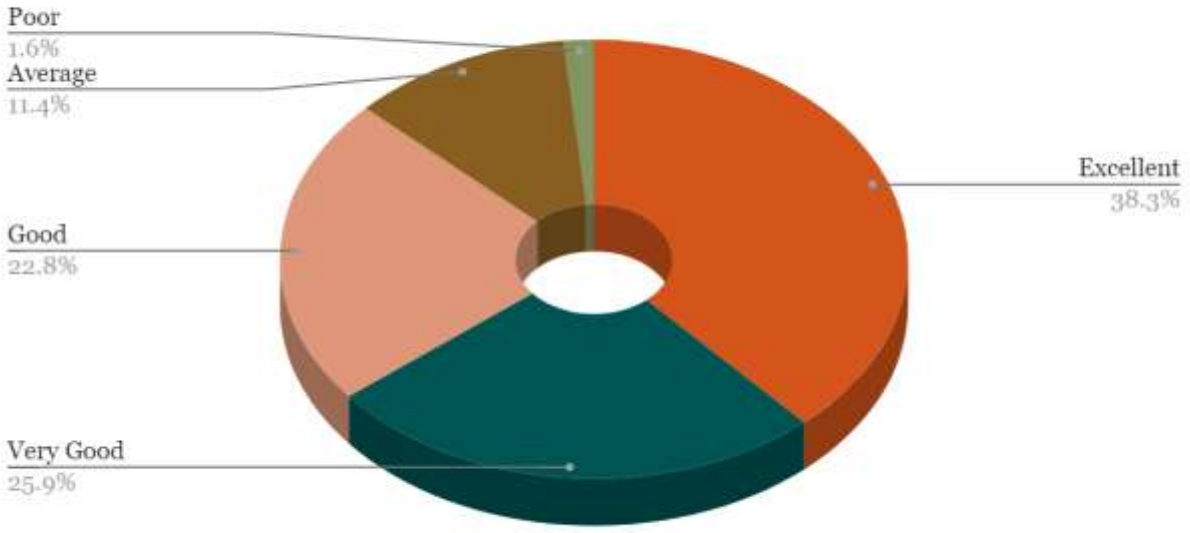

5. How do you rate the institute for conducting guest lectures, seminars, workshops, conferences, quiz competitions etc. for better knowledge and skill acquisition (deep learning)?

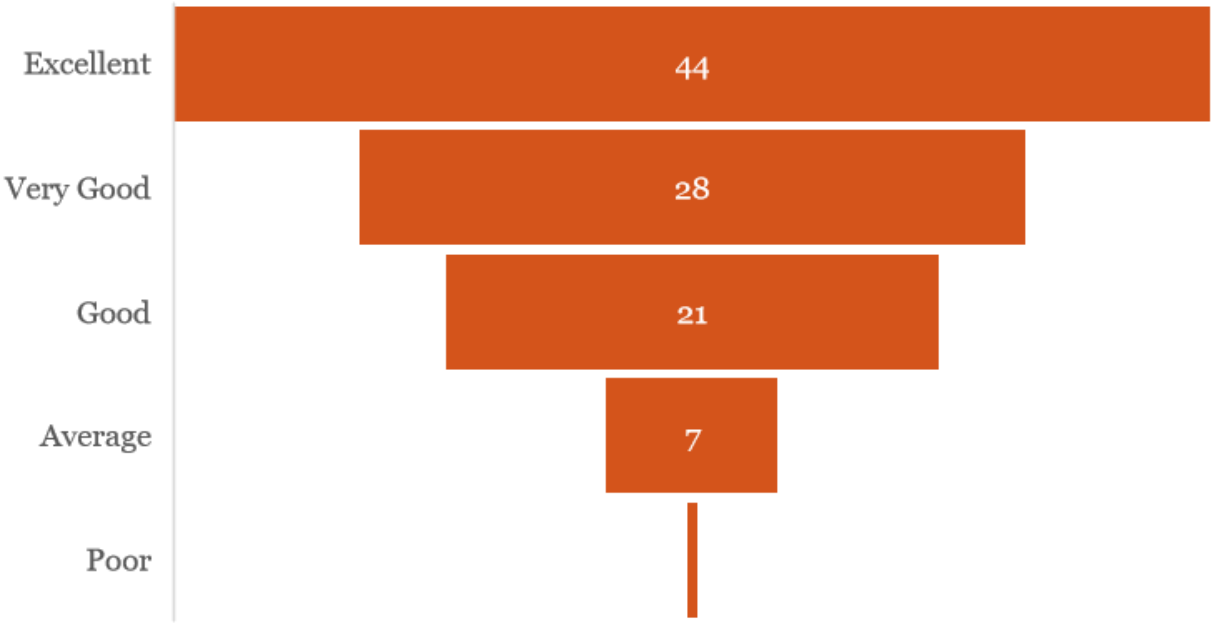

6. How do you rate the institute's efforts in context to career guidance?

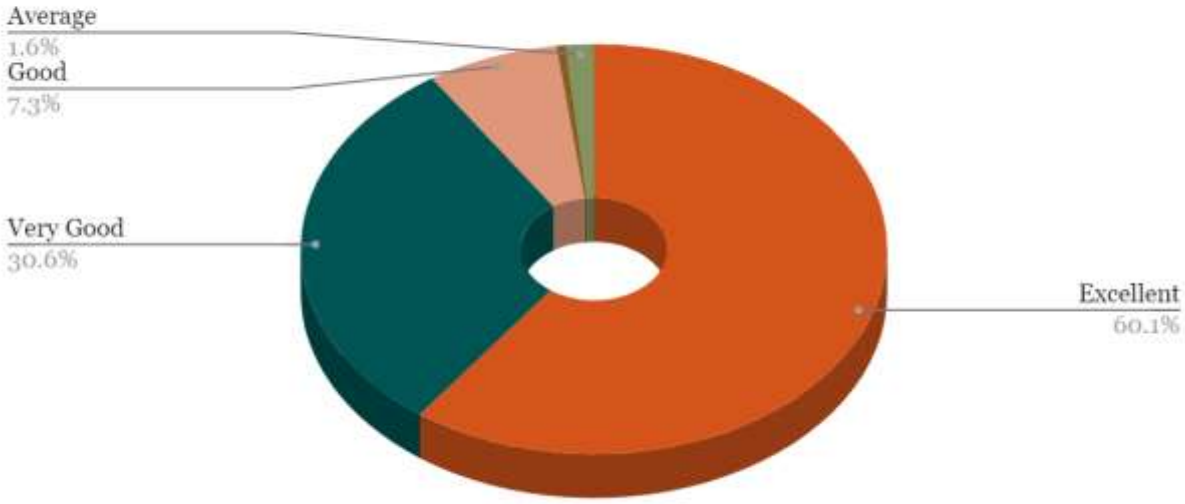

7. How do you rate the institute's efforts in context to placement?

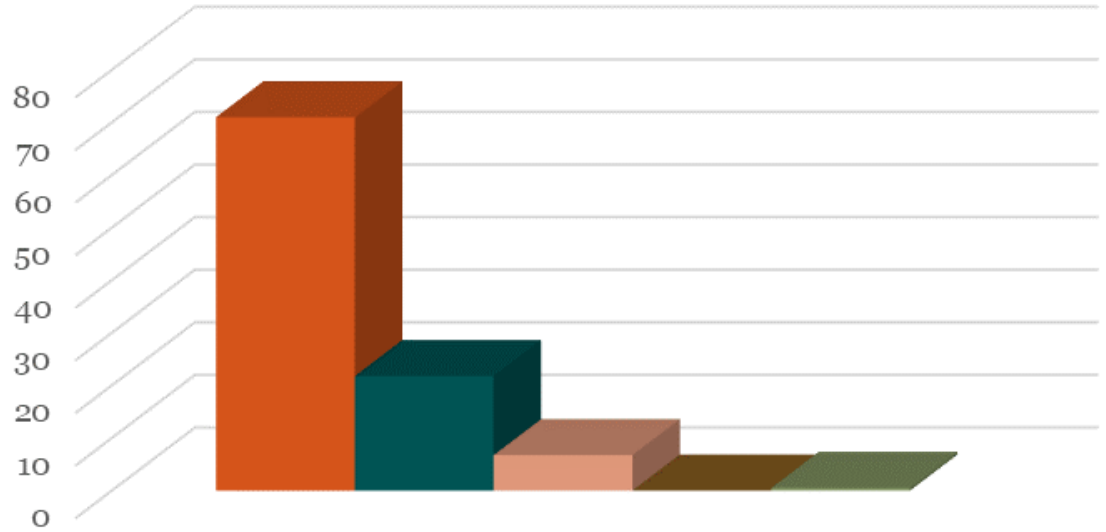

8. How are the facilities required to acquire soft skills, professionalism, bioethics and communication skills provided by the institute?

9. How do you rate the institute for the availability and adequacy of classrooms, demonstration rooms, practical halls and clinical (patients) material for better learning outcome of the course?

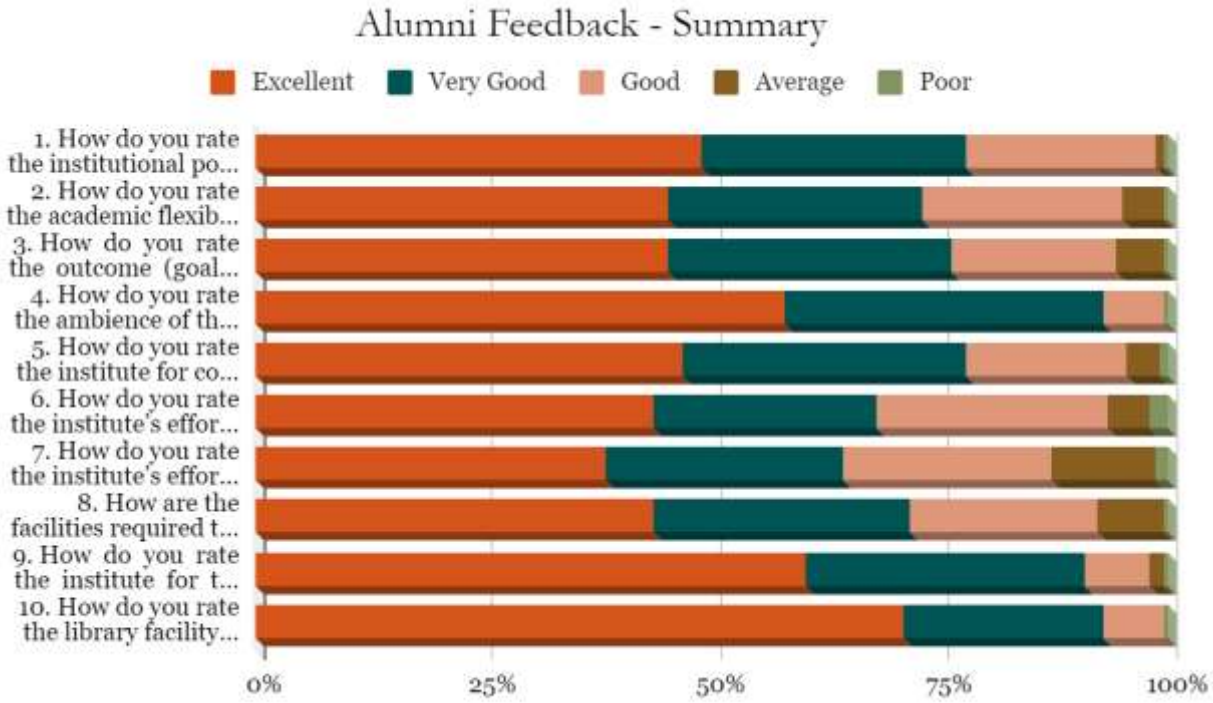

10. How do you rate the library facility available in the institute?

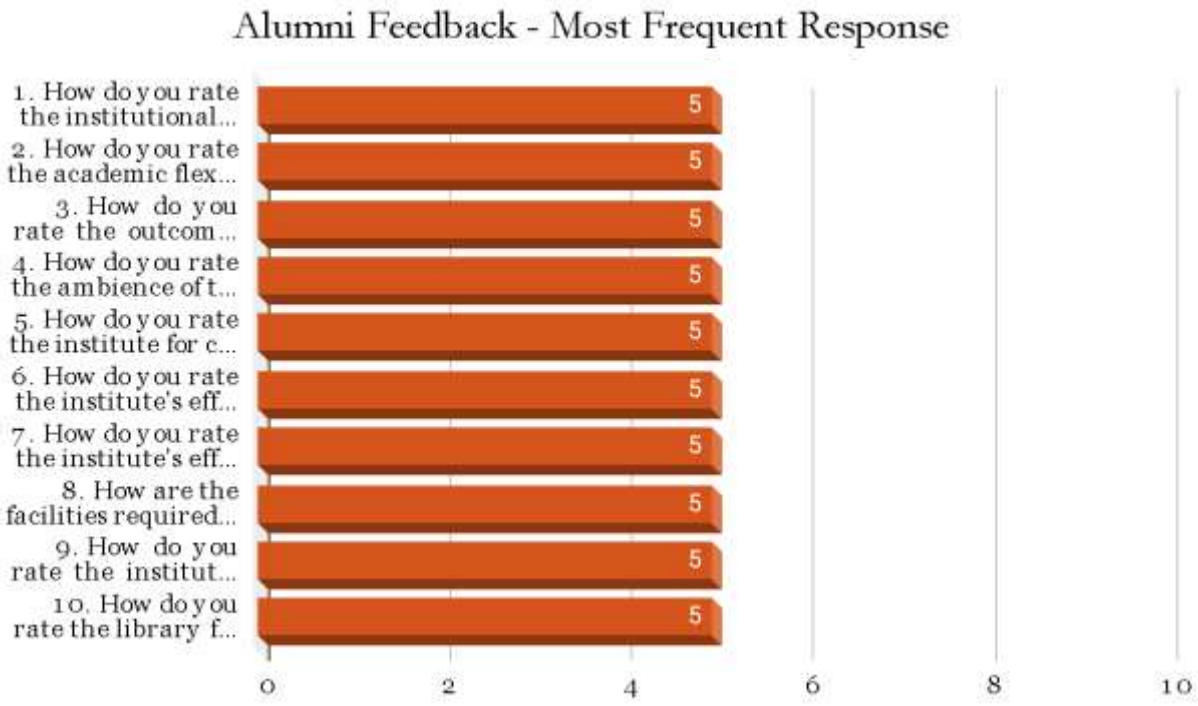

Excellent Very Good Good Average Poor

11. **Any other suggestions**

Sr No	REMARKS
1	I am always complemented by my colleagues of knowing my basics very well and that was only because I studied in our institute so honestly no suggestions, great effort all over
2	Management is way ahead with new ideas and reforms in the medical field. All the best.
3	Excellent is almost every way including the sports culture and facilities provided for the same.
4	Very good campus, clean and pollution free and excellent garden and trees
5	Best campus to acquire good knowledge

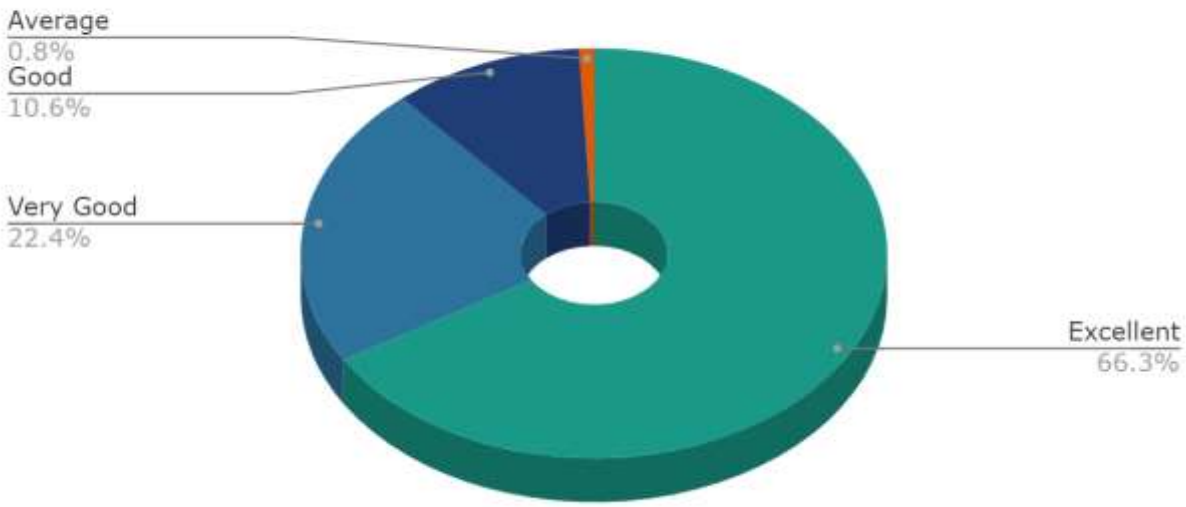

Sr No	SUGGESTIONS
1	Try to develop all super specialities
2	More exposure to recent methods and ethically correct medical practice
3	Establish a gallery which will exhibit extracurricular achievements of all students.

Teachers' Feedback Analysis

1. How do you rate the quality, content, relevance and execution of the syllabus included in the curriculum for UG and PG courses by the institute?

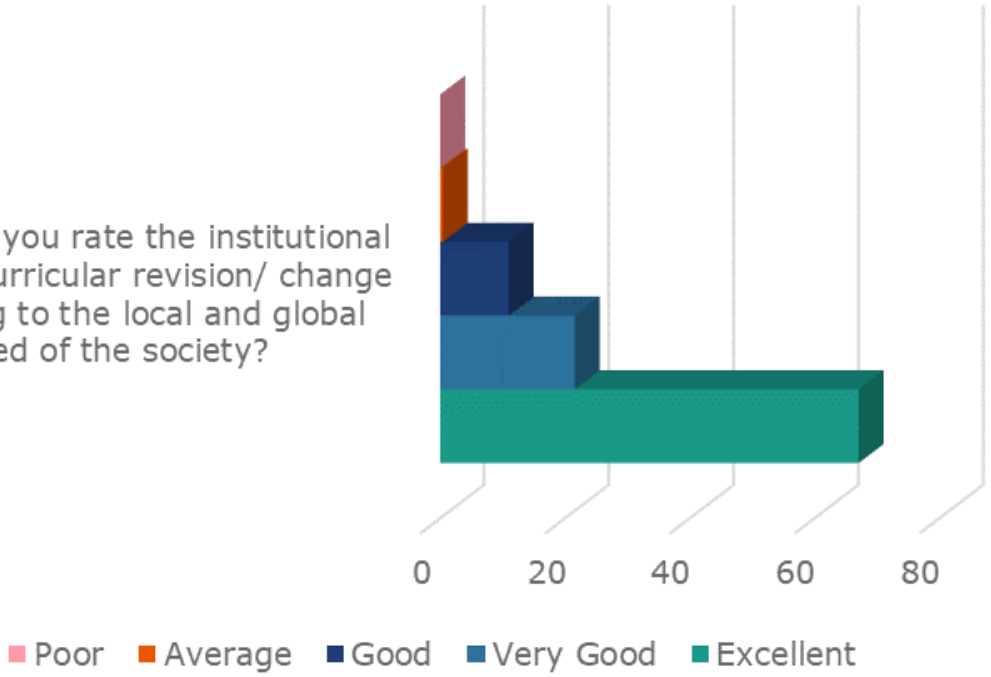

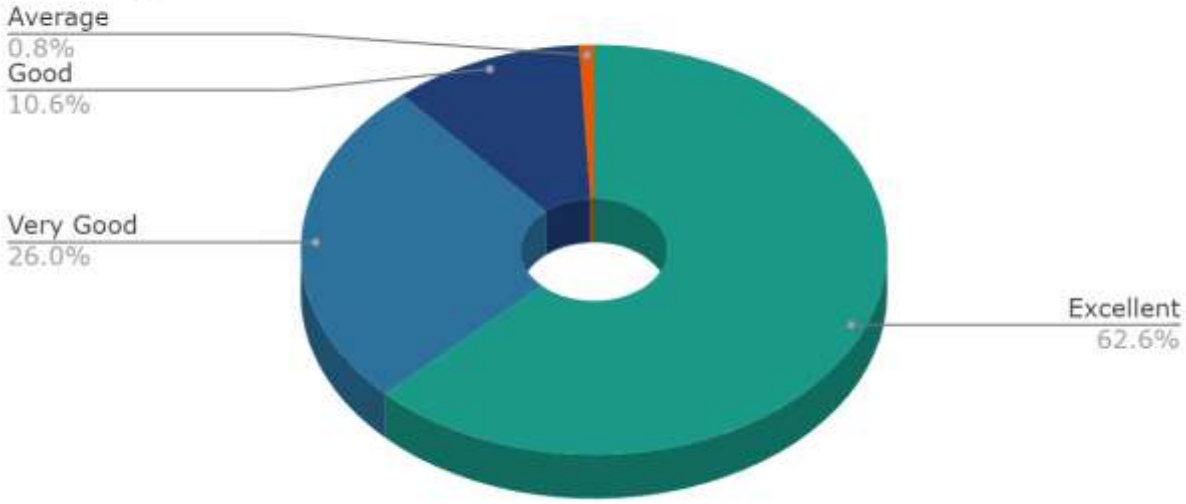

3. How do you rate the curriculum design for UG and PG with inclusion of community service / projects with NGOs, participation in various awareness campaigns, exhibitions on socially relevant issues etc.?

4. How do you rate the institutional policy of curricular revision/ change according to the local and global need of the society?

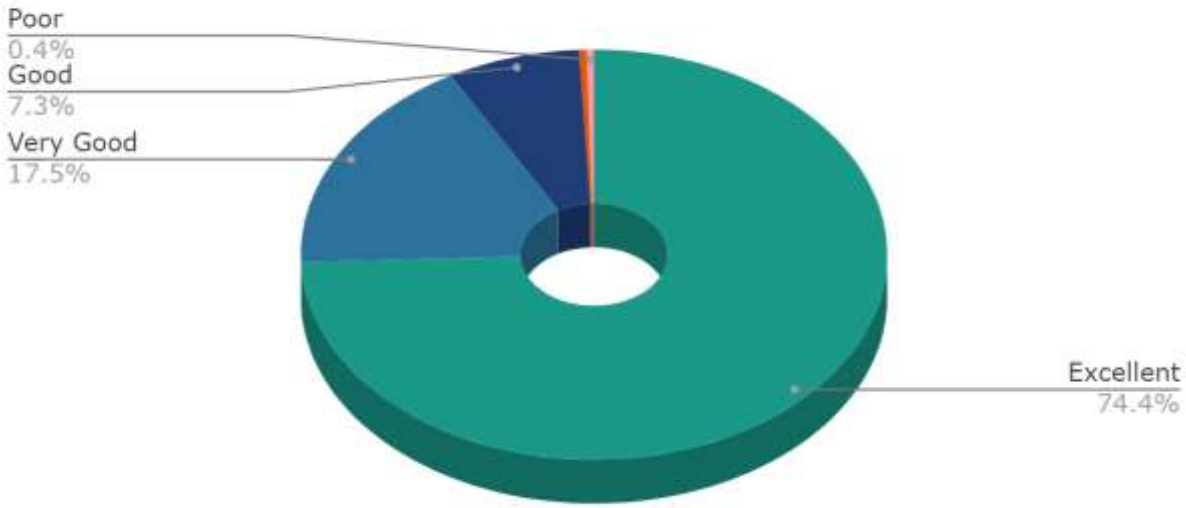

5. How do you rate the academic flexibility embedded in the curriculum which provides opportunity to students to pursue their interest by choosing from a number of electives?

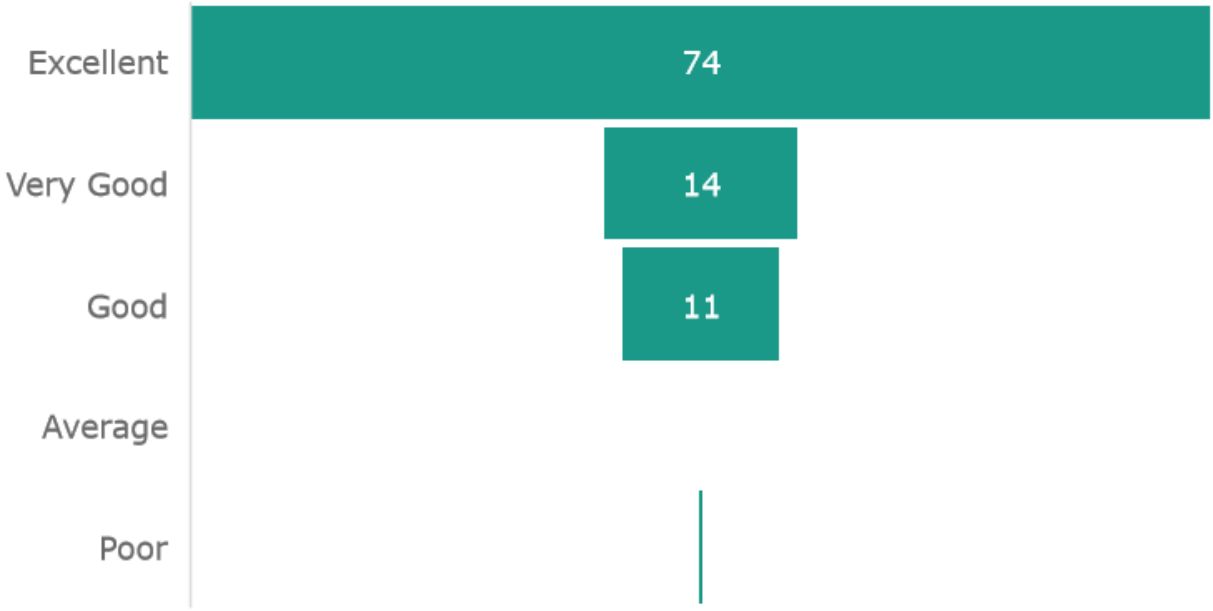

6. How do you rate the involvement of institute in various national health programs?

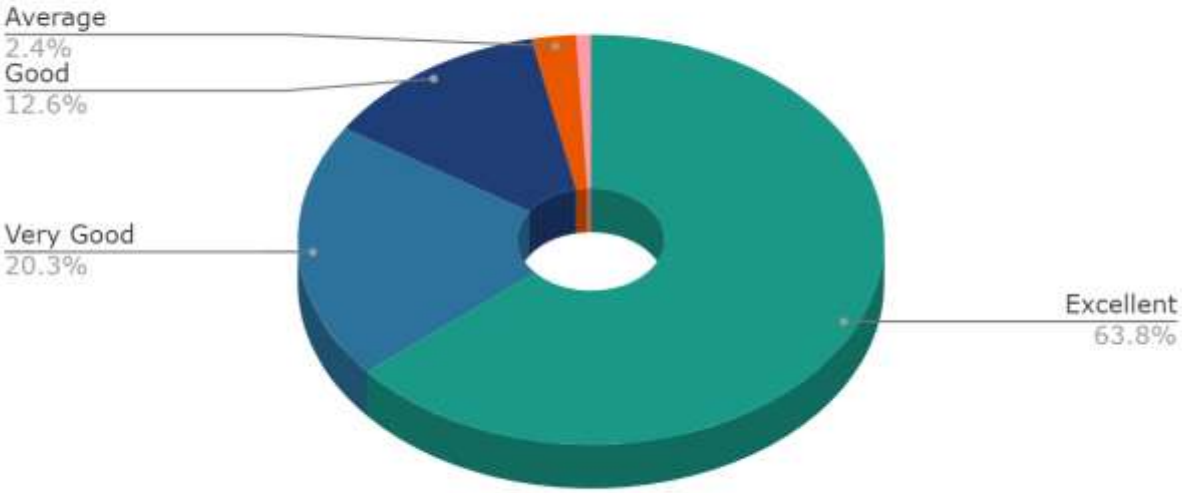

7. How do you rate the institute for encouraging guest lectures, seminars, workshops, conferences, etc.?

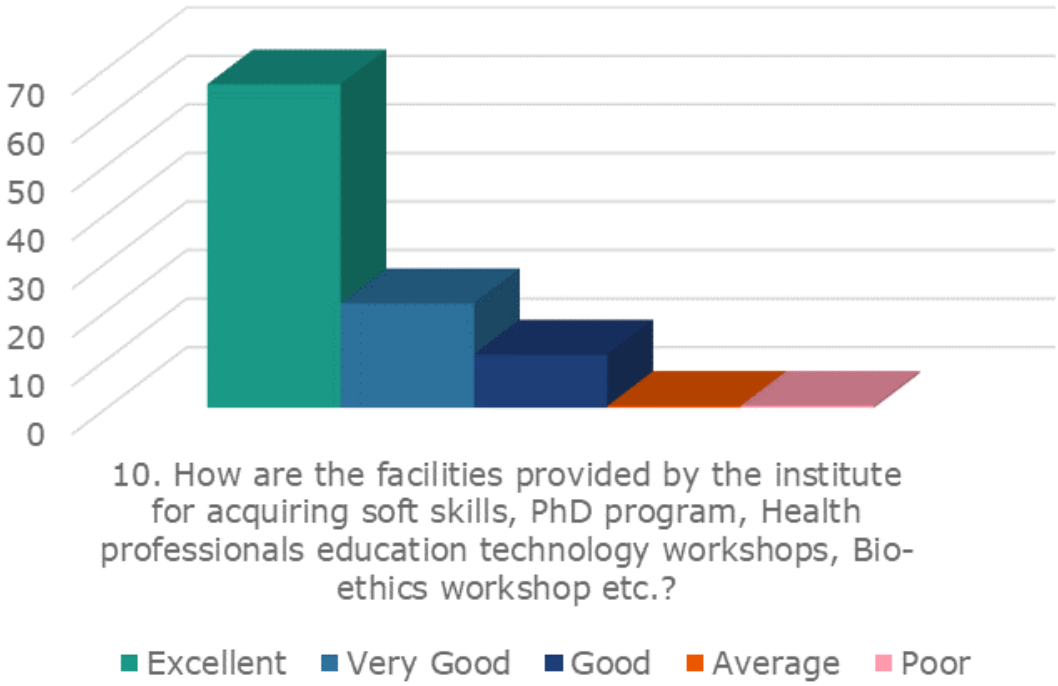

8. How do you rate the institute for conducting various university academic activities?

9. How do you rate the research cell activity (ethics and protocol committee) and research guidance?

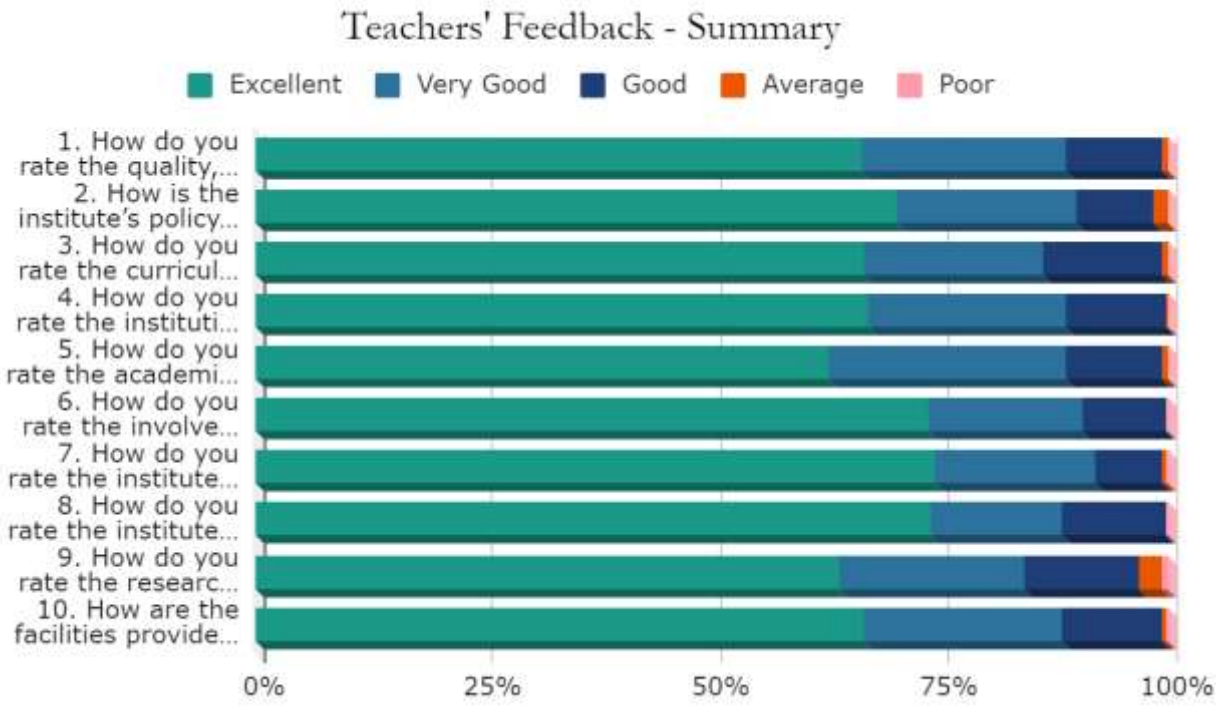

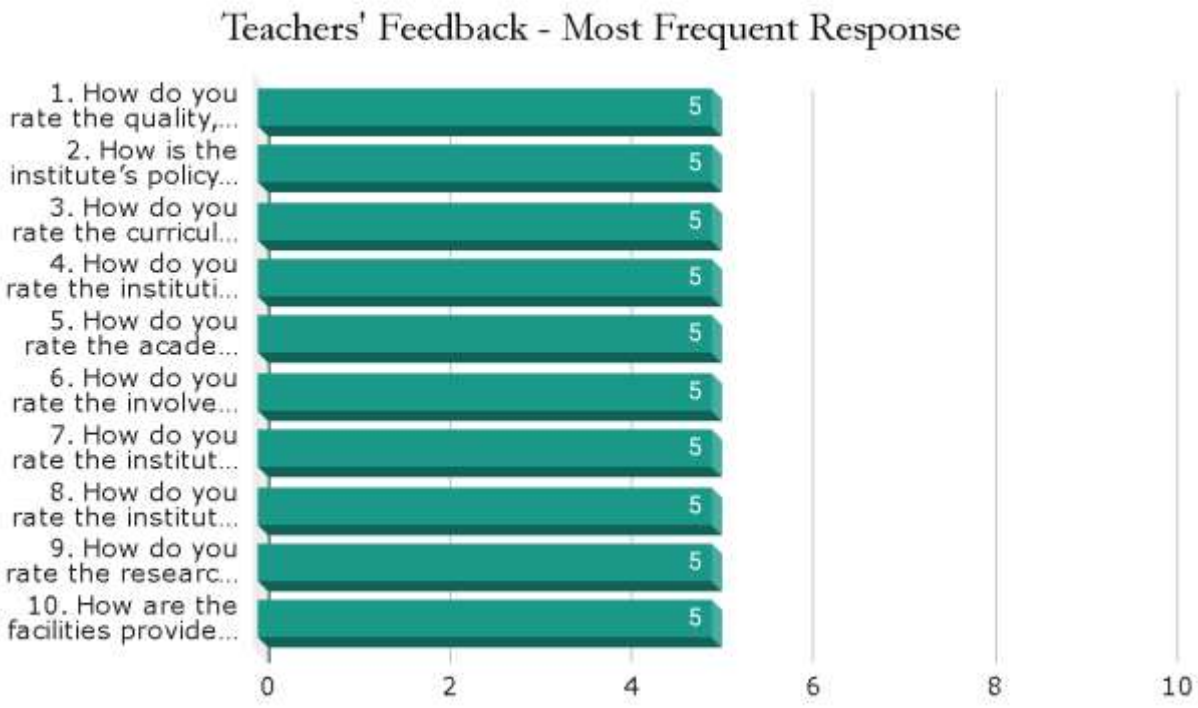

11. Any other suggestions

Sr No	REMARKS
1	Management is very encouraging for achieving excellence in any activities like service, education, research, co-curricular and social impact both locally and globally
2	Everything is very systematic and programmed
3	Overall excellent efforts on part of management for the continuous betterment.
4	Very good working environment
5	The institute encourages research activities very well

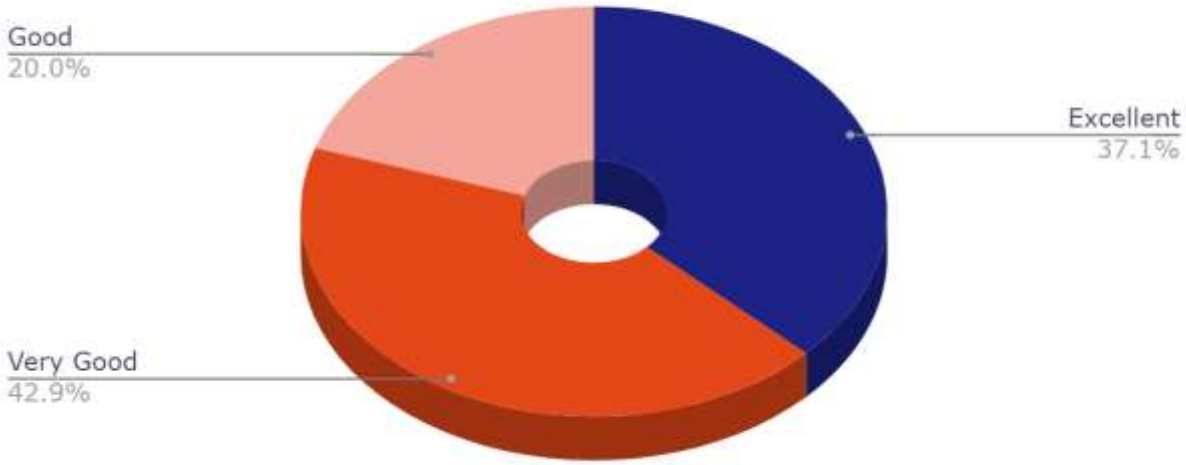

Sr No	SUGGESTIONS
1	Improvement in collaboration with NGOs to extend health care services for people beyond reach
2	Cadaveric dissection should be made part of post graduate curriculum

Professionals' Feedback Analysis

1. How do you rate the course curriculum in relation to the achievement of desired competencies required for the course?

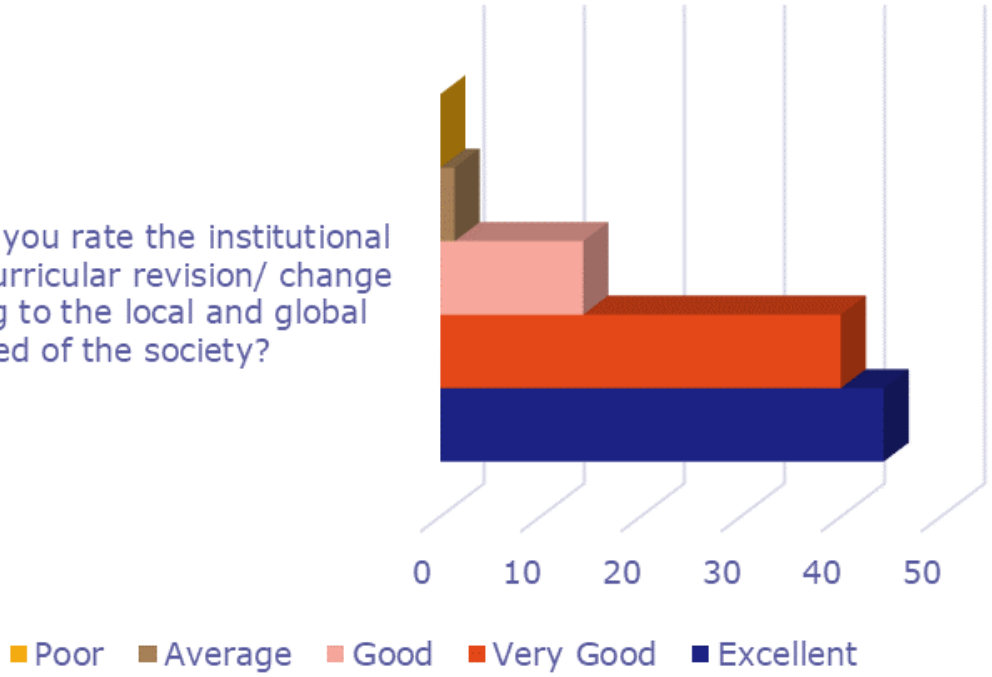

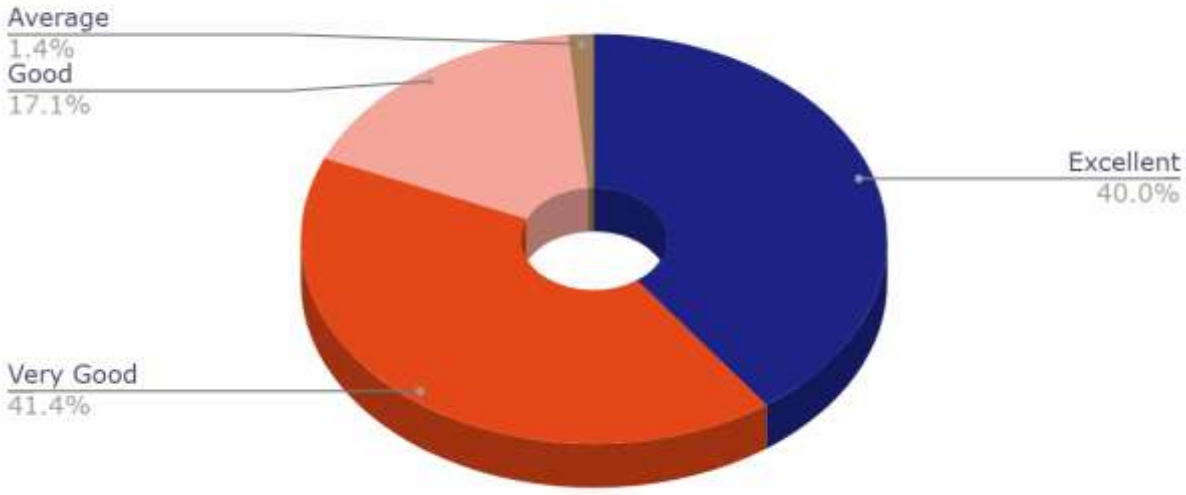

3. How do you rate the sensitivity of students towards issues like gender equality (non-discrimination), environmental safety, ethics and values?

4. How do you rate the institutional policy of curricular revision/ change according to the local and global need of the society?

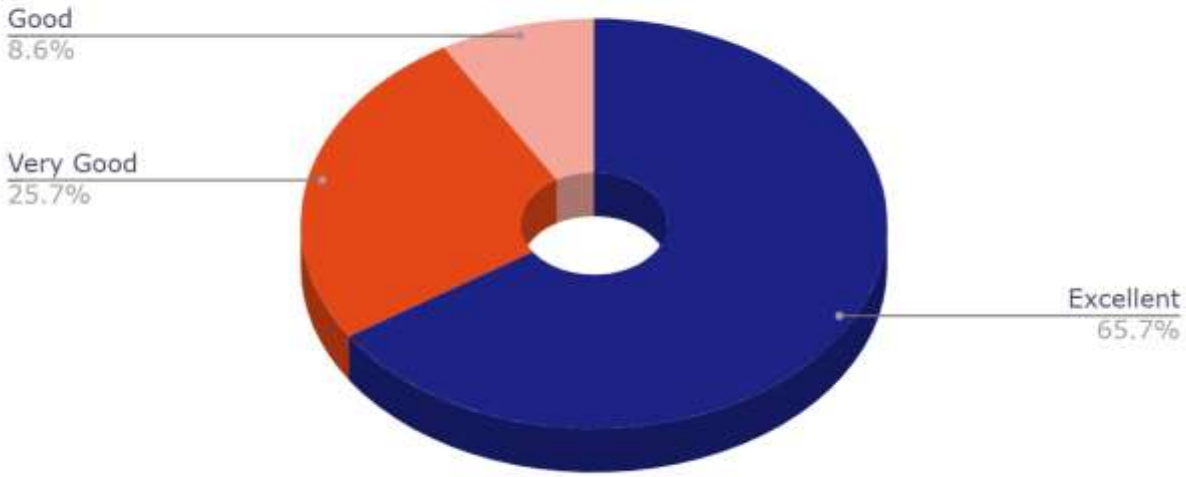

5. How do you rate the academic flexibility embedded in the curriculum which provides opportunities to students to pursue their interest, on evaluation of students?

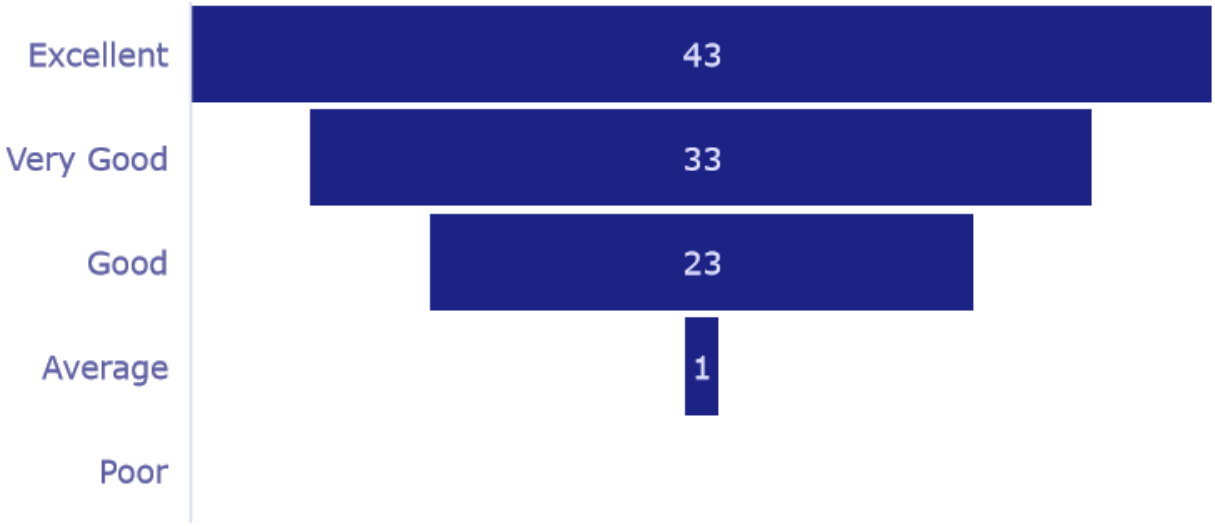

6. How do you rate the outcome (goal) oriented curricular design of the course (i.e. becoming competent and independent professionals) in professional and in real life situation?

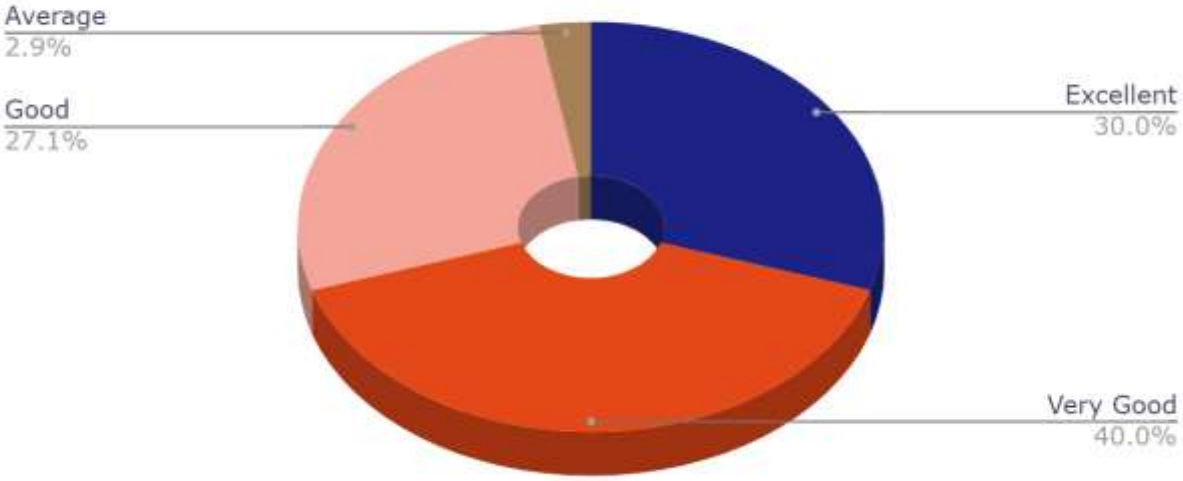

7. How do you rate the ambience of the college for effective delivery of the academic process?

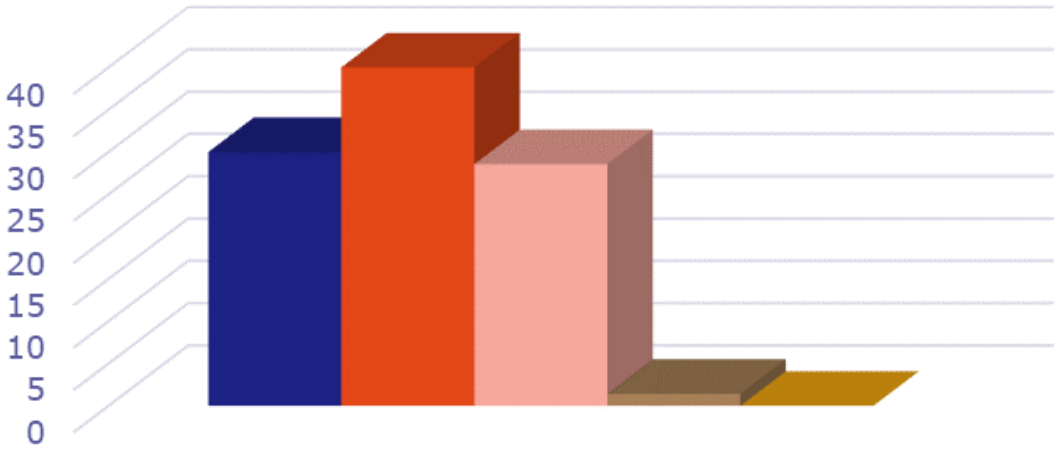

8. How do you rate the implementation of innovative teaching-learning methods (self- directive learning, problem based learning, narrative-reflective learning, integrated teaching, modular teaching etc)?

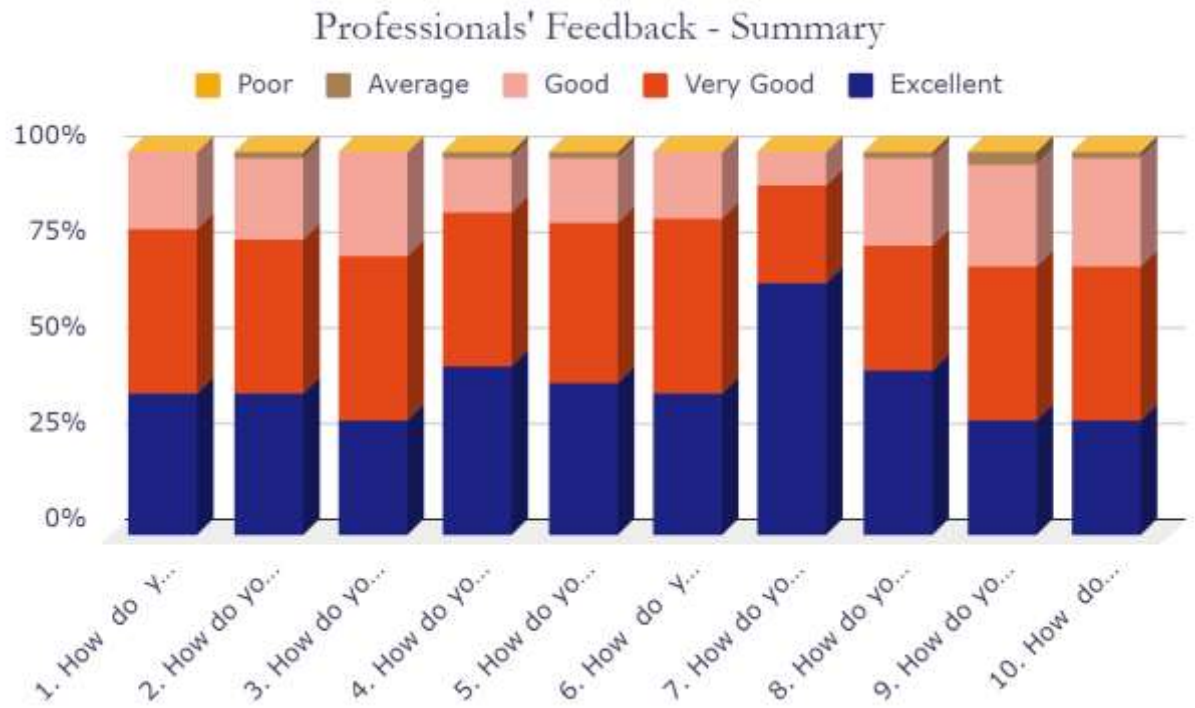

9. How do you rate the students' inclination towards participating / conducting, guest lectures, seminars, workshops, CMEs, conferences, quiz competitions etc. for better knowledge and skill acquisition?

11. Any other suggestions

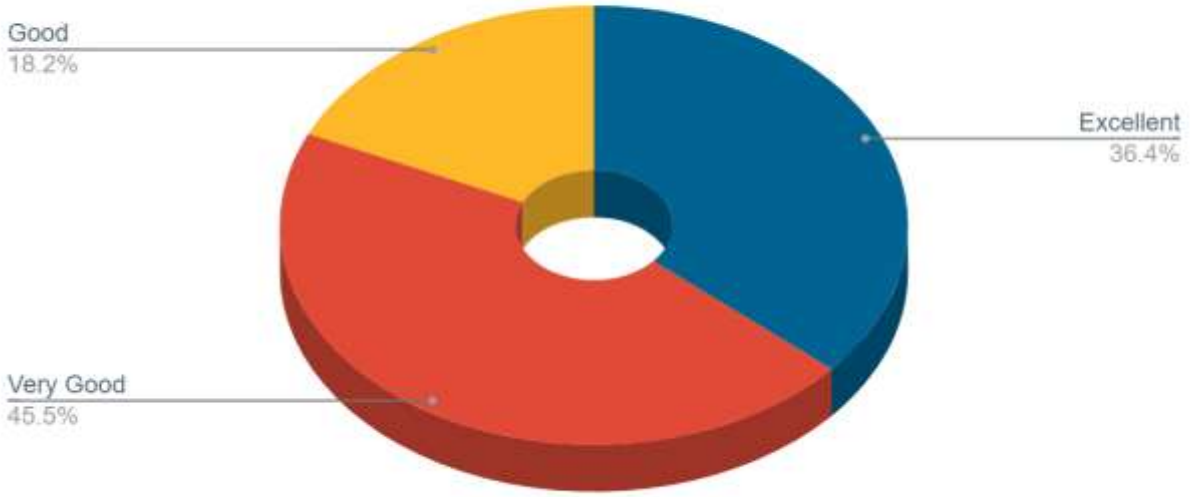

Sr No	REMARKS
1	As a member of BOS, I had good interactions in curriculum changes, gave guest lectures and overall KIMSDU experience was excellent
2	The institute is doing a great job in imparting quality education to the students. The curriculum is well planned, implemented & effectively monitored
3	Very good college, and the quality of students generated from this university is excellent
4	KIMSDU has always encouraged staff to conduct research & other areas
5	Excellent institutional activities

21. Any other suggestions

Sr No	REMARKS
1	I am completely satisfied with the facilities available, nevertheless there's always room for development but these would just add cherries, otherwise currently everything is just awesome.
2	All facilities are good enough
3	Excellent teaching facilities and infrastructure
4	Very good college activities overall

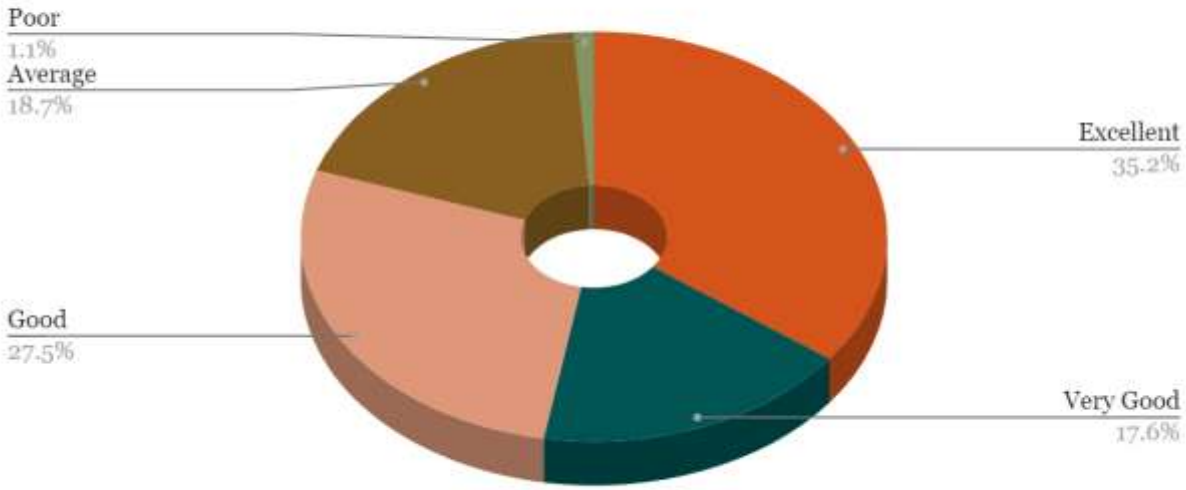

Sr No	SUGGESTIONS
1	Campus placement programs should be held for students
2	No practical knowledge about clinic setup and foreign degrees and possible outcomes from degree course provided

Professionals' Feedback Analysis

1. How do you rate the course curriculum in relation to the achievement of desired competencies required for the course?

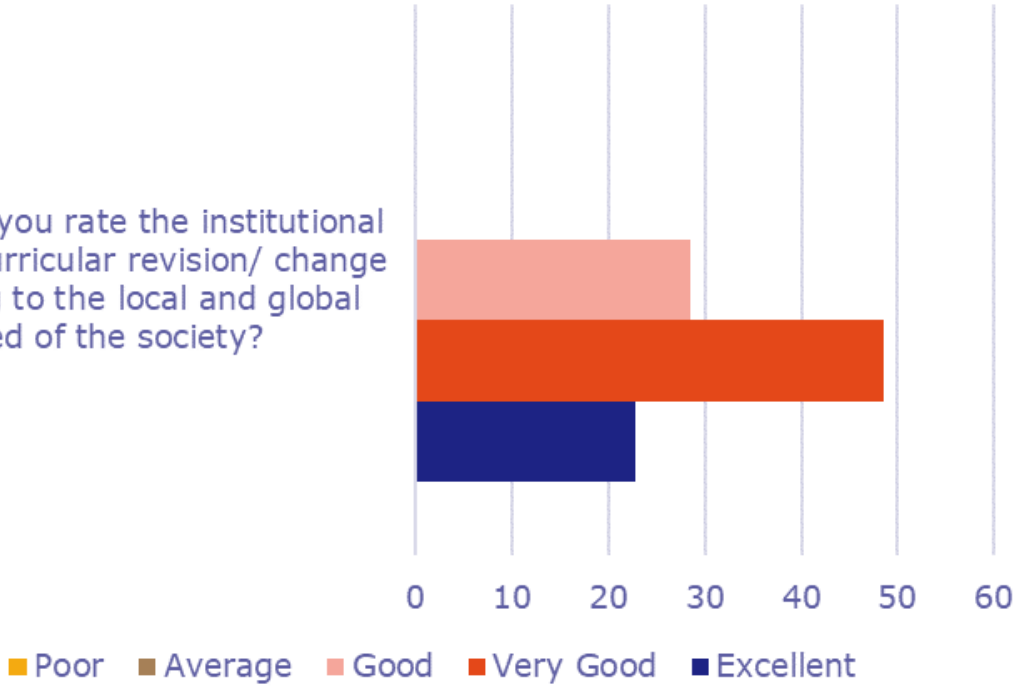

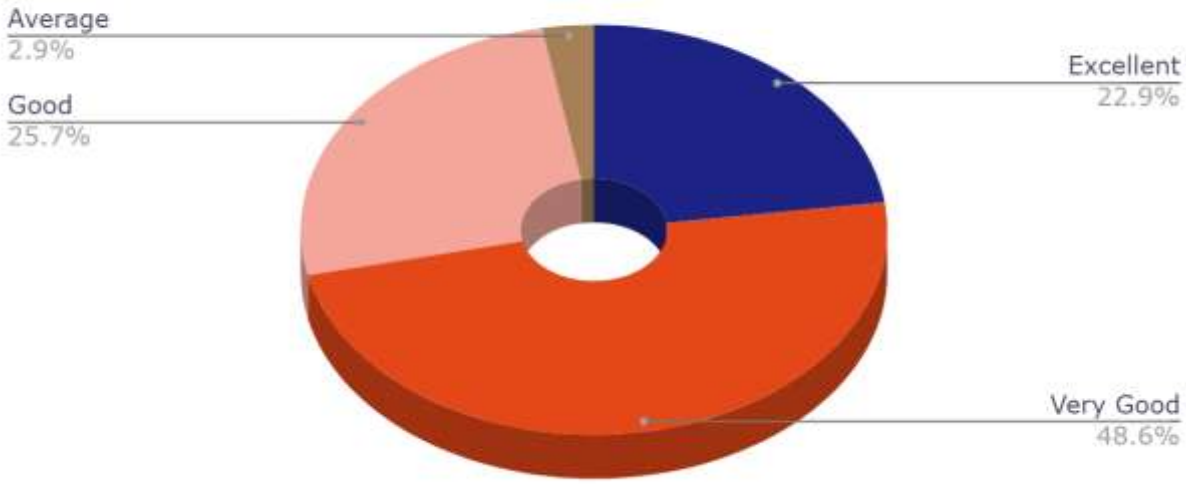

3. How do you rate the sensitivity of students towards issues like gender equality (non-discrimination), environmental safety, ethics and values?

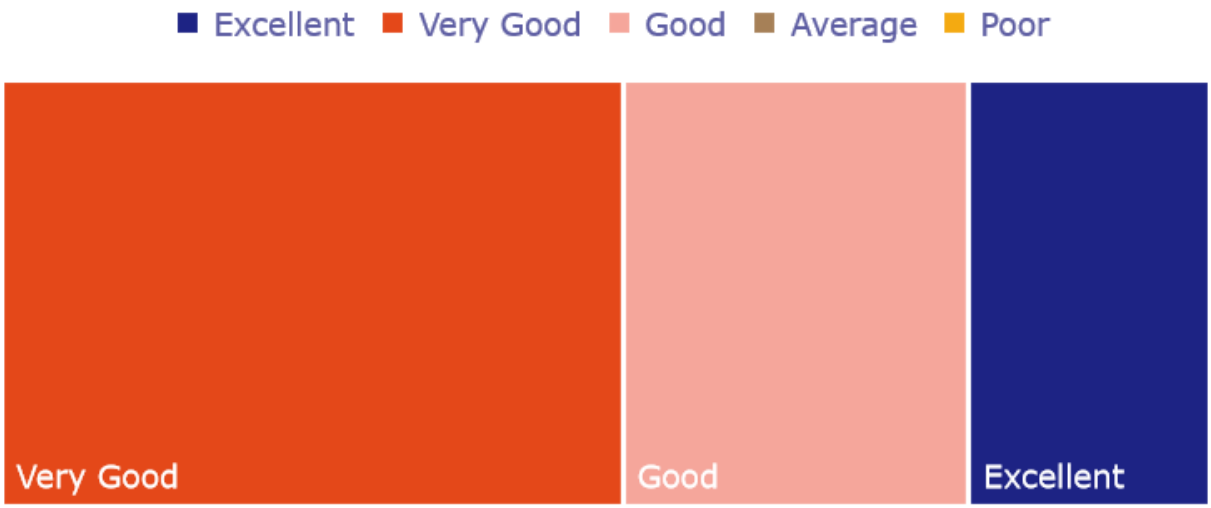

4. How do you rate the institutional policy of curricular revision/ change according to the local and global need of the society?

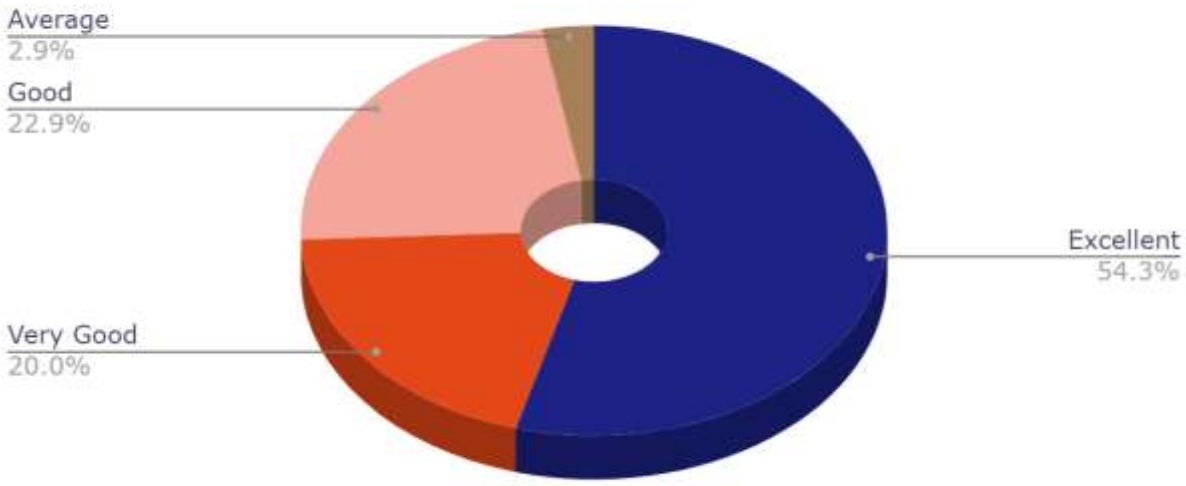

5. How do you rate the academic flexibility embedded in the curriculum which provides opportunities to students to pursue their interest, on evaluation of students?

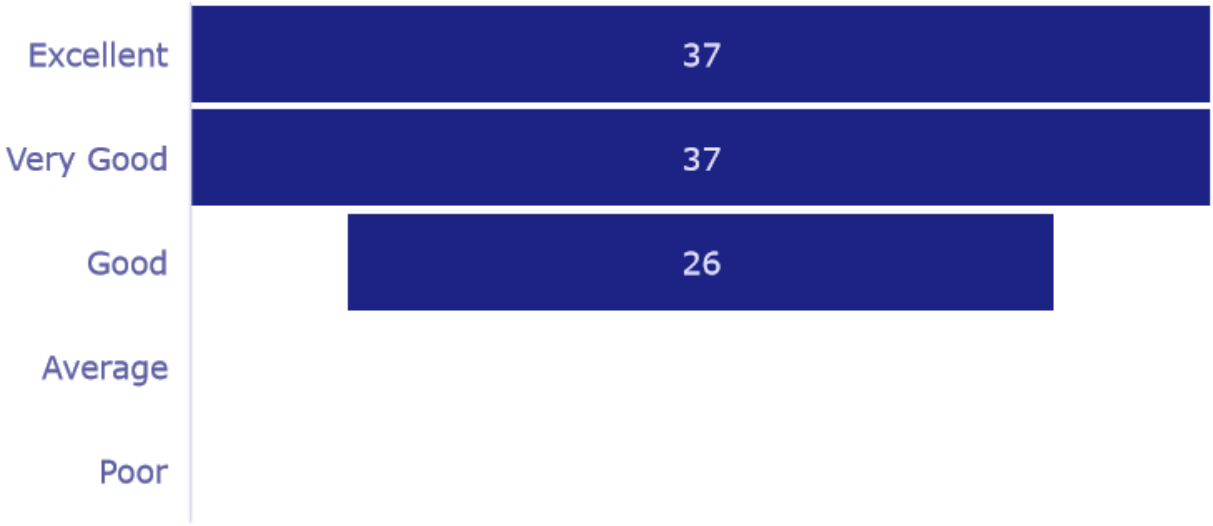

6. How do you rate the outcome (goal) oriented curricular design of the course (i.e. becoming competent and independent professionals) in professional and in real life situation?

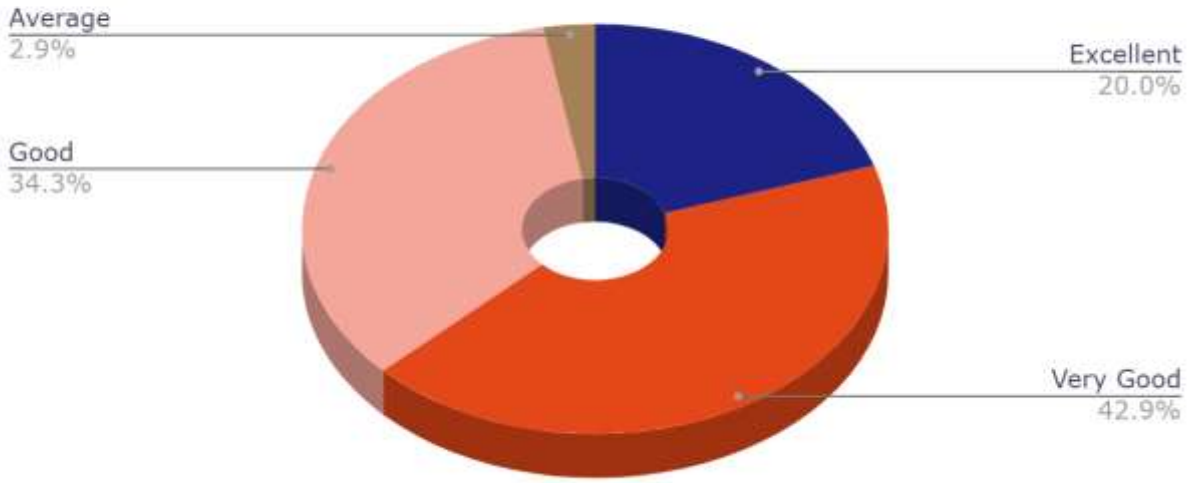

7. How do you rate the ambience of the college for effective delivery of the academic process?

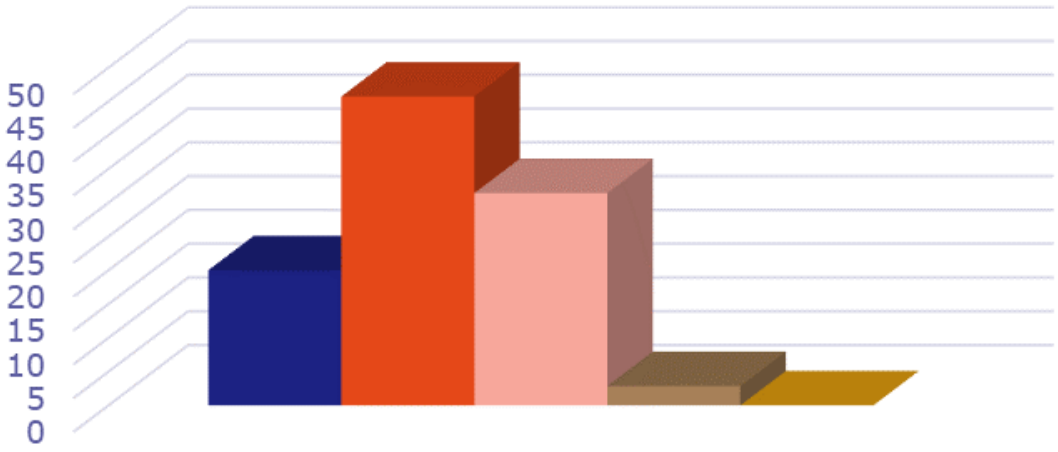

8. How do you rate the implementation of innovative teaching-learning methods (self- directive learning, problem based learning, narrative-reflective learning, integrated teaching, modular teaching etc)?

9. How do you rate the students' inclination towards participating / conducting, guest lectures, seminars, workshops, CMEs, conferences, quiz competitions etc. for better knowledge and skill acquisition?

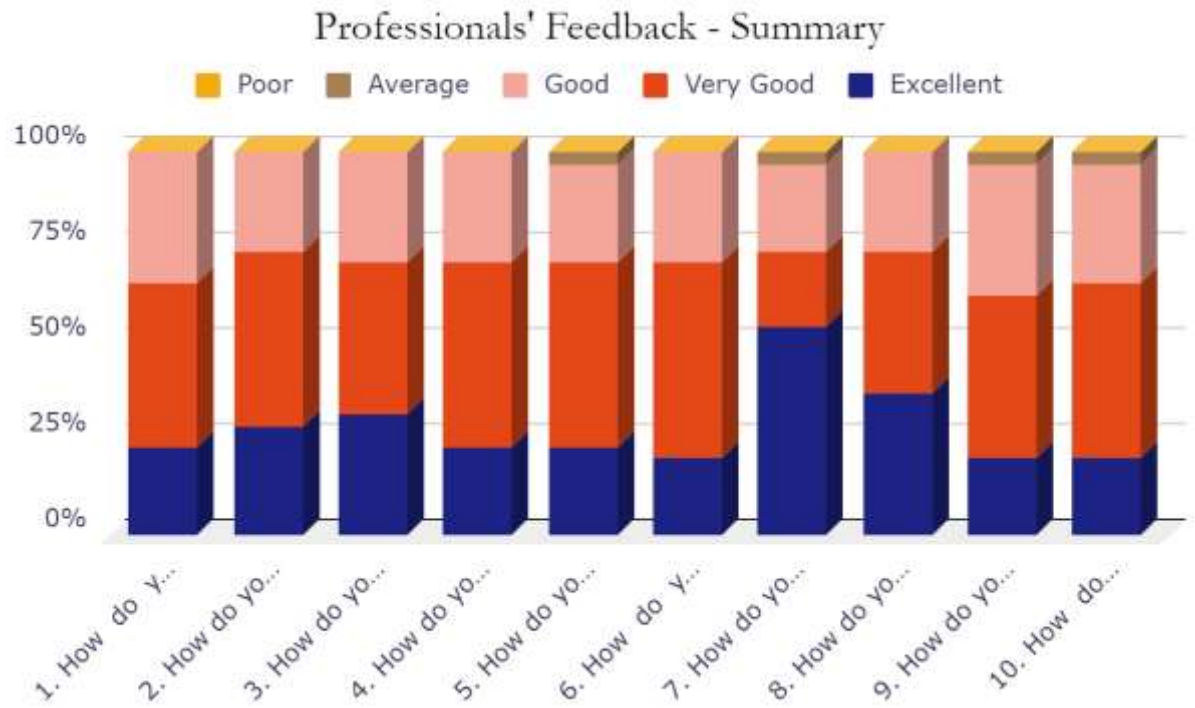

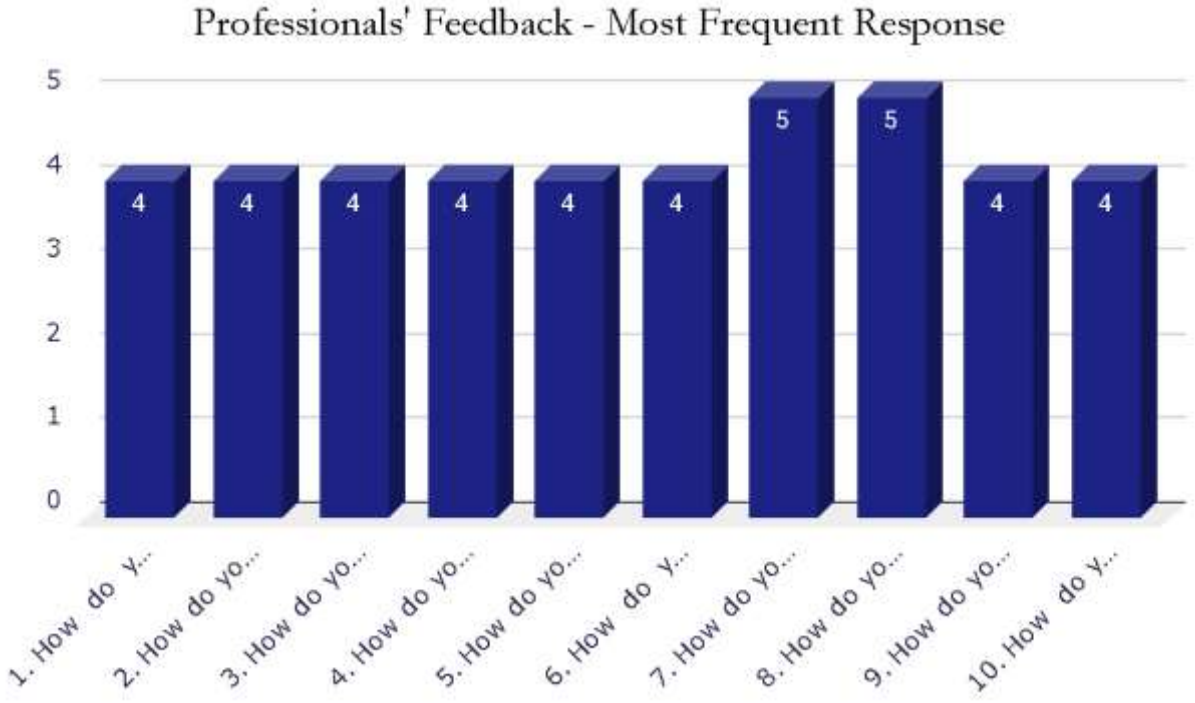

10. How do you rate the students' knowledge about soft skills, procedural skills, professionalism, bio-ethics and communication skills required for profession?

Excellent Very Good Good Average Poor

11. Any other suggestions

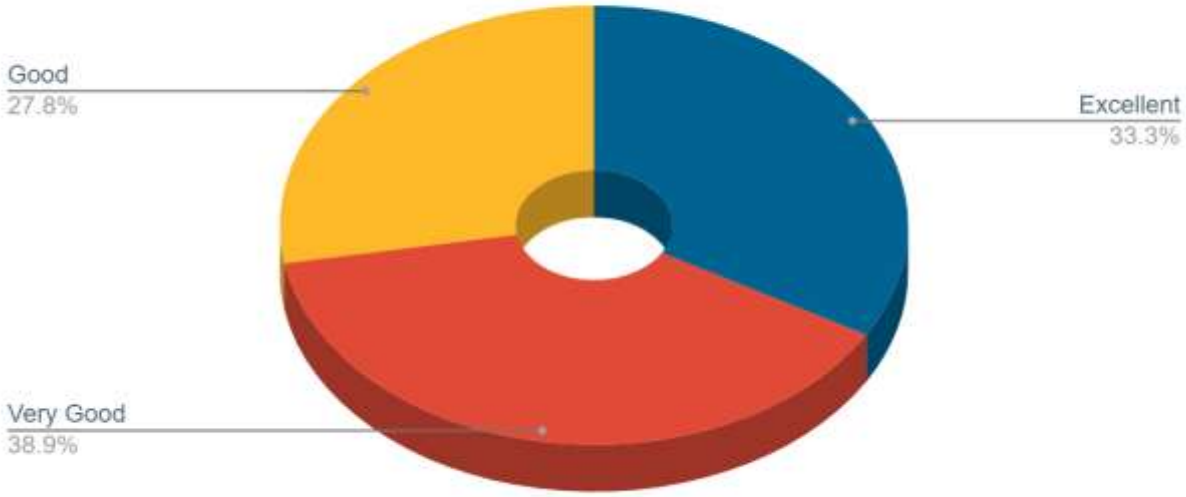

Sr No	REMARKS
1	It was a great being at your institute as an examiner. It was a great experience and the faculty was extremely talented and cooperative. UG students' performance was extremely good except few.
2	Your institution has taken all the measures for the upliftment of the students and the faculty and good outcomes.
3	Very good educational model
4	The learning environment at Karad is excellent
5	Continue with the same excellent standards.

Sr No	REMARKS
1	I noticed many things during my visit to the institute. This was the period that students were enjoying 'out of lockdown' effects. They were found enthusiastic in 'direct learning' from the teachers. I had attended the meeting on framing the syllabus for new courses. I wish to appreciate the sincerity and interest taken by the faculty members in making it worth for the students. My suggestions and opinions were taken positively. I had interaction with students during guest lectures. There I realized the need of institutes and teachers to provide counselling to the students towards developing academics as well as soft skills. I am happy that these things are being addressed well by the faculty members.
2	Overall, very good

KIMSDU/B-1(i)/3025/2022

Date : 29.10.2022

Extract of Minutes of the Meeting of Board of Management

Resolution of Board of Management Meeting of Krishna Institute of Medical Sciences "Deemed To Be University" held on 14th October 2022.

BOM/01/10/22-23 **To consider the Feedback Report from different stakeholders for the Academic Year 2021-2022 prepared by Internal Quality Assurance Cell (IQAC).**

Registrar submitted the feedback report from different stakeholders for the Academic Year 2021-2022 recommended by IQAC and Academic Council for appropriate action and implementation.

After perusal of the report it was resolved to accept the feedback report and implement the suggestions.

Krishna Institute of Medical Sciences "Deemed To Be University" Karad

REGISTRAR

KIMSDU, KARAD

FEEDBACK ANALYSIS – PROCESS

BACKGROUND

Krishna Institute of Medical Sciences "Deemed to Be" University (KIMSDU) offers need based curriculum to students providing a holistic learning experience reflecting the institution's vision and mission of academic excellence, spiritual vitality, and social relevance with an initiative to drive entrepreneurial capability and harnessing innovation from an educator's perspective.

The university has well defined procedure for design, development, and revision of curriculum as continuous process to achieve the necessary programme outcomes and course outcomes that are adhered with strict compliance to the regulatory bodies. KIMSDU also has state of art infrastructure with adequate physical facilities for curriculum implementation, teaching-learning, and skill acquisition, as stipulated by appropriate regulatory authorities.

For the above, KIMSDU has received many accolades and accreditations. Our success reflects our stakeholders' success. An extremely important tenet of achieving this excellence is utilizing feedback from various stakeholders for improving and updating the quality of education we provide. Hence, we have a mechanism in place for taking feedback from the following stakeholders, as stipulated by National Assessment and Accreditation Council (NAAC):

1. Students
2. Teachers
3. Alumni
4. Professionals
5. Employers

QUESTIONNAIRE

Questionnaires for taking feedback from the above stakeholders were developed as per KIMSDU's Standard Operating Procedure (SOP) for Feedback.

RESPONSE COLLECTION

For the Academic Year 2021-22, we opted for an in-house platform for collecting feedback based on the feedback received from nodal officers and stakeholders about the previous feedback system.

The following points were considered while adapting into the new feedback system:

1. **User friendly** – This was enhanced through:
   - Minimalist design ensuring good website loading speed and
   - Single common link for each stakeholder ensuring ease of sharing links through multiple modes of communication and collecting responses

2. **Data integrity** – This was enhanced by:
   - Auto-loading of background basic data based on entered PRN by students and by
   - Introducing 'One Time Password' (OTP) verification for both mobile numbers and email IDs, thereby preventing data corruption and duplication.

3. **Anonymity –** This was ensured by generating random codes in the database for each stakeholder response and restricting access to complete database as per 'Standard Operating Procedure' (SOP) guidelines

4. **Updated questions –** Questions were modified for better and wider coverage of curricular, co-curricular and extra-curricular activities. Terminology explanation with additional links for reference were added to ensure stakeholders have better comprehension and perspective of university activities. Necessary approvals were taken for the modification, as per SOP guidelines.

Links were kept open for responding from **16 August 2022 to 31 August 2022**. Response collection was **centralized** with only 2 officers having access to data, as per SOP guidelines.

Feedback regarding the present modifications and further improvement, if required, was also taken from all stakeholders as an **ANONYMOUS and OPTIONAL Feedback on Feedback** link. Responses from the same will be analyzed and utilized for future enhancement of the in-house feedback system.

ANALYSIS

Results were analyzed through descriptive analysis and represented graphically as '**percentage'** and numerical '**most frequent response**'. Responses for open-ended questions were depicted as '**Remarks'** and '**Suggestions'**. Results were anonymized and shared with respective faculty for further processing.

INTERPRETATION

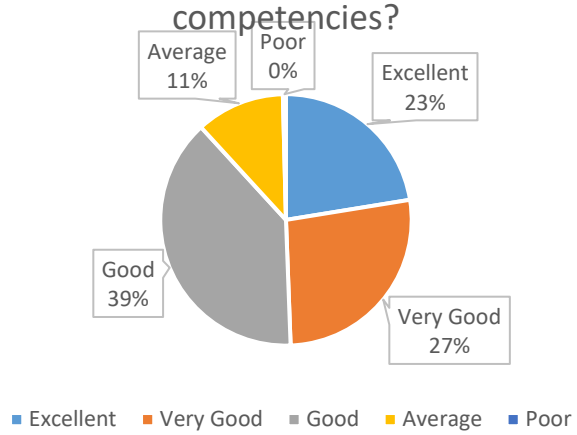

More than 75 percentage rating of 'Excellent' plus 'Very Good' plus 'Good' for each question was considered as a favourable response. Similarly, a **most frequent response score of 3 or more** for each question was considered as a favourable response. Favourable responses needed no further action.

Responses to the open-ended questions were analysed for positive comments which were then placed as 'Remarks' in the analysis, while comments for improvement were placed as 'Suggestions'. Suggestions related to curricular aspects were forwarded to respective faculty for further action to be taken.

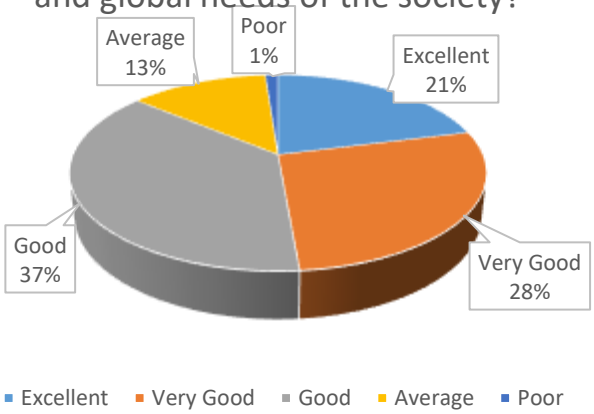

Krishna Institute of Medical Sciences

STUDENTS' FEEDBACK

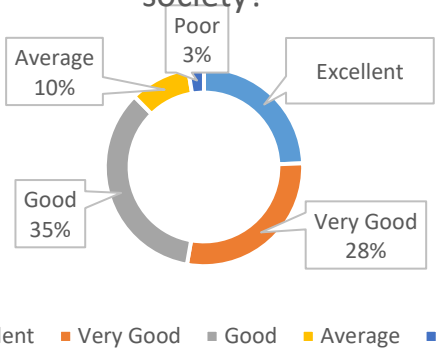

1. How do you rate the course curriculum in relation to the achievement of desired competencies?

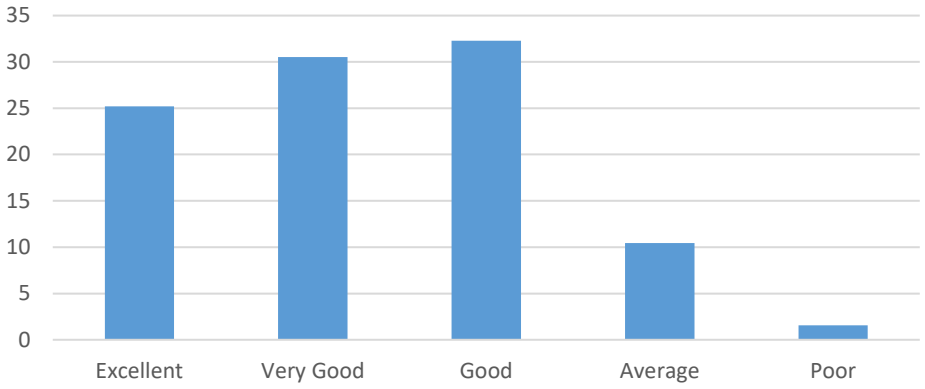

2. How do you rate the institutional policy of curricular revision/ change according to the local and global needs of the society?

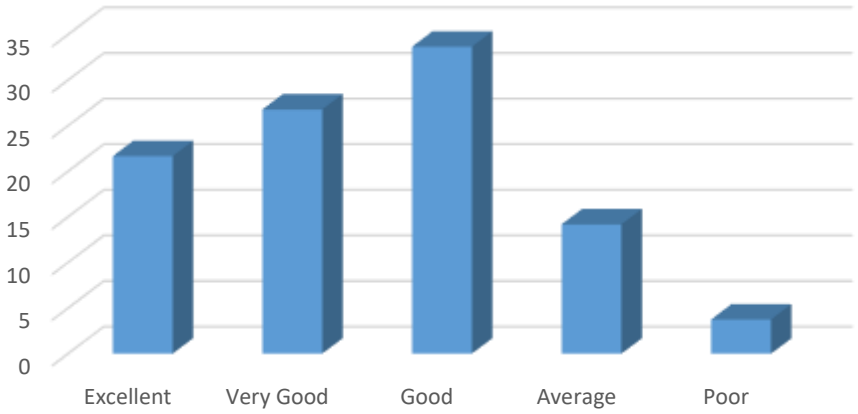

3. How do you rate the institute's practice of starting new academic programmes (courses) according to the local and global needs of the society?

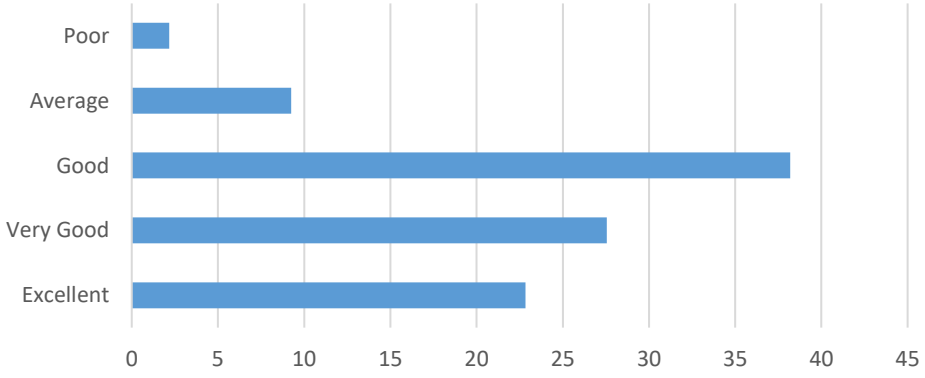

4. How do you rate the institute in terms of provisions for acquiring AETCOM (Attitude; Ethics; and Communication) skills?

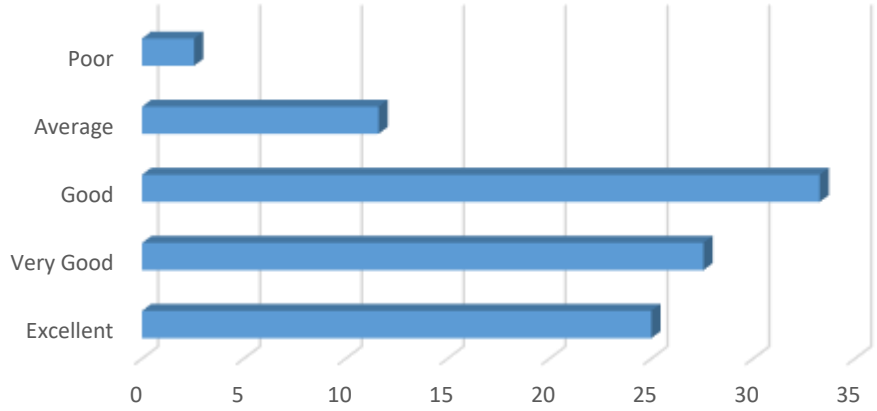

5. How do you rate the curriculum design for inclusion of field / industrial visits?

6. How do you rate the social equity and inclusiveness in the profile of students enrolled in the University?

7. How do you rate the overall implementation of innovative teaching learning methods?

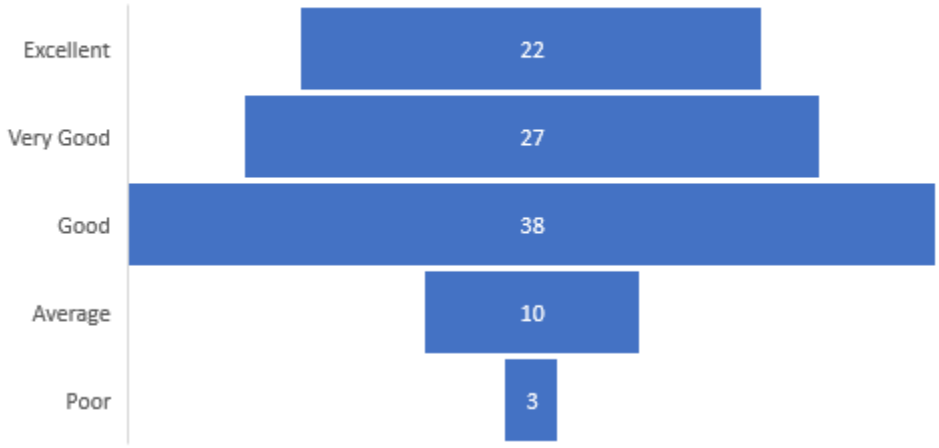

8. How do you rate the information communication technology (ICT) mediated e-learning facilities provided by the institute?

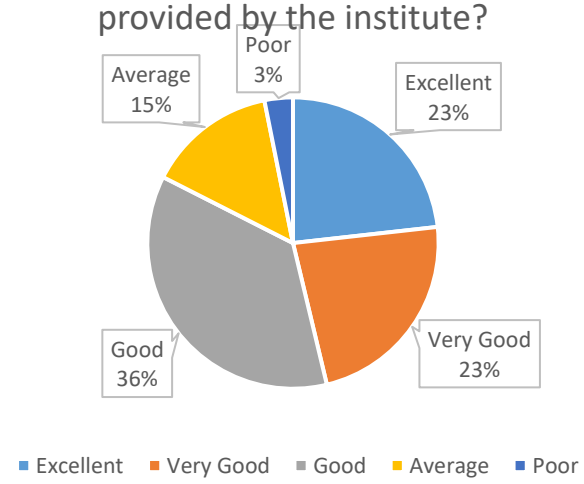

9. How do you rate the mentorship program in your Institute?

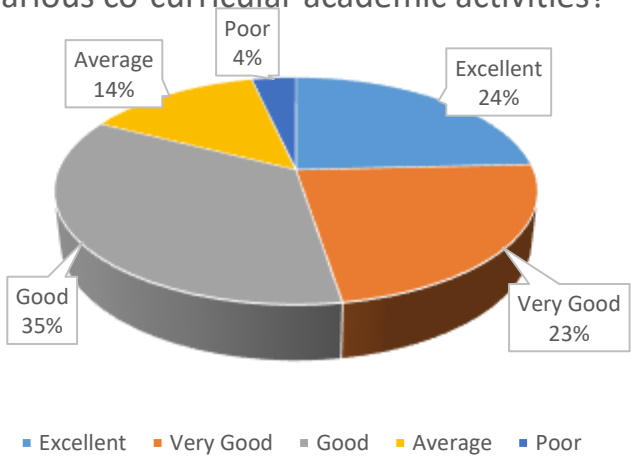

10. How do you rate the overall assessment (evaluation) methods used in the institute?

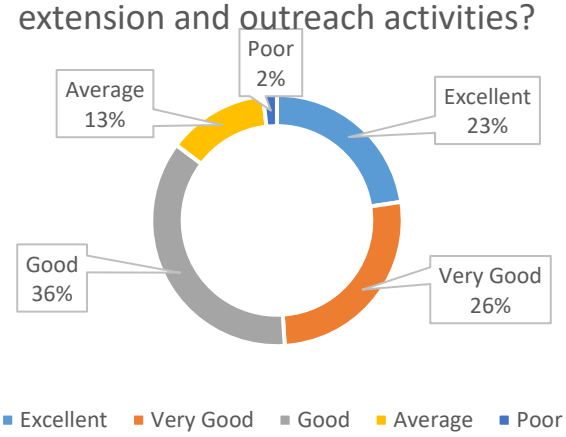

11. How is the overall research guidance provided by the institute?

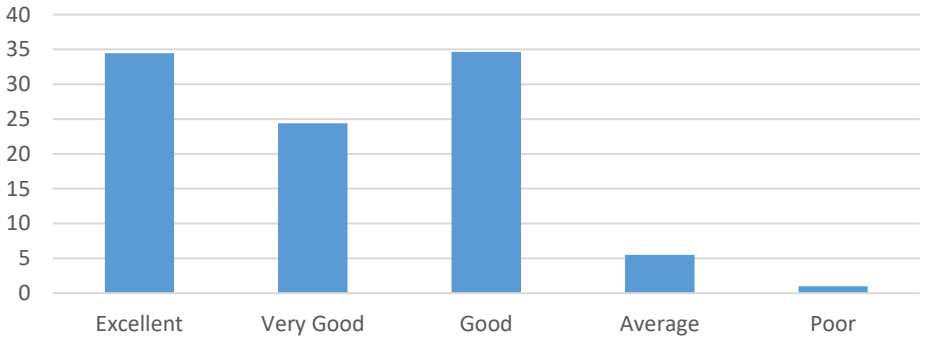

12. How do you rate the institute for organizing various co-curricular academic activities?

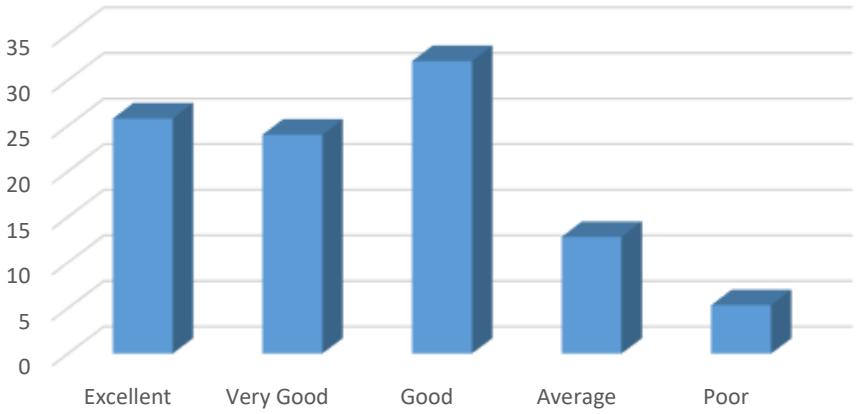

13. How do you rate the institute's initiative in organizing community-based learning through extension and outreach activities?

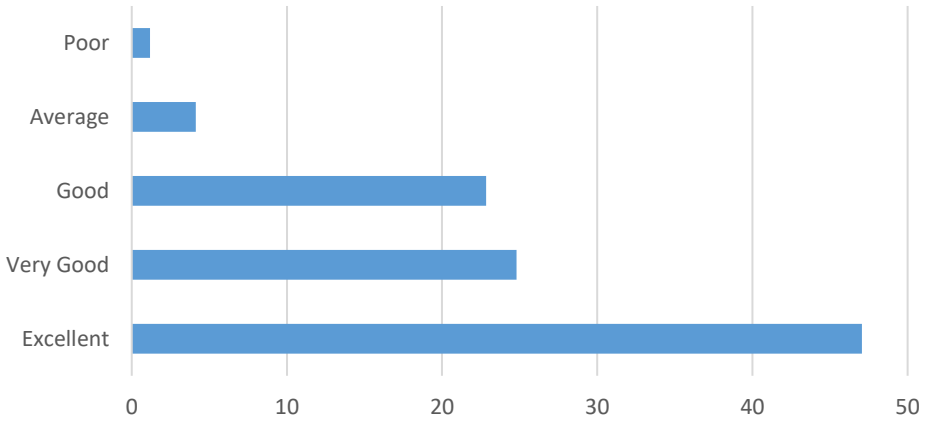

14. How do you rate the institute for the availability and adequacy of physical infrastructure for better learning outcomes in your designated course?

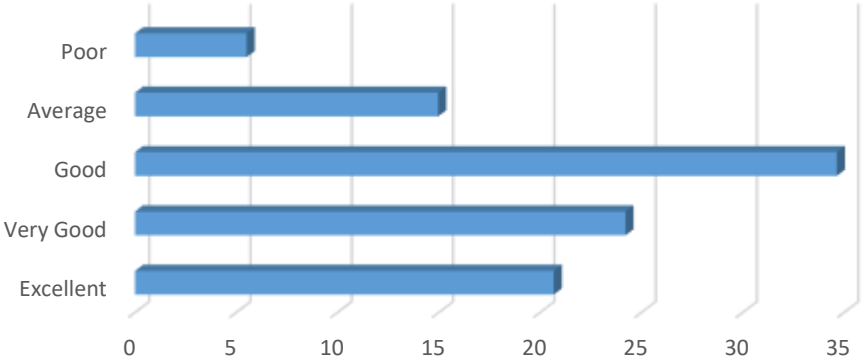

15. How do you rate the institute for encouraging student related extra-curricular activities?

16. How do you rate the library facilities provided by the institute?

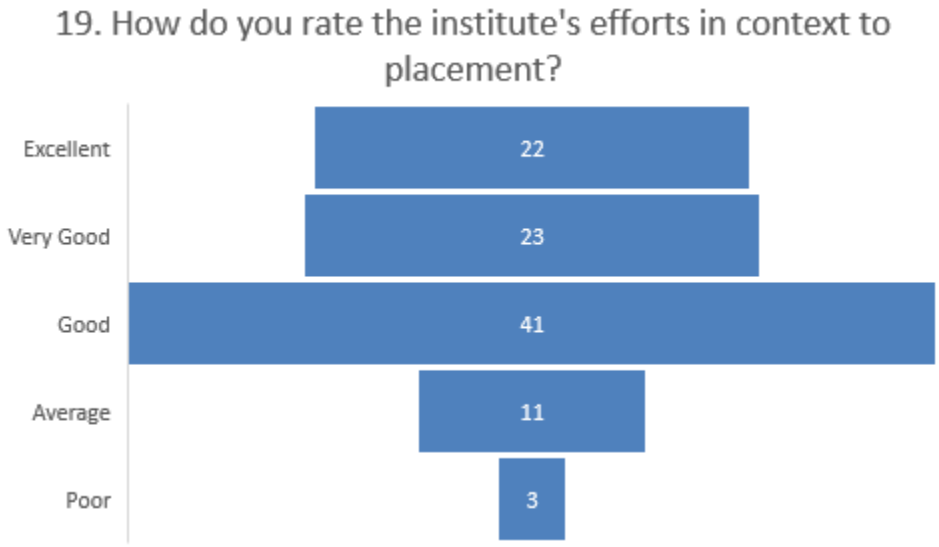

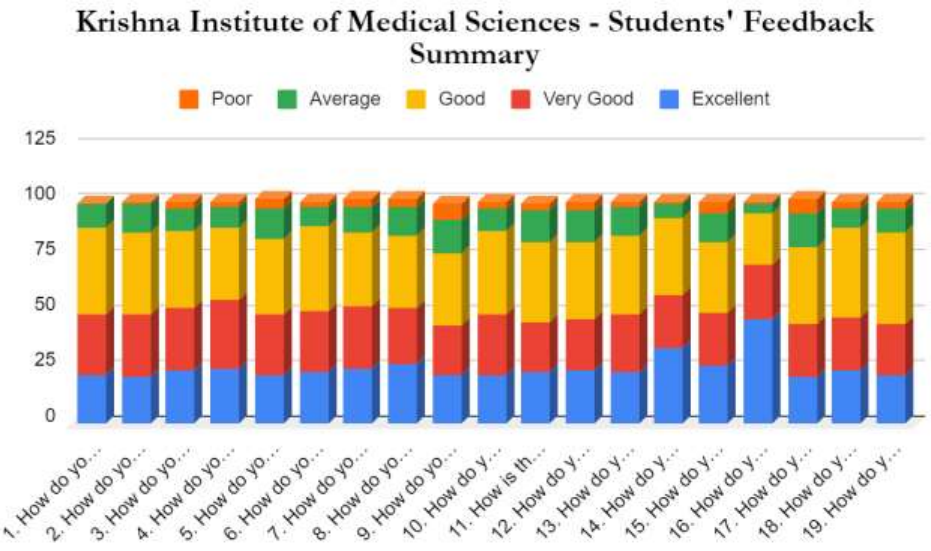

17. How do you rate the institute's efforts in context to guidance for competitive exams and career advancement?

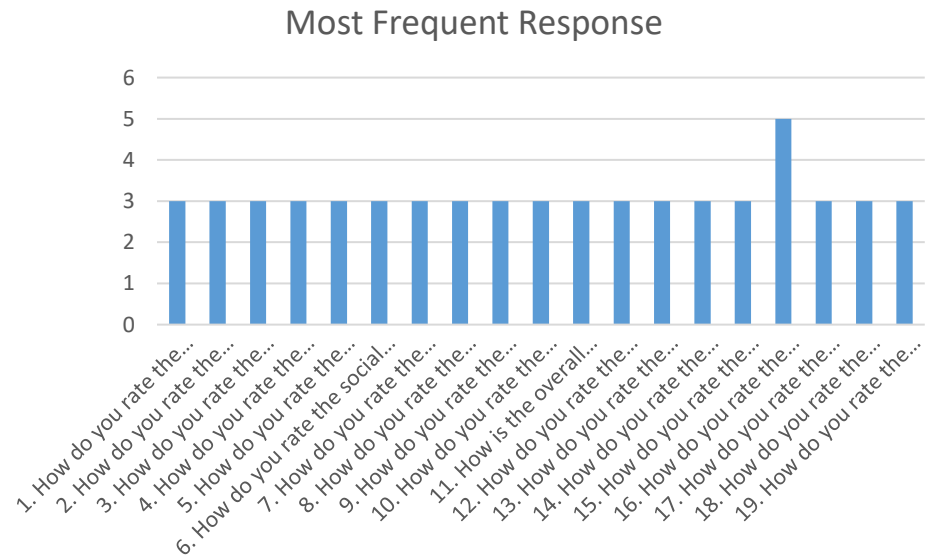

18. How do you rate the grievance redressal mechanism of the institute?

19. How do you rate the institute's efforts in context to placement?

Remarks
Excellent faculty with various opportunities for research and learning. Very happy to be a MBBS student of this institute. Brilliant teaching and learning.
Not much suggestions or improvements. All faculties give their best efforts in teachings as well as the infrastructure of the classroom; practical lab is great. Overall teaching as well encouragement for participation in various activities is great.

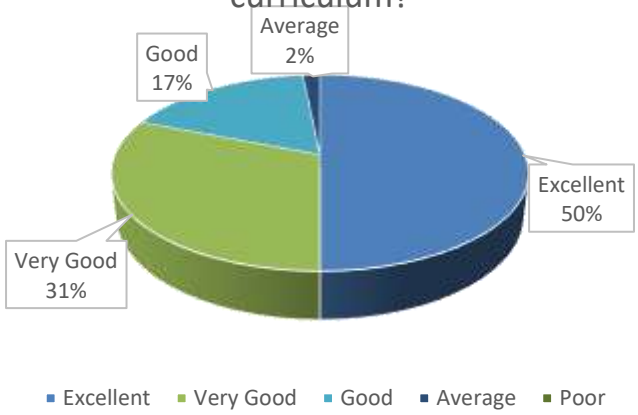

Suggestions
Revision in form of small lectures (not tests) of syllabus completed in class
NEET-PG guidance should be provided by the institute. Career approaches after MBBS 'not only' pertaining to medical field can be given.
More extension visits should be conducted. All the other activities conducted are very good
Encourage more extracurricular participation among students

TEACHERS' FEEDBACK

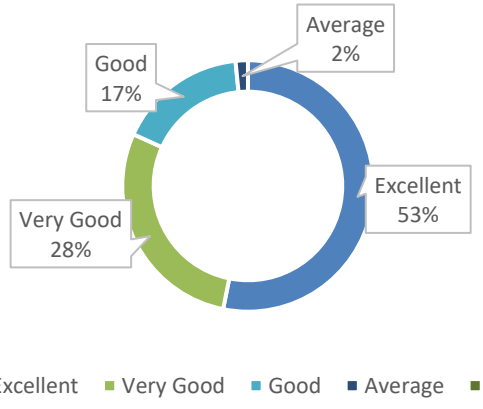

1. How do you rate the overall curriculum for UG/PG courses offered by the institute?

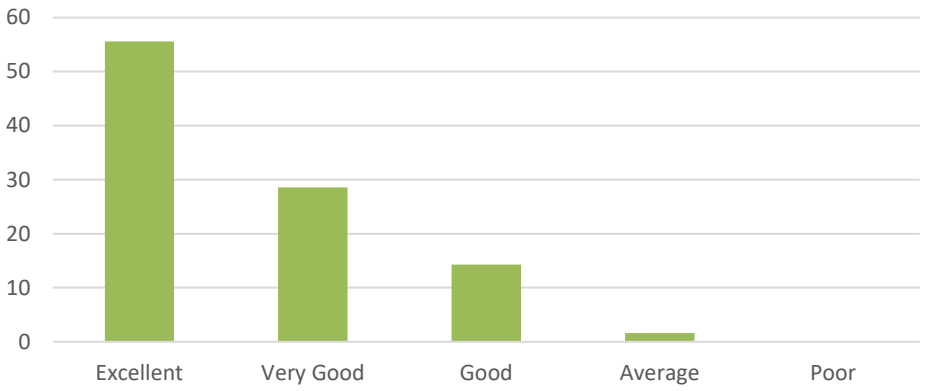

2. How do you rate the institute's policy in integrating cross-cutting issues into the UG/PG curriculum?

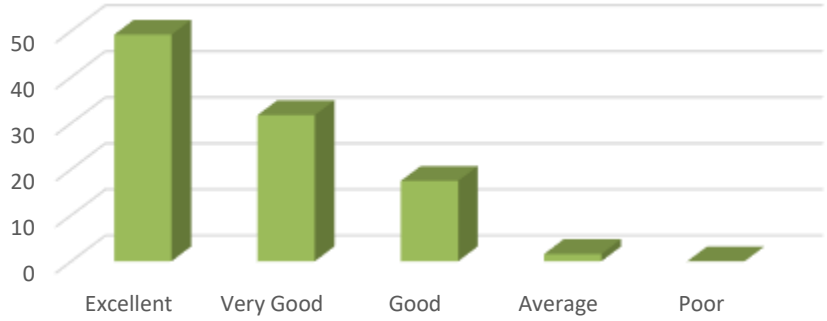

3. How do you rate the curriculum design for UG/PG with respect to inclusion of community extension and outreach activities?

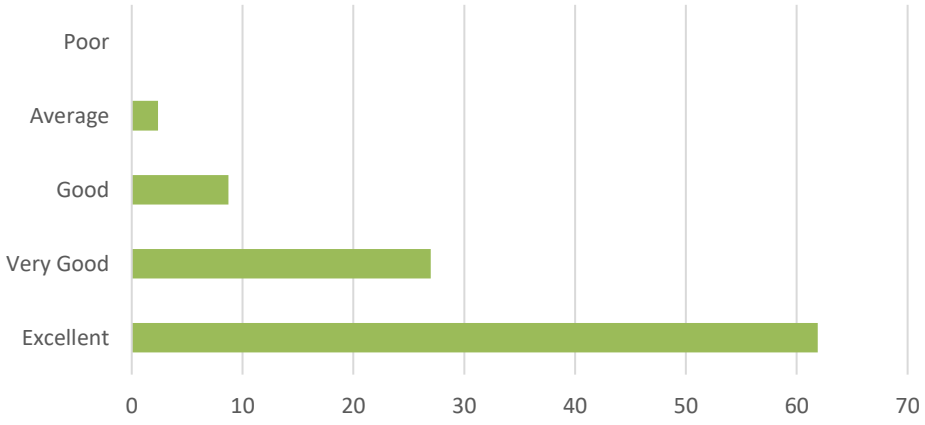

4. How do you rate the institute's policy of curricular revision/ change according to the local and global needs of the society?

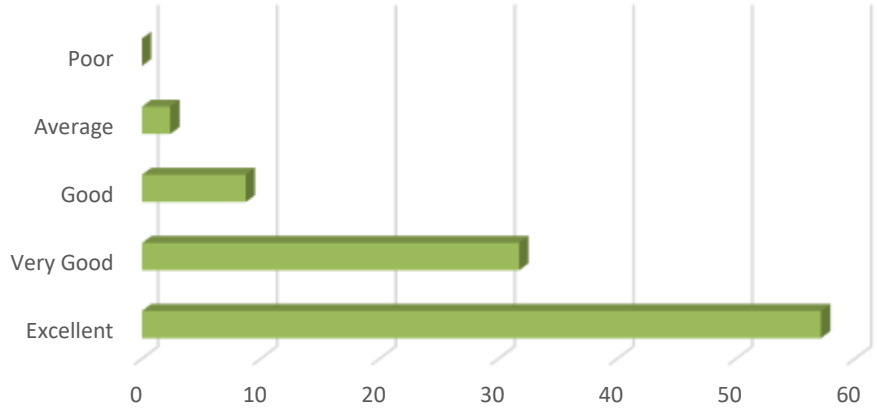

5. How do you rate the academic flexibility embedded in the curriculum which provides opportunity to students to pursue their interest by choosing from several electives?

6. How do you rate the involvement of institute in various national health programs?

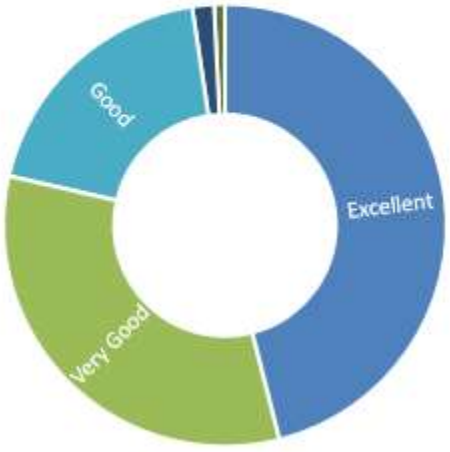

7. How do you rate the institute for organizing various co-curricular academic activities?

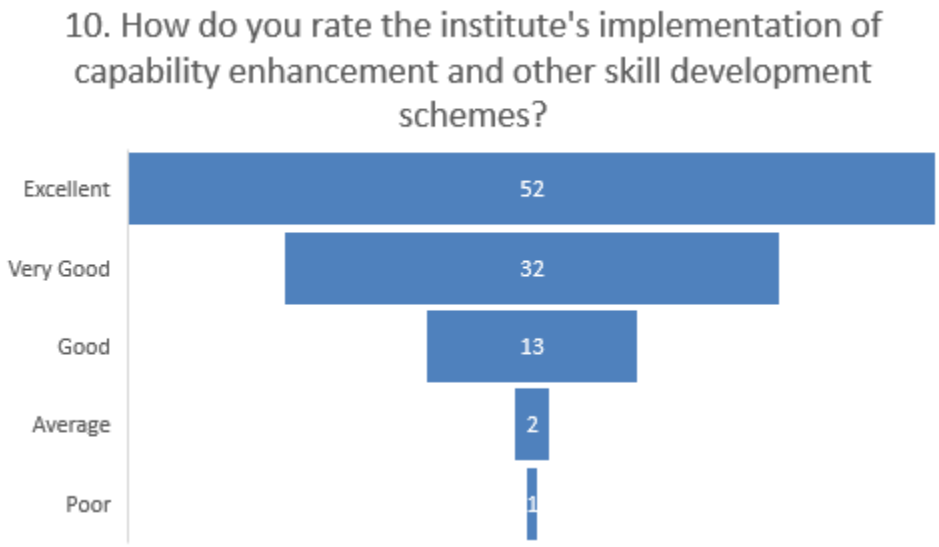

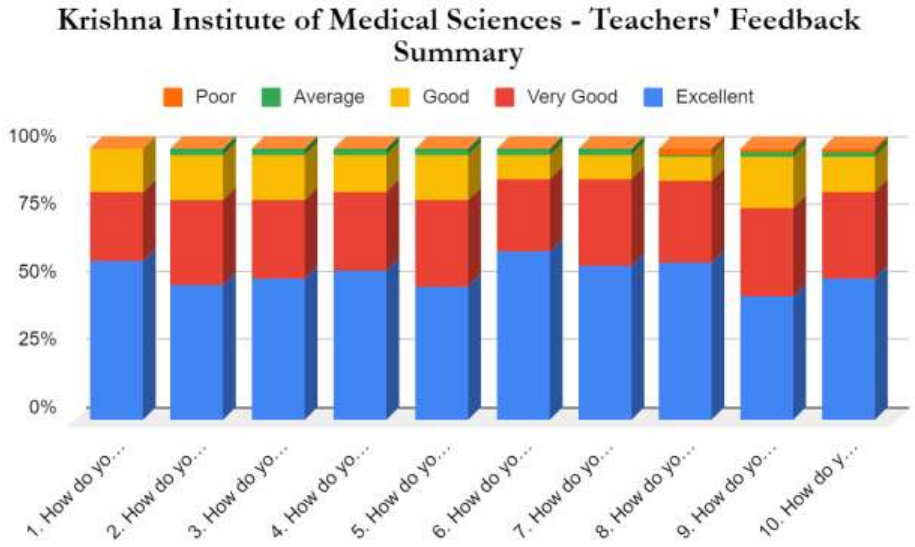

8. How do you rate the institute for encouraging student related extra-curricular activities?

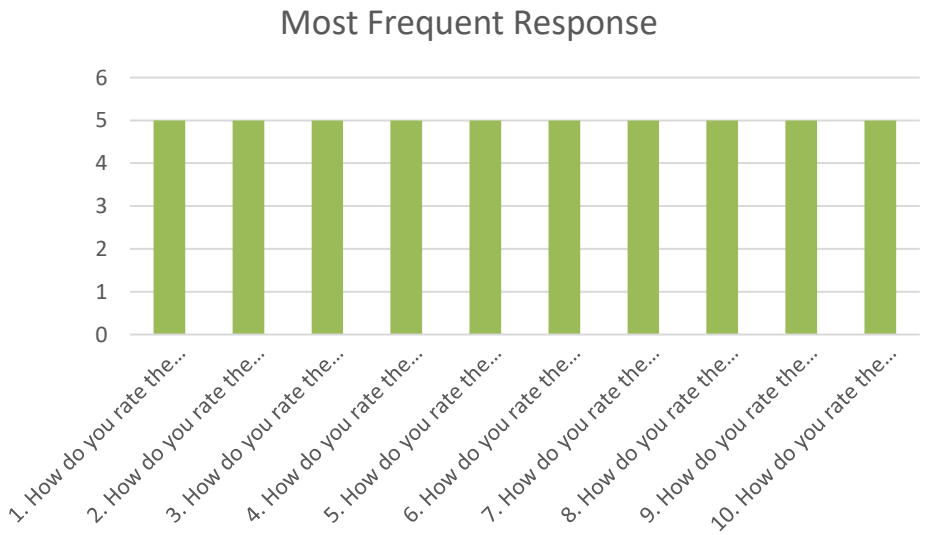

9. How do you rate the institute's research cell initiated activities?

Remarks
Very impressed with the efforts taken to ensure that the curriculum is regularly updated in accordance with global and national needs. The undergraduate and post-graduate students are provided with ample opportunity and exposure to a healthy and holistic balance of curricular and extra/co-curricular activities.
KIMSDU Karad is touching National highway 4 connecting Bangalore to Pune; it is beautiful campus and well-equipped infrastructure like laboratories; Hospital with adequate clinical material; library; dedicated updated faculties. Overall, it provides a very good learning atmosphere to become efficient healthcare professionals

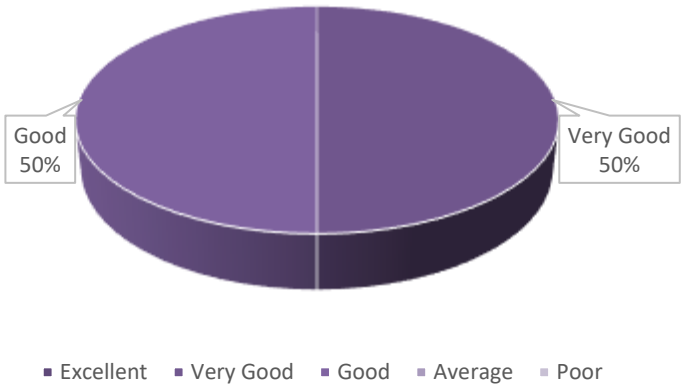

Suggestions
Academic Credit Bank system & start-up centres in Health sciences can add to Students' exposure to Quality Innovative Education.

Remarks
The college is equipped with excellent staff and good equipment. No other suggestions.
Everything available in this university is adequate for the betterment and growth of the students
This institute provides very good facilities including academic and extracurricular activities
A school offered variety of activities; we feel safe; secure and enjoy a well-balanced approach to education.
Institute itself is fulfilling all the requirements of many aspirations; no suggestions needed.

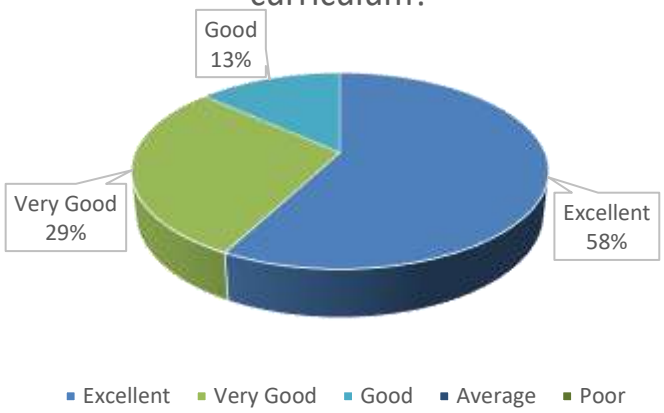

Suggestions
More programs on problem-based learning with visual effects and guidance for the same.
More inter college activities can be initiated by the institute
1. Dental library hours to be extended 2. Dewaxing and Acrylizing unit needed in Evening lab PROSTHO department
I think inclusion of more co- curricular activities on a regular basis is needed like a singing/music community; sports community; drama community etc because it not just has a positive psychological impact on a student but is also a plus point in the college prospectus

Remarks
Overall, as an independent institution; it has done a well job for the last 16 odd years in providing a good education platform with appropriate facilities available.
College has given us an opportunity to show our capabilities and success. It is our goodness that we are able to study in this college with courage All the staff members are good at teaching also being a family for you Thank you KCPT for giving us an opportunity for our successful life.
It is my pleasure to be a part of this college thank you for giving us opportunity for our successful life and giving us opportunity for showing us our capabilities Thank you!!
No suggestion. The Institute provides every facility; knowledge and guidance in every aspect where needed
This institute offers experienced staff and a huge campus which provides a unique perspective.

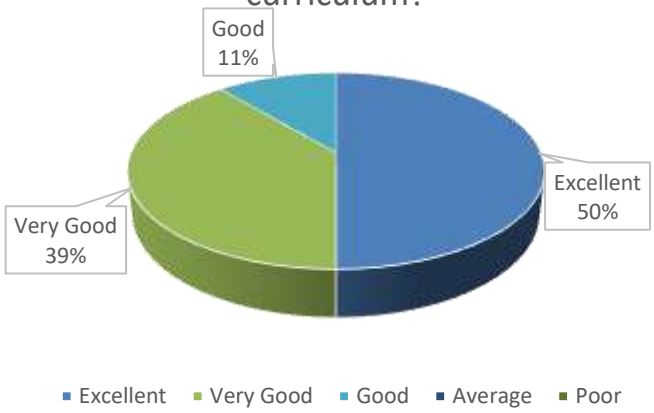

Suggestions
Medical camps to learn communication skill with patients and to learn medical skills. A college picnic for refreshment.
Guidance about placement and further options for post-graduation and fellowship should be given to the students.
The central library should also provide books for physiotherapy students

TEACHERS' FEEDBACK

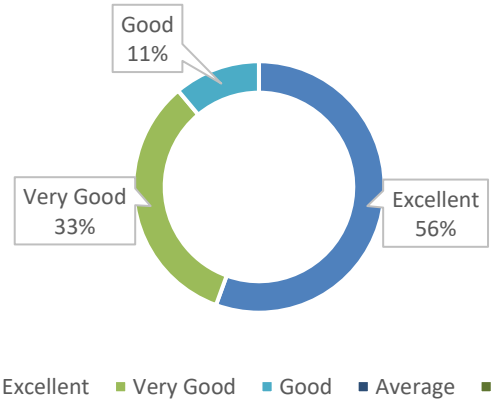

1. How do you rate the overall curriculum for UG/PG courses offered by the institute?

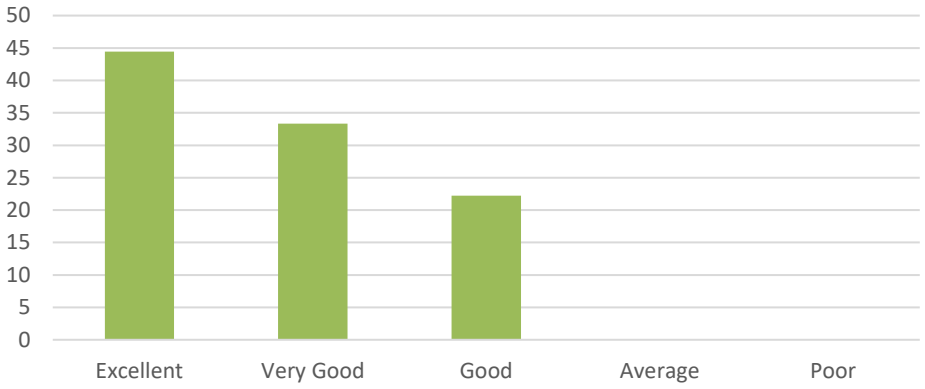

2. How do you rate the institute's policy in integrating cross-cutting issues into the UG/PG curriculum?

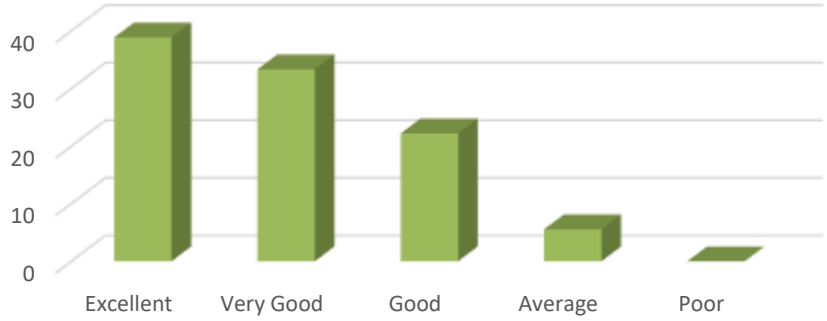

3. How do you rate the curriculum design for UG/PG with respect to inclusion of community extension and outreach activities?

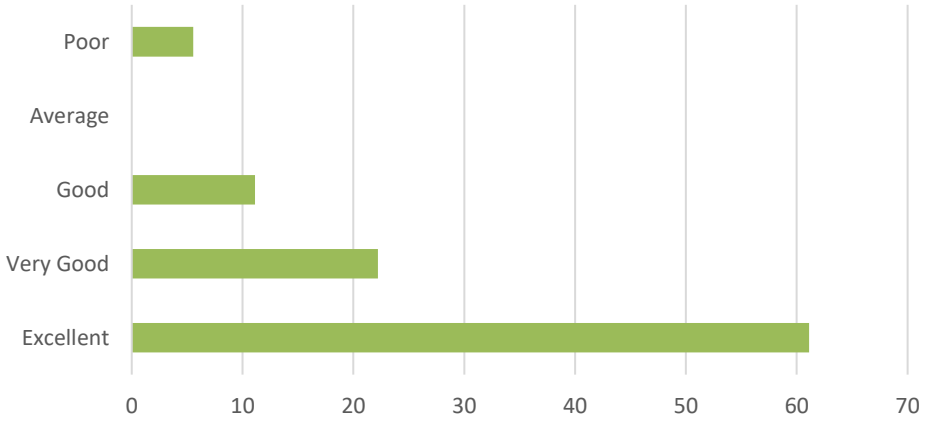

4. How do you rate the institute's policy of curricular revision/ change according to the local and global needs of the society?

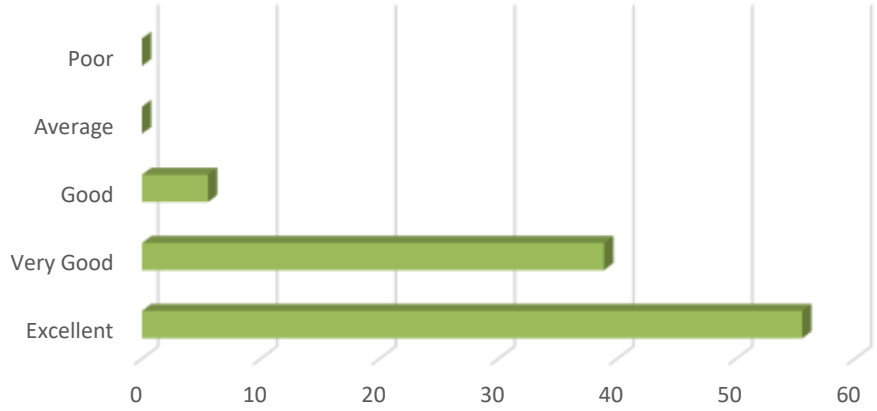

5. How do you rate the academic flexibility embedded in the curriculum which provides opportunity to students to pursue their interest by choosing from several electives?

6. How do you rate the involvement of institute in various national health programs?

7. How do you rate the institute for organizing various co-curricular academic activities?

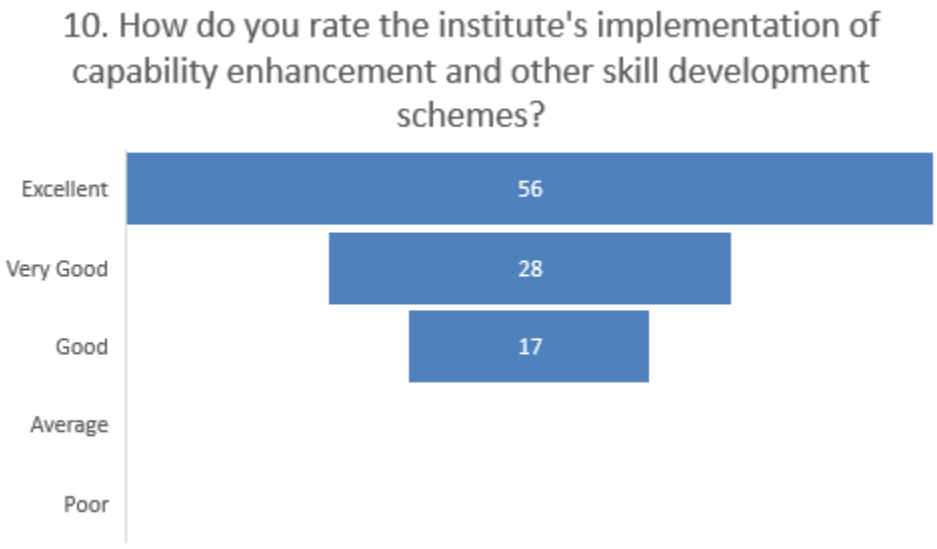

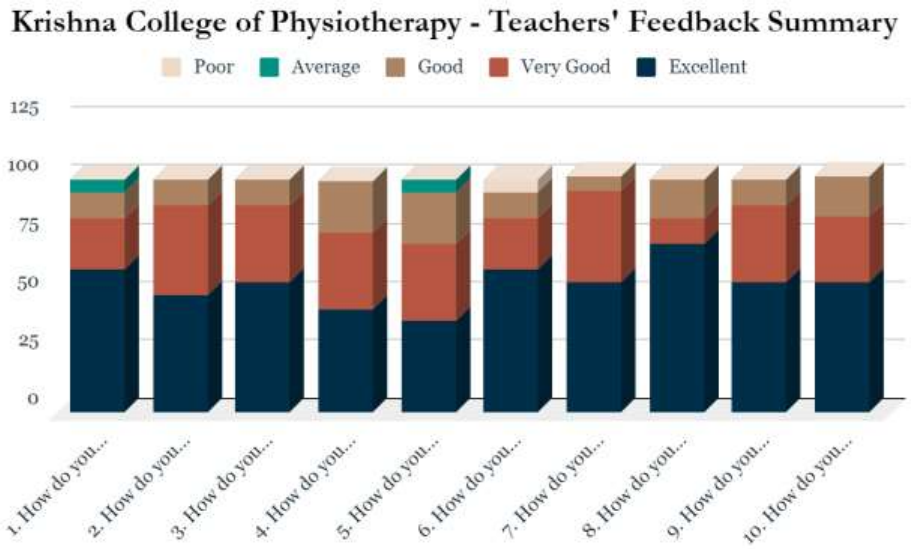

8. How do you rate the institute for encouraging student related extra-curricular activities?

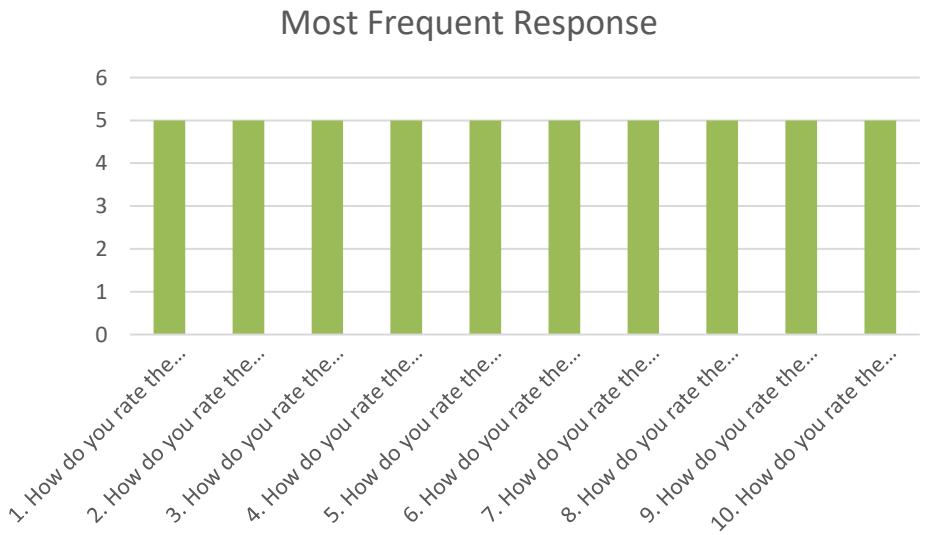

9. How do you rate the institute's research cell initiated activities?

10. How do you rate the institute's implementation of capability enhancement and other skill development schemes?

Remarks
All facilities provided are excellent with friendly environment
Maximum suggestions are considered for curricular revision and analysed with future trends. Motivation & Training facilities are provided by all possible sources to promote co-curricular & extra-curricular activities.

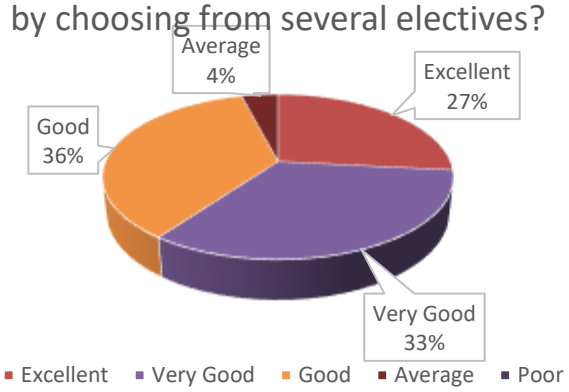

Suggestions
Integration Research and Intellectual Property generation in UG curriculum
Curriculum is very conventional; CBCS or CBME should be implemented in Physiotherapy

Remarks
The faculty mentorship for curricular; co-curricular and extracurricular is excellent. The student's involvement in the practice school and instigation of faculty towards the research is appreciable. Involvement of younger faculty in Collaborative research work is also to be appreciated.
The Institute is doing very well for the overall intellectual and personality development of stakeholders.

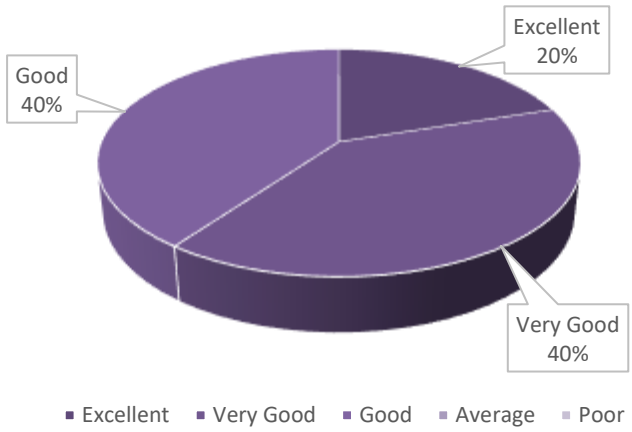

Suggestions
Industrial exposure is required for UG students. Industry institute interactions. Procurement of advance instruments for UG and PG courses
Teachers should develop interest in the students regarding the research and higher education and give some practical assignment like collecting and discussing the prescription and pathology reports available in the students' home
Design of problem-based learning and OSPE modules could be developed in few subjects for higher classes.

Remarks
Overall activity conducted by Institute and faculty are good and are improving gently

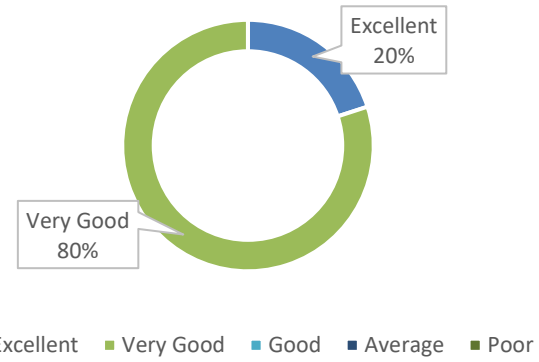

Suggestions
Cultural and sports activities should be encouraged. Students should be encouraged in research
Use some advanced technology; instrument in practical
Work on library books
Require more staff; good administration as well as good equipment also needed.

TEACHERS' FEEDBACK

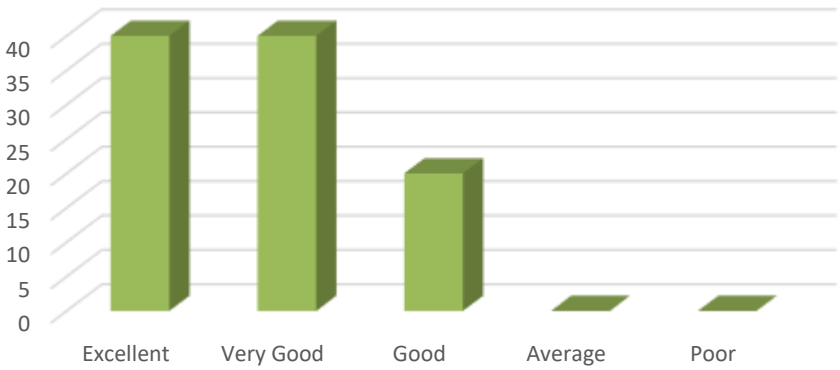

1. How do you rate the overall curriculum for UG/PG courses offered by the institute?

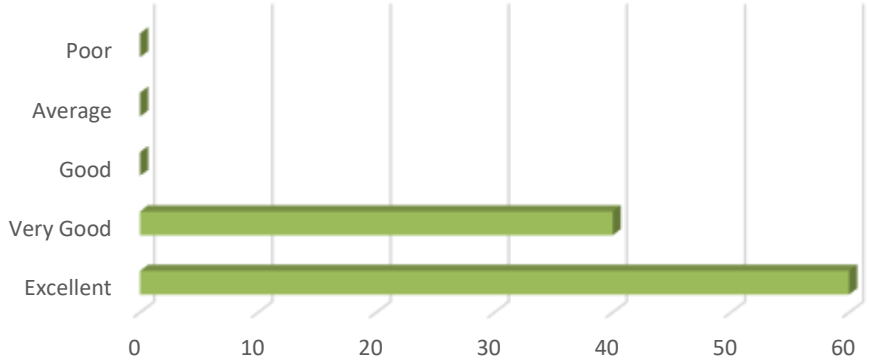

2. How do you rate the institute's policy in integrating cross-cutting issues into the UG/PG curriculum?

3. How do you rate the curriculum design for UG/PG with respect to inclusion of community extension and outreach activities?

4. How do you rate the institute's policy of curricular revision/ change according to the local and global needs of the society?

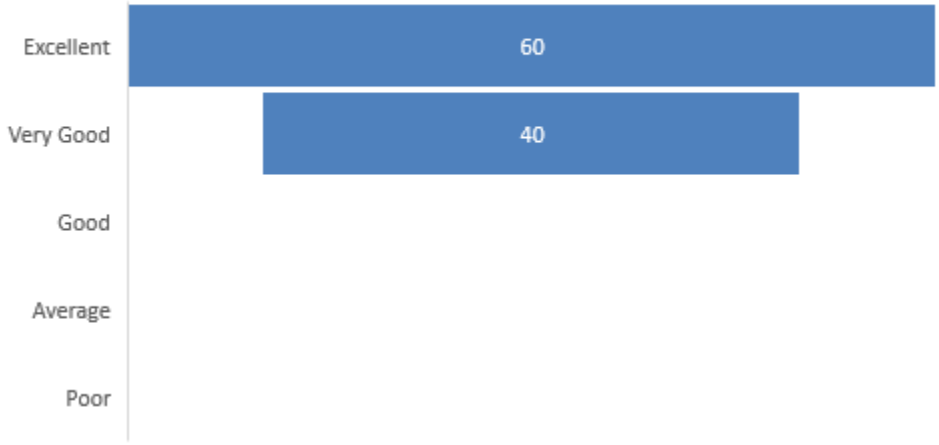

5. How do you rate the academic flexibility embedded in the curriculum which provides opportunity to students to pursue their interest by choosing from several electives?

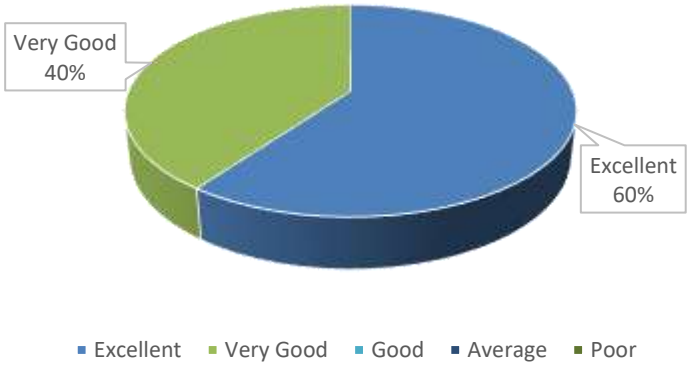

6. How do you rate the involvement of institute in various national health programs?

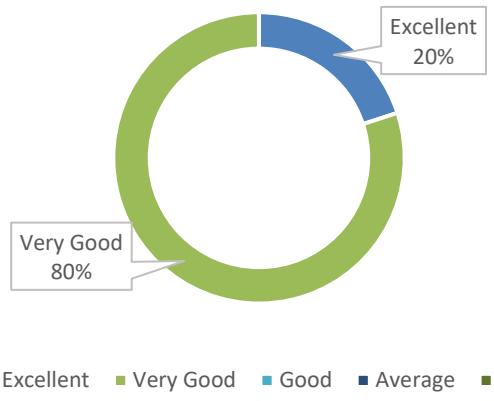

7. How do you rate the institute for organizing various co-curricular academic activities?

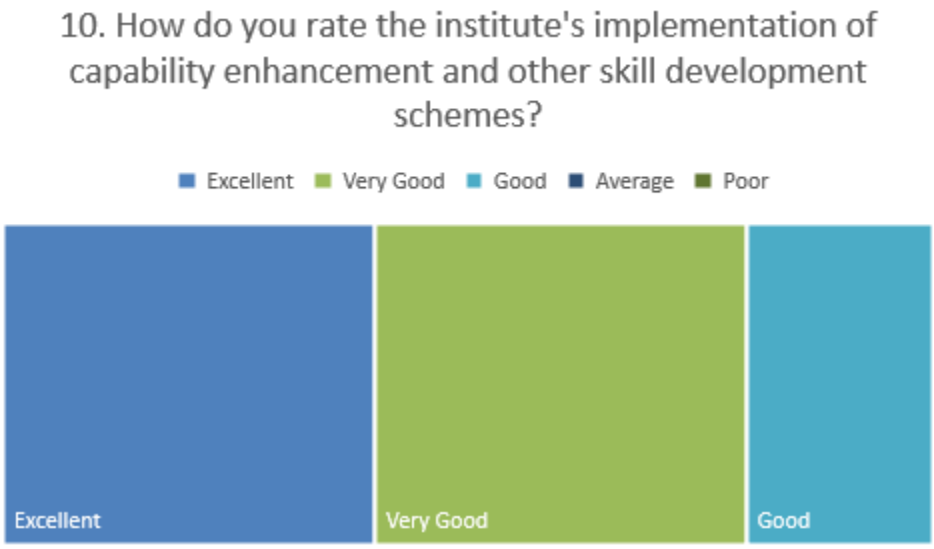

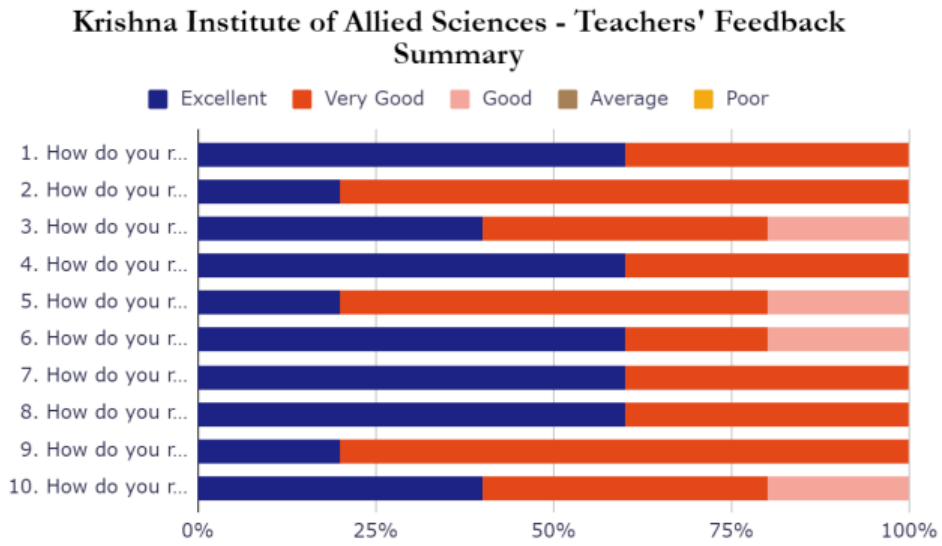

8. How do you rate the institute for encouraging student related extra-curricular activities?

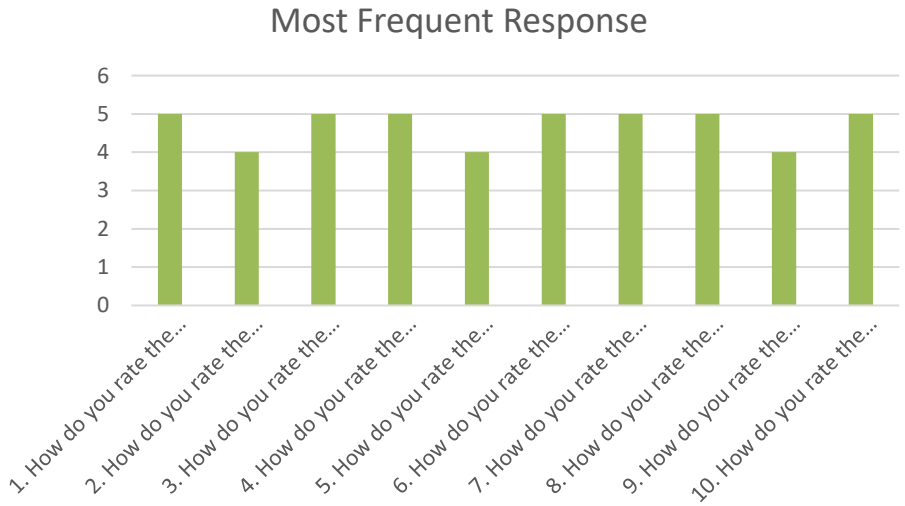

9. How do you rate the institute's research cell initiated activities?

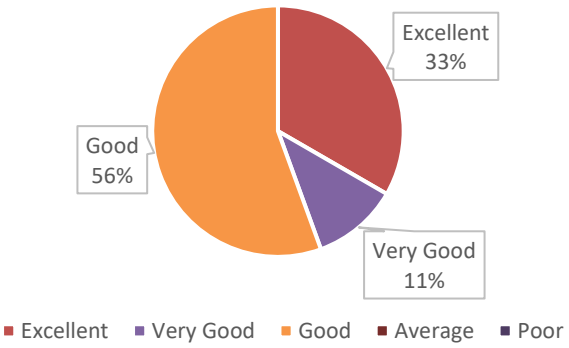

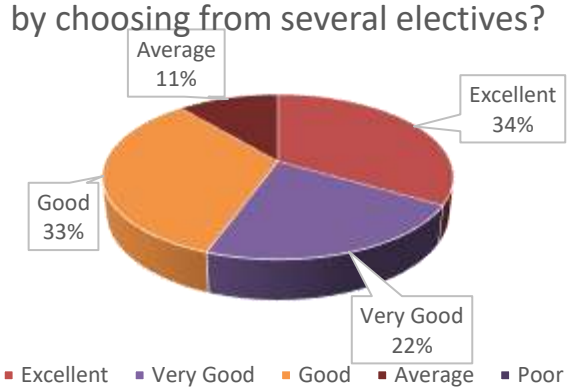

Suggestions
Industry-Academic connect can be improved to provide real time knowledge to the students.

KVV/B-1(i)/2902/2023 Date : 17.10.2023

Extract of Minutes of the Meeting of Board of Management

Resolution of Board of Management Meeting of Krishna Vishwa Vidyapeeth (Deemed to be University), Karad held on 11th October 2023.

BOM/01/04/23-24 **To consider the Feedback Report from different stakeholders for the Academic Year 2022-2023 prepared by Internal Quality Assurance Cell (IQAC).**

Registrar submitted the feedback report from different stakeholders for the Academic Year 2022-2023 recommended by IQAC and Academic Council for appropriate action and implementation.

After perusal of the report it was resolved to accept the feedback report and implement the suggestions.

KRISHNA VISHWA VIDYAPEETH (Deemed to be University) KVV Knowledge • Innovation • Excellence

REGISTRAR
Krishna Vishwa Vidyapeeth,
(Deemed to be University), Karad
(Formerly known as KIMSDU)

FEEDBACK ANALYSIS – PROCESS

BACKGROUND

Krishna Vishwa Vidyapeeth "Deemed to be University", Karad (KVV), erstwhile Krishna Institute of Medical Sciences "Deemed to Be" University, Karad (KIMSDU) offers need based curriculum to students providing a holistic learning experience reflecting the institution's vision and mission of academic excellence, spiritual vitality, and social relevance with an initiative to drive entrepreneurial capability and harnessing innovation from an educator's perspective.

The university has well defined procedure for design, development, and revision of curriculum as continuous process to achieve the necessary programme outcomes and course outcomes that are adhered with strict compliance to the regulatory bodies. KVV also has state of art infrastructure with adequate physical facilities for curriculum implementation, teaching-learning, and skill acquisition, as stipulated by appropriate regulatory authorities.

For the above, KVV has received many accolades and accreditations. Our success reflects our stakeholders' success. An extremely important tenet of achieving this excellence is utilizing feedback from various stakeholders for improving and updating the quality of education we provide. Hence, we have a mechanism in place for taking feedback from the following stakeholders, as stipulated by National Assessment and Accreditation Council (NAAC):

6. Students
7. Teachers
8. Alumni
9. Professionals
10. Employers

QUESTIONNAIRE

Questionnaires for taking feedback from the above stakeholders were developed as per KVV's Standard Operating Procedure (SOP) for Feedback.

RESPONSE COLLECTION

For the Academic Year 2022-23, we continued with our in-house platform for collecting feedback based on the encouraging feedback received from nodal officers and stakeholders about the new feedback system initiated in the year 2021-22. We have been awarded copyright for the same from Copyright Office, Government of India (Reg No L-126130/2023 dated 15/06/2023).

This feedback system ensures the following:

5. **User friendly**
   - Minimalist design ensuring good website loading speed and
   - Single common link for each stakeholder ensuring ease of sharing links through multiple modes of communication and collecting responses

6. **Data integrity**
   - Auto-loading of background basic data based on entered PRN by students
   - 'One Time Password' (OTP) verification for both mobile numbers and email IDs, thereby preventing data corruption and duplication.

7. **Anonymity –** Random codes are generated in the database for each stakeholder response and access to complete database is restricted as per 'Standard Operating Procedure' (SOP) guidelines

8. **Ease of understanding –** Questions ensure wide coverage of curricular, co-curricular and extra-curricular activities. Terminology explanation with additional links for reference ensures that stakeholders have better comprehension and perspective of university activities.

Links were kept open for responding from **01 August 2023 to 31 August 2023**. Response collection was **centralized** with only 2 officers having access to data, as per SOP guidelines.

Feedback regarding the in-house platform and further improvement, if required, was also taken from all stakeholders as an **ANONYMOUS and OPTIONAL Feedback on Feedback** link. Responses from the same will be analyzed and utilized for future enhancement of the in-house feedback system.

ANALYSIS

Results were analyzed through descriptive analysis and represented graphically as '**percentage'** and numerical '**most frequent response**'. Responses for open-ended questions were depicted as '**Remarks'** and '**Suggestions'**. Results were anonymized and shared with respective faculty for further processing.

INTERPRETATION

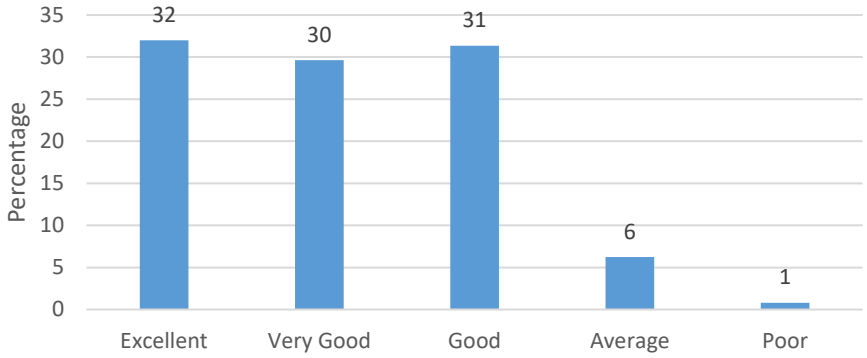

More than 75 percentage rating of 'Excellent' plus 'Very Good' plus 'Good' for each question was considered as a favourable response. Similarly, a **most frequent response score of 3 or more** for each question was considered as a favourable response. Favourable responses needed no further action.

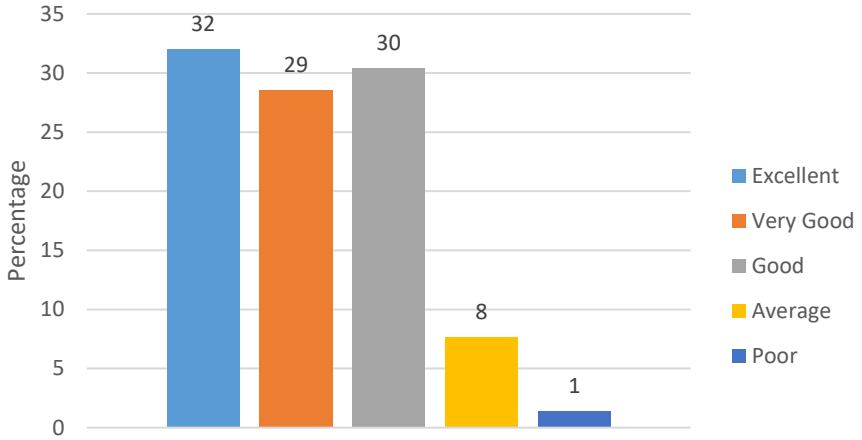

Responses to the open-ended questions were analysed for positive comments which were then placed as 'Remarks' in the analysis, while comments for improvement were placed as 'Suggestions'. Suggestions related to curricular aspects were forwarded to respective faculty for further action to be taken.

Krishna Institute of Medical Sciences

STUDENTS' FEEDBACK

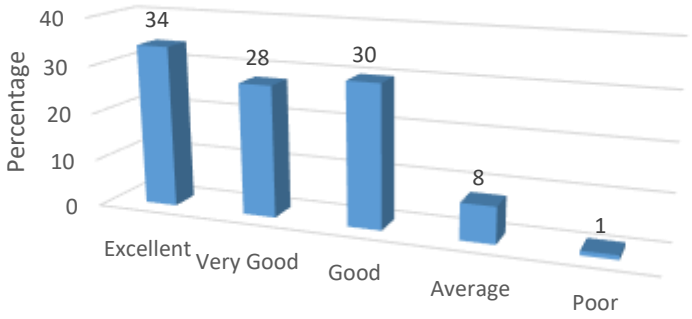

1. How do you rate the course curriculum in relation to the achievement of desired competencies?

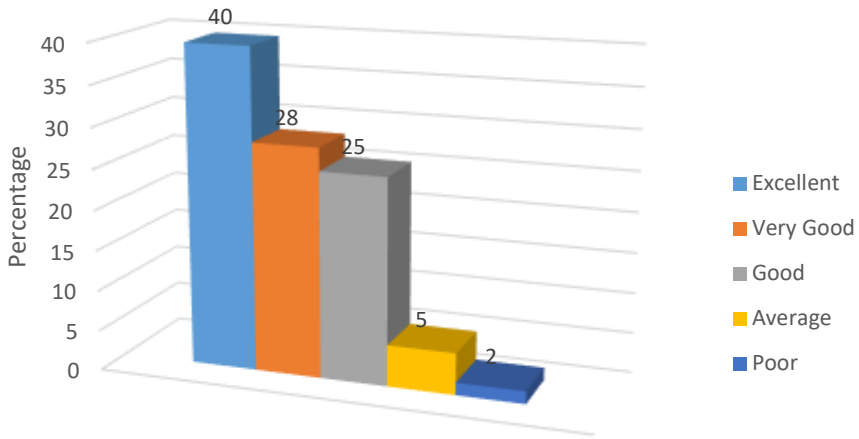

2. How do you rate the institutional policy of curricular revision/ change according to the local and global needs of the society?

Remarks
I had a wonderful 3 years at Karad under the tutelage of some of the best teachers in anaesthesia that I could have asked for. My post-graduation here instilled in me a hunger for knowledge. I am indeed very much grateful to KIMSDU and its faculty for the constant support and encouragement I received.

Suggestions
In our college students came from many different states & countries, they can do different types of cultural programs in our institutions.

Remarks
Overall institute & facilities provided are very good
The curriculum is good and helps students in study and personality development

Suggestions
Field and industrial visits should be increased
Hands-on programs in tie up with other organisation or other colleges
The reimbursement for students for the conferences has been stopped which is a major disappointment as it would stop us students from getting into any conferences and representing the college as these reimbursements help with managing the finances of the conference. It was a major reason to join the course in this college that has been suddenly discontinued.
Digital methods should be implemented for institutional protocol and ethical clearance presentations. As more paper is wasted in the process of research approval.

TEACHERS' FEEDBACK

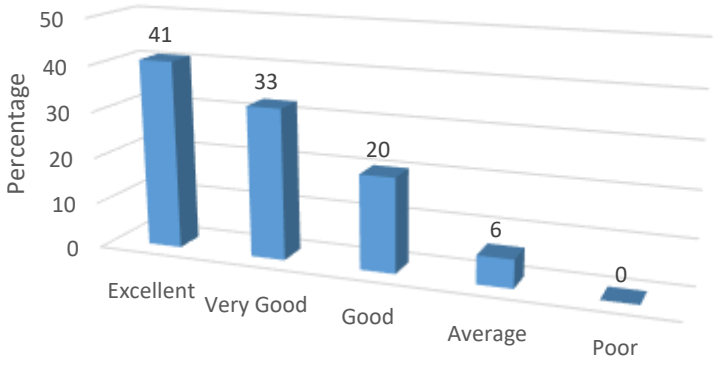

1. How do you rate the overall curriculum for UG/PG courses offered by the institute?

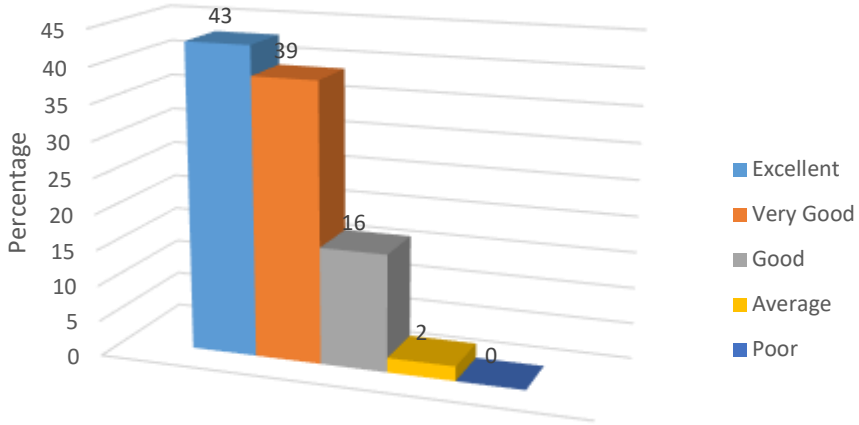

2. How do you rate the institute's policy in integrating cross-cutting issues into the UG/PG curriculum?

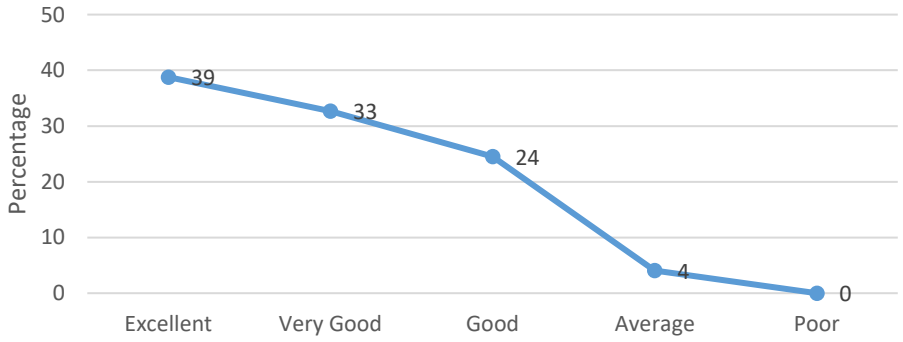

3. How do you rate the curriculum design for UG/PG with respect to inclusion of community extension and outreach activities?

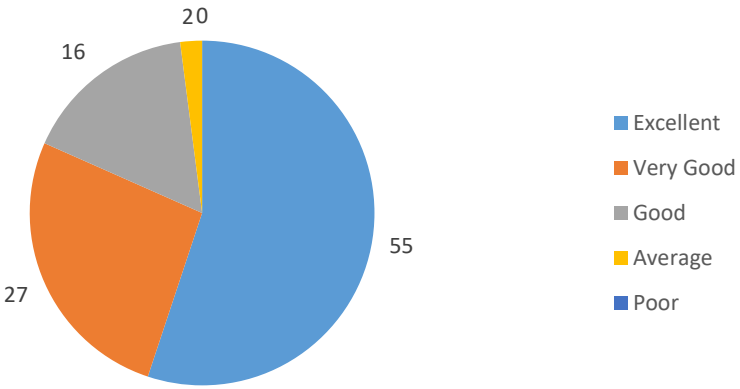

4. How do you rate the institute's policy of curricular revision/ change according to the local and global needs of the society?

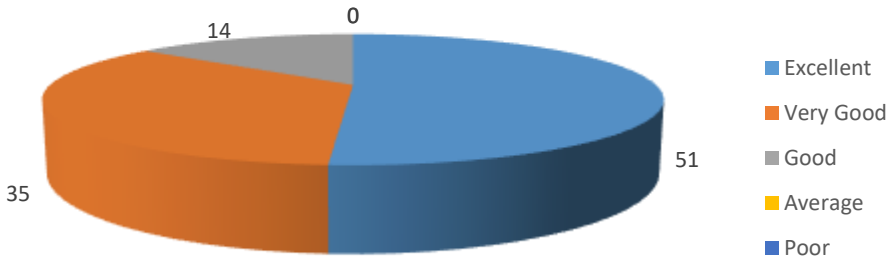

5. How do you rate the academic flexibility embedded in the curriculum which provides opportunity to students to pursue their interest by choosing from several electives?

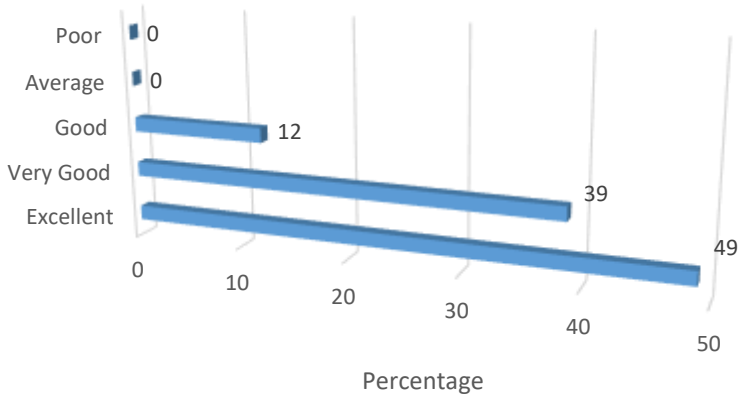

6. How do you rate the involvement of institute in various national health programs?

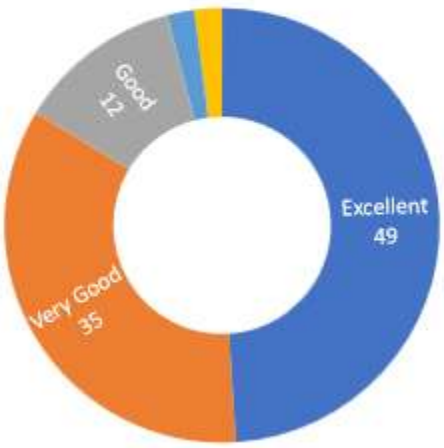

7. How do you rate the institute for organizing various co-curricular academic activities?

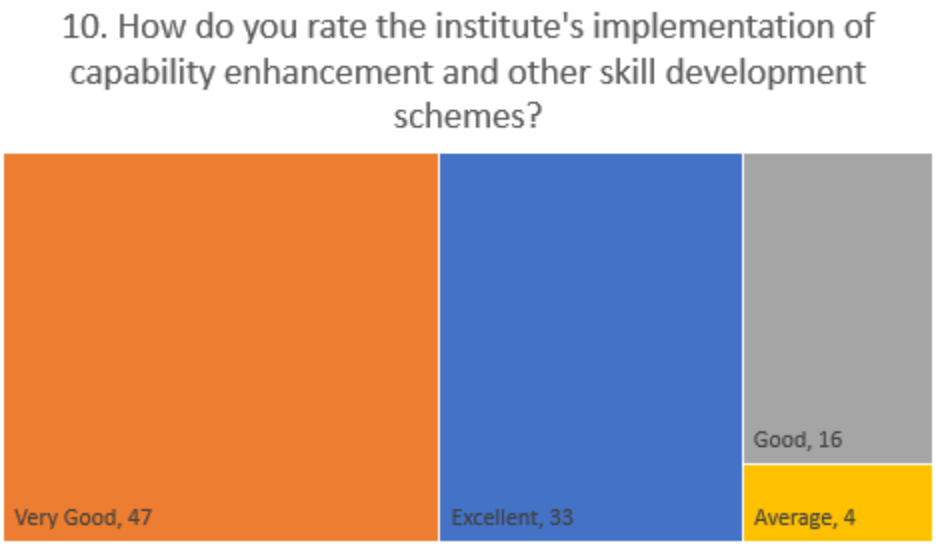

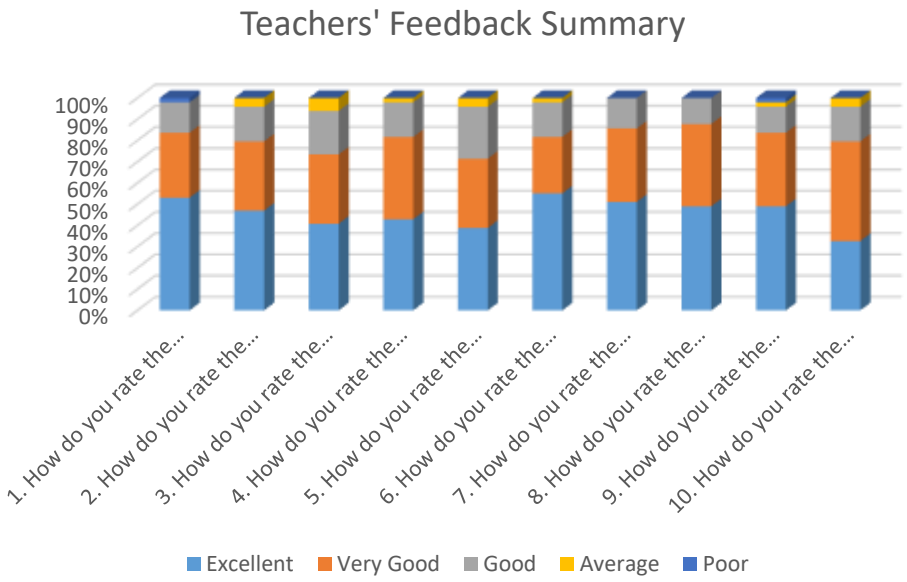

8. How do you rate the institute for encouraging student related extra-curricular activities?

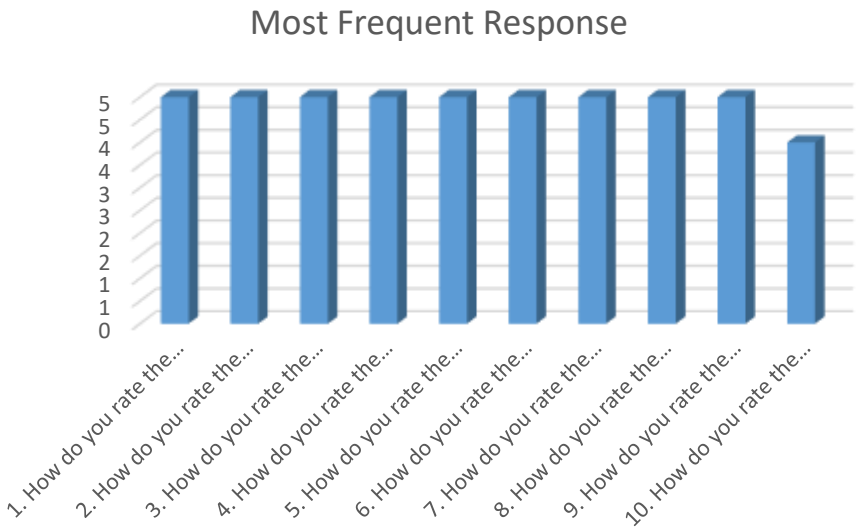

9. How do you rate the institute's research cell initiated activities?

Remarks
This institute is the best place for a student's overall development. Institute provides numerous academic research incentives too and gives you excellent opportunities in research and extracurricular activities.

Suggestions
Compulsory exchange programmes for interns needed
Statistical analysis facility should be provided separately for each faculty

ALUMNI FEEDBACK

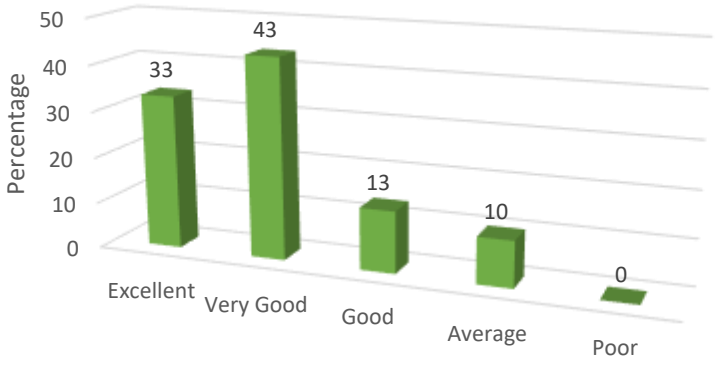

1. How do you rate the institute's policy of curricular revision/ change according to the local and global needs of the society?

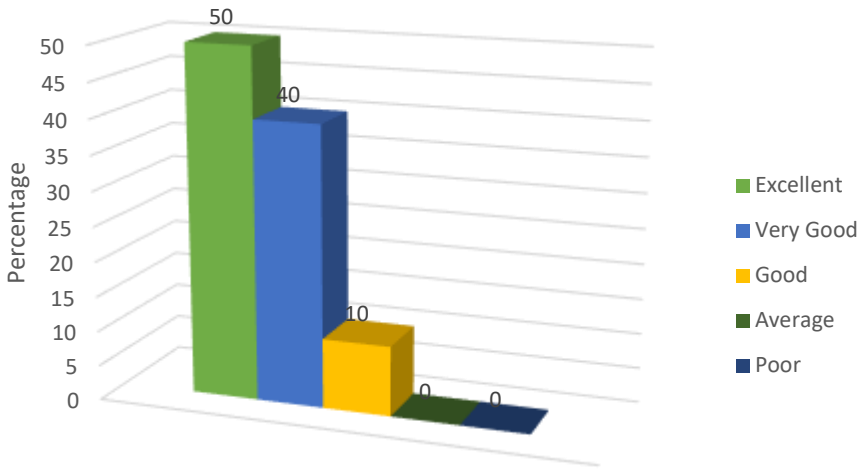

2. How do you rate the academic flexibility embedded in the curriculum which provides opportunity to students to pursue their interest by choosing from several electives?

Remarks
College and teaching staff are very nice. They support us in any situation. I'm happy to be a part of Krishna College of Physiotherapy
Education system is very good along with all the necessary facilities. Has a very good learning environment.

Suggestions
It would be appreciated if choice-based credit system is introduced to the academic system.
Organise inter-college programs regarding seminars; educational facilities; cultural, for greater exposure and knowledge.

Remarks
It was a great time studying here; the experience and exposure I got during my time here was really amazing and has helped me a lot in my practice! Best hands-on practice truly! Thank you for all the support!

Suggestions
More instruction and guidance about research methods is crucial for undergraduate physiotherapy course. Emphasis on evidence-based learning is important to bring students and practicing clinicians at par with global standards.

PROFESSIONALS' FEEDBACK

Remarks
I am blessed to study in such a great university where I get equal theory knowledge and clinical experience too.

Suggestions
I would like to suggest to include co-curricular activities of all nursing students together (eg BSc, MSc, GNM, etc.)
Keep books of all courses and novels in library.

TEACHERS' FEEDBACK

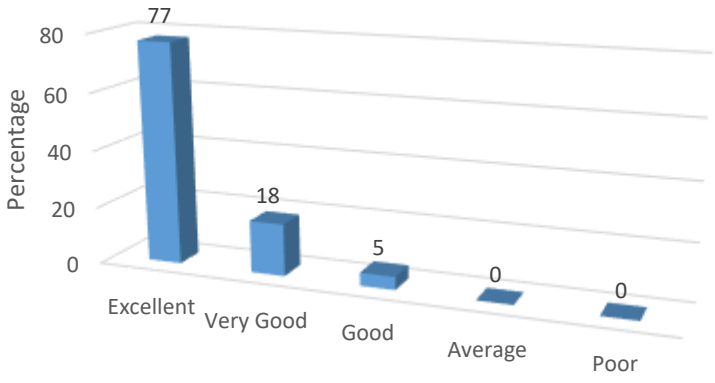

1. How do you rate the overall curriculum for UG/PG courses offered by the institute?

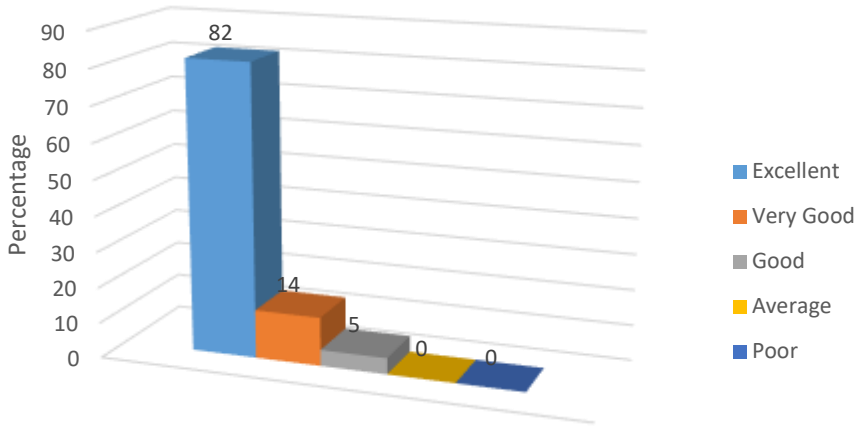

2. How do you rate the institute's policy in integrating cross-cutting issues into the UG/PG curriculum?

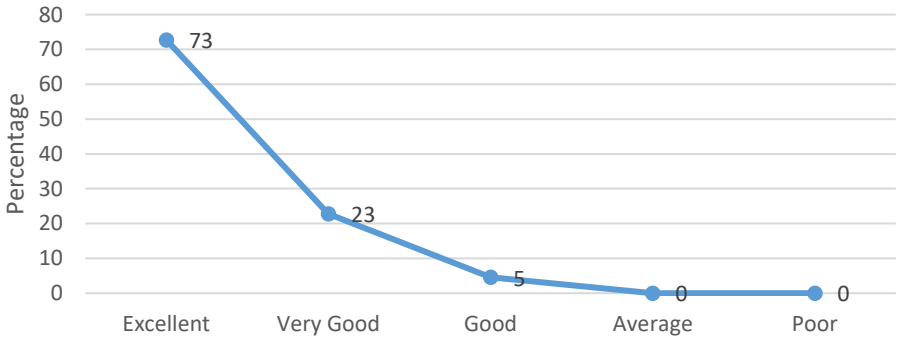

3. How do you rate the curriculum design for UG/PG with respect to inclusion of community extension and outreach activities?

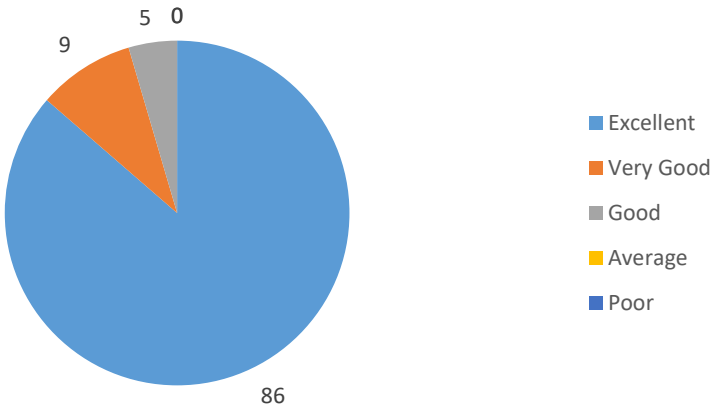

4. How do you rate the institute's policy of curricular revision/ change according to the local and global needs of the society?

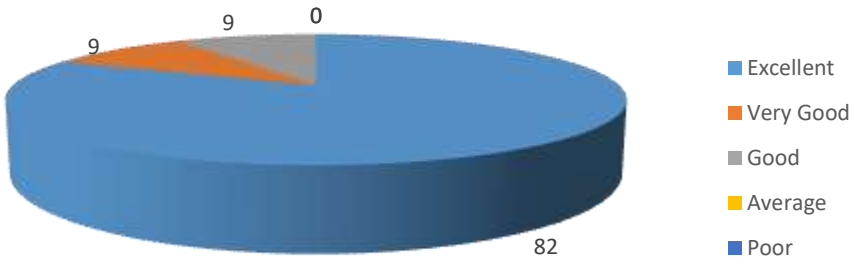

5. How do you rate the academic flexibility embedded in the curriculum which provides opportunity to students to pursue their interest by choosing from several electives?

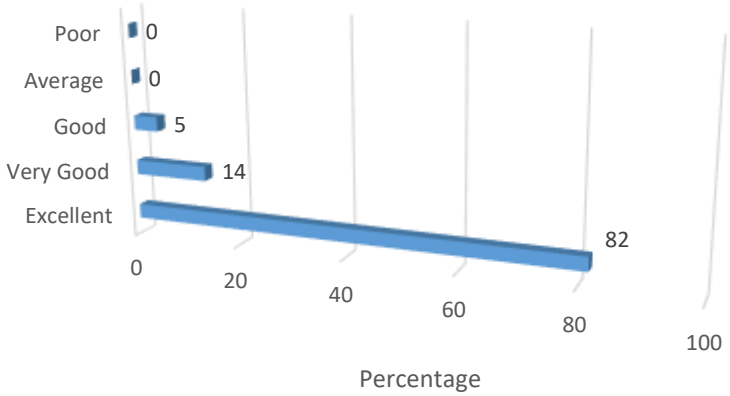

6. How do you rate the involvement of institute in various national health programs?

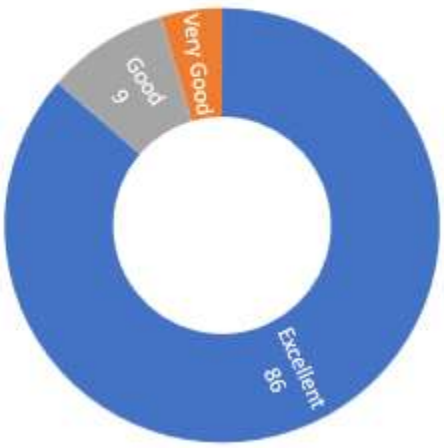

7. How do you rate the institute for organizing various co-curricular academic activities?

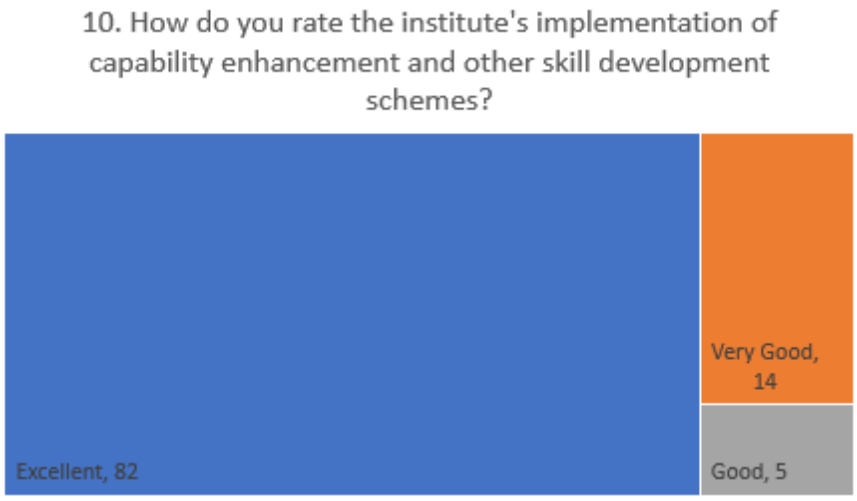

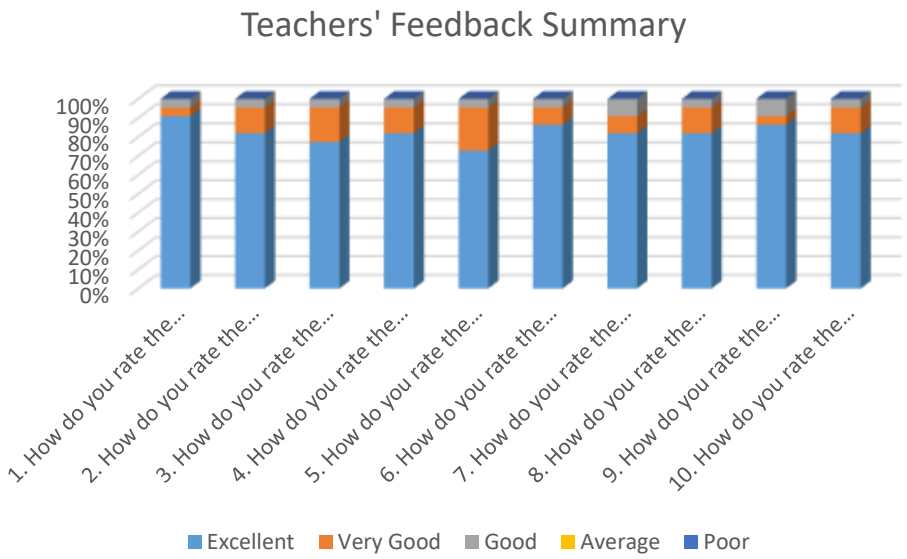

8. How do you rate the institute for encouraging student related extra-curricular activities?

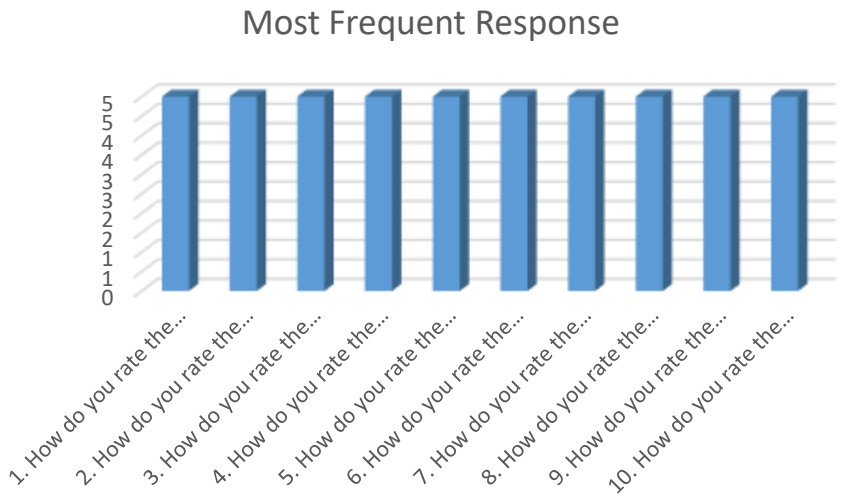

9. How do you rate the institute's research cell initiated activities?

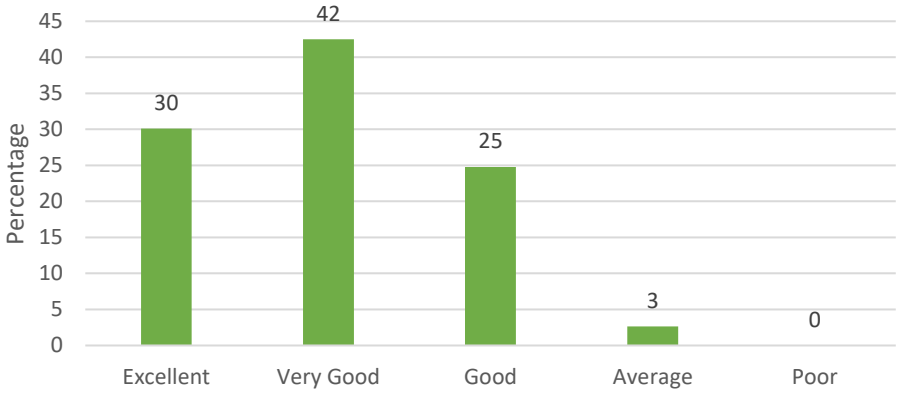

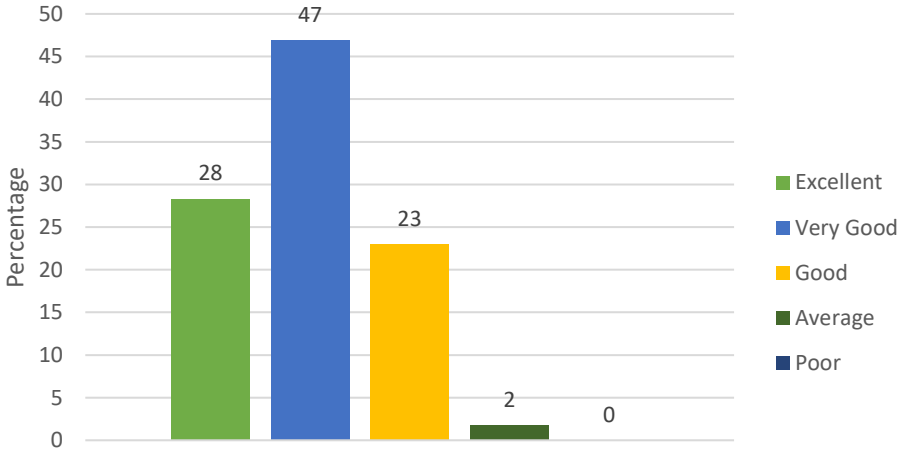

Remarks
Co-curricular and extracurricular activities are good for students. So that they have good communication and leadership abilities and to manage the programs in future.

ALUMNI FEEDBACK

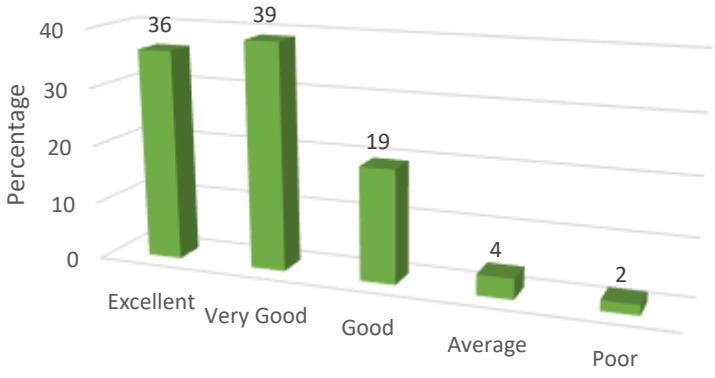

1. How do you rate the institute's policy of curricular revision/ change according to the local and global needs of the society?

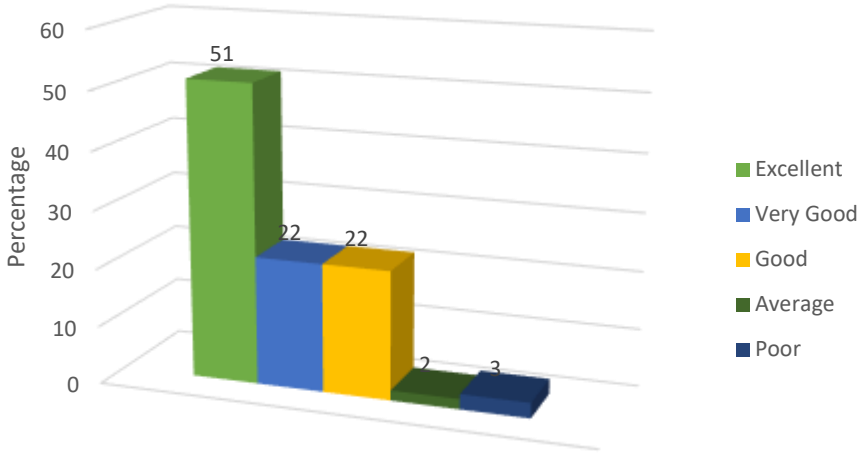

2. How do you rate the academic flexibility embedded in the curriculum which provides opportunity to students to pursue their interest by choosing from several electives?

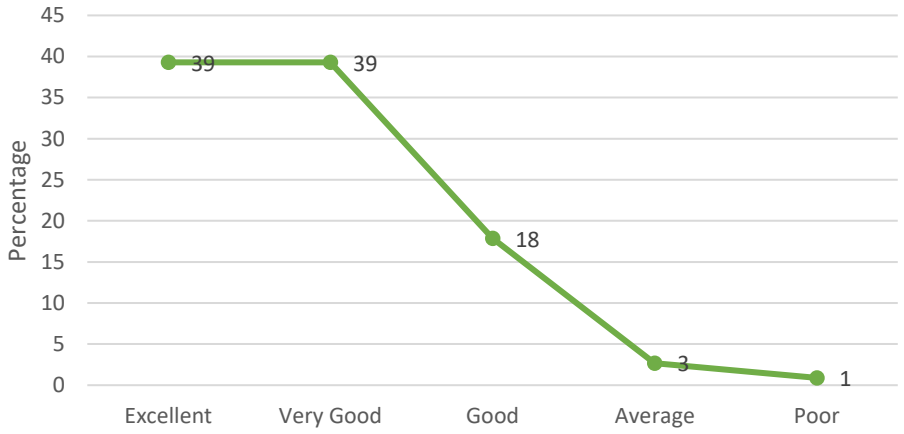

3. How do you rate the outcome (goal) oriented curricular design of the course (ie. becoming competent and independent professionals)?

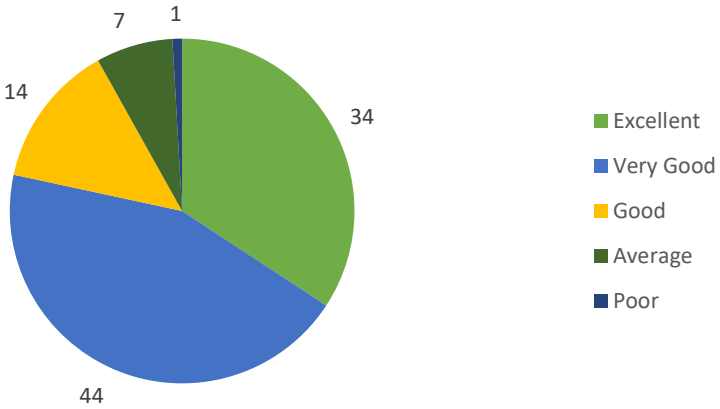

4. How do you rate the ambience of the college for effective delivery of the academic process?

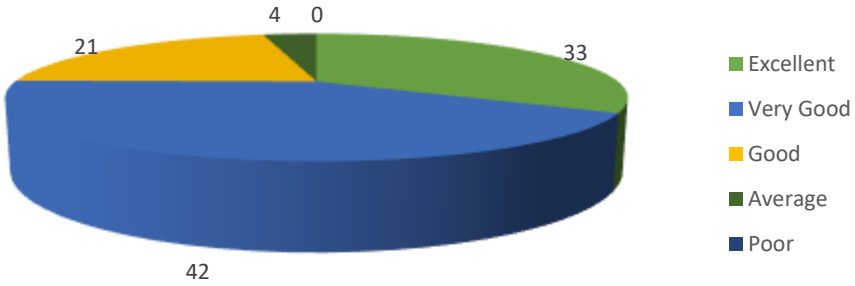

5. How do you rate the institute for organizing various co-curricular academic activities?

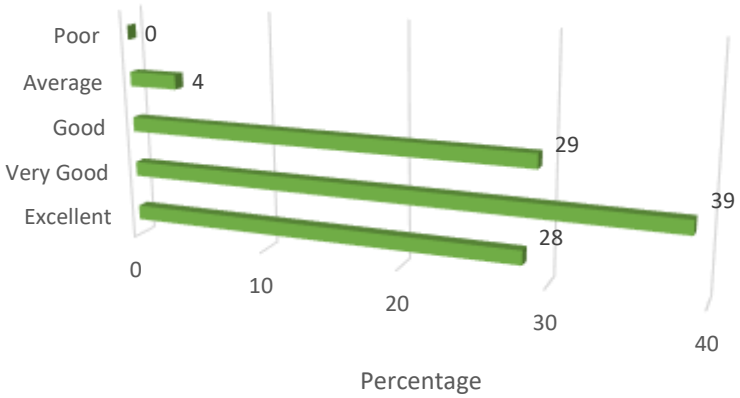

6. How do you rate the institute for encouraging student related extra-curricular activities?

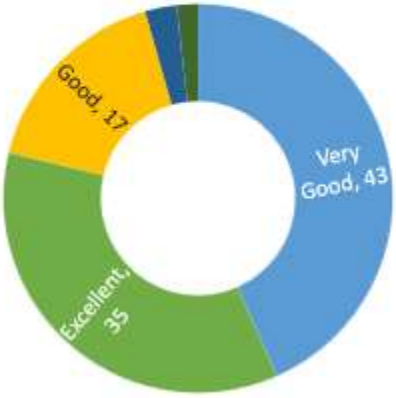

7. How do you rate the institute's implementation of capability enhancement and other skill development schemes?

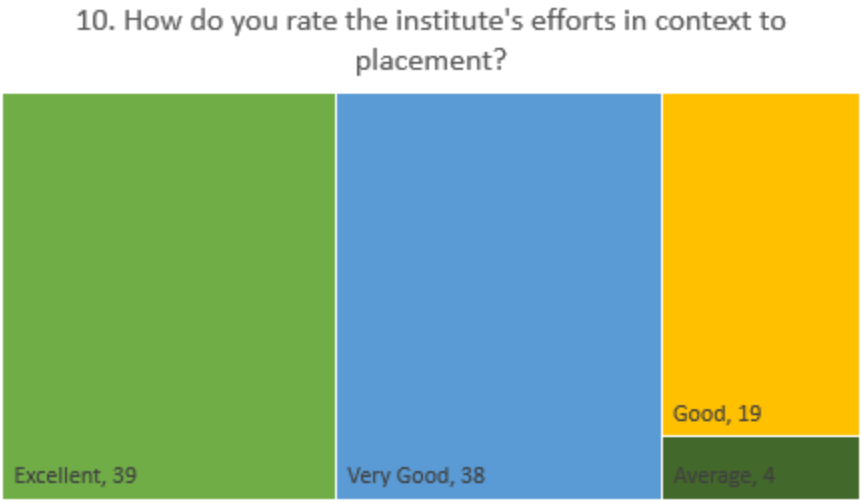

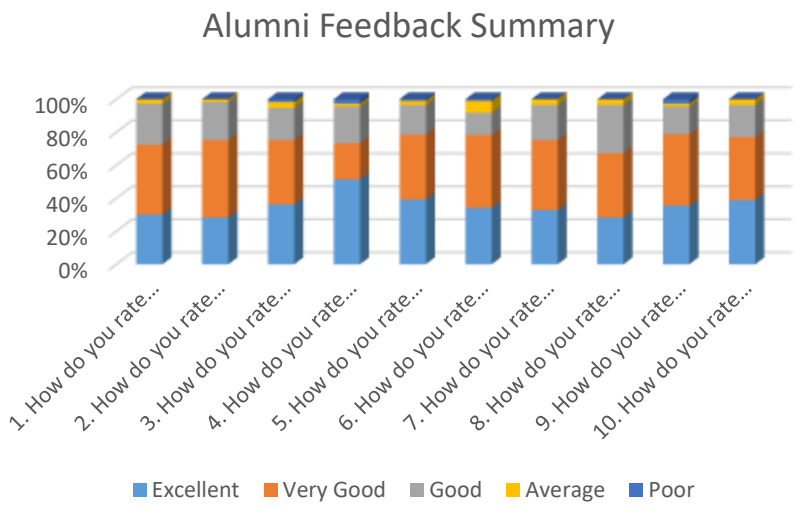

8. How do you rate grievance redressal mechanism of the institute?

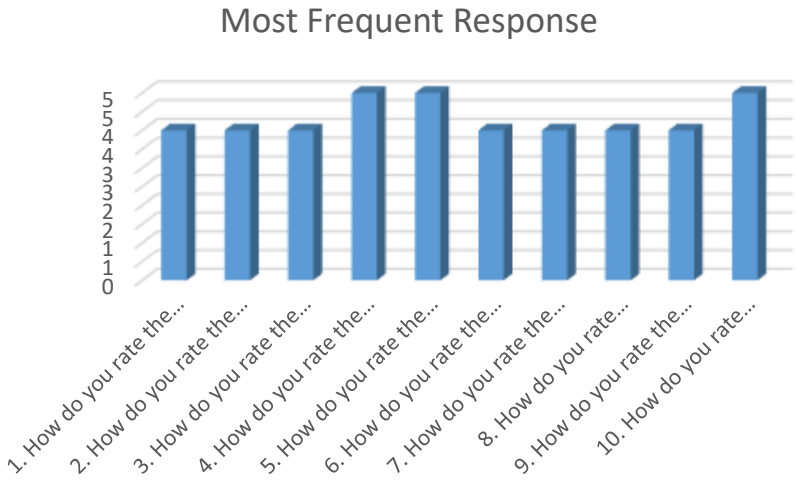

9. How do you rate the institute's efforts in context to guidance for competitive exams and career advancement?

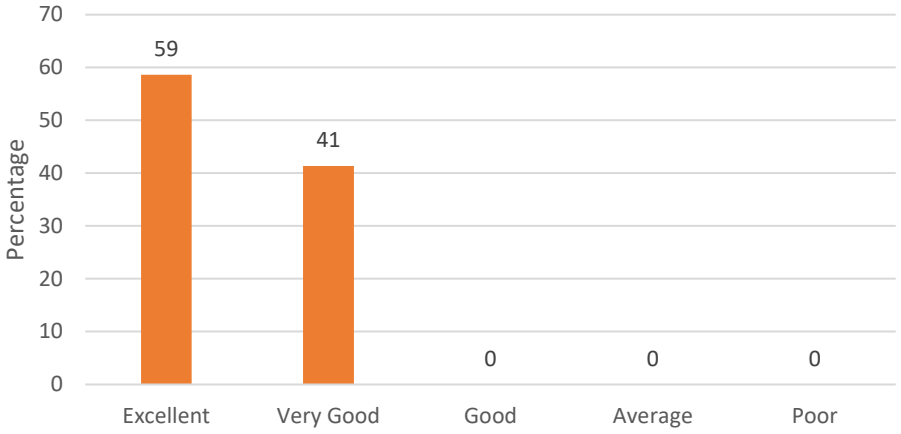

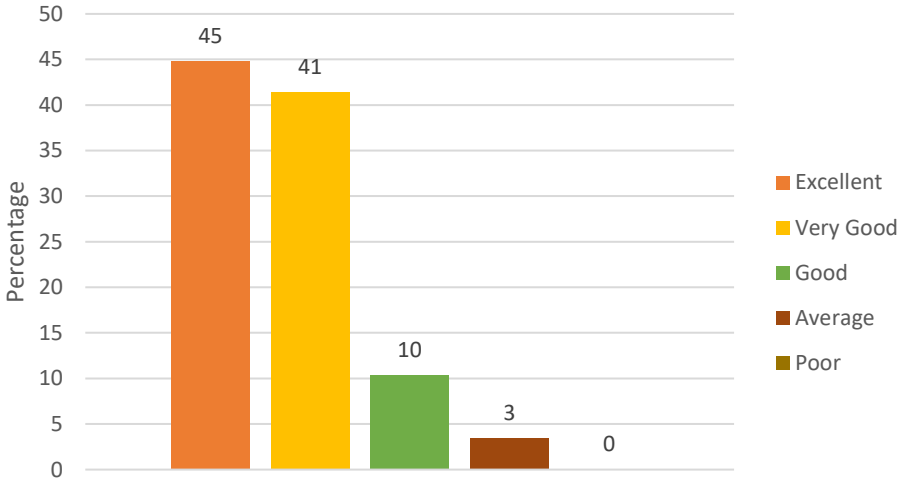

Remarks
I am very happy to be part of this KVV family. I thank all the faculty members for giving their best towards making students better in academic as well as other activities

PROFESSIONALS' FEEDBACK

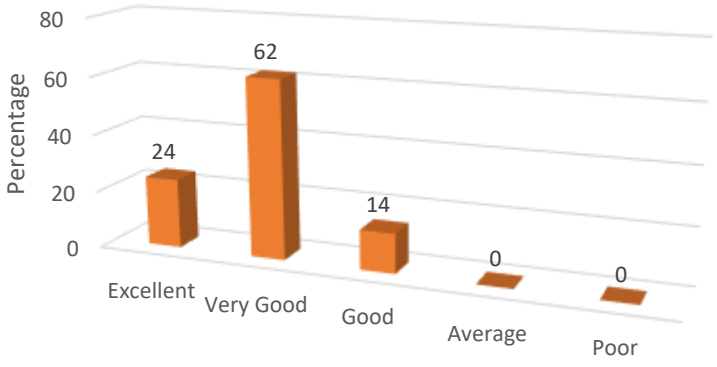

1. How do you rate the curriculum for UG/PG courses offered by the institute?

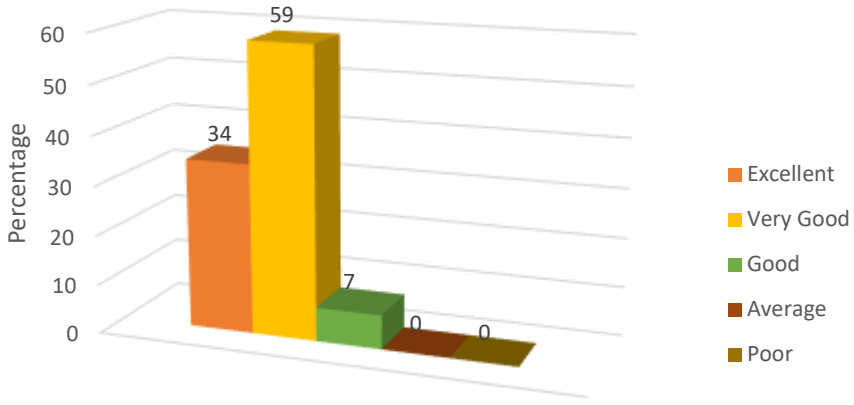

2. How do you rate the institute's practice in integrating cross-cutting issues into the UG/PG curriculum?

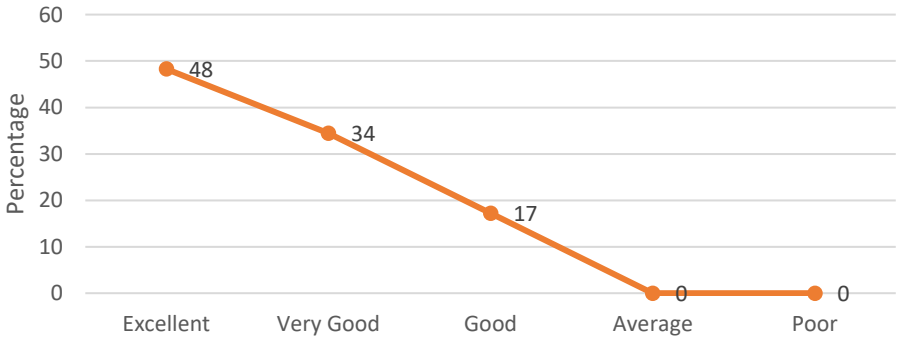

3. How do you rate the institute's policy of curricular revision/ change according to the local and global needs of the society?

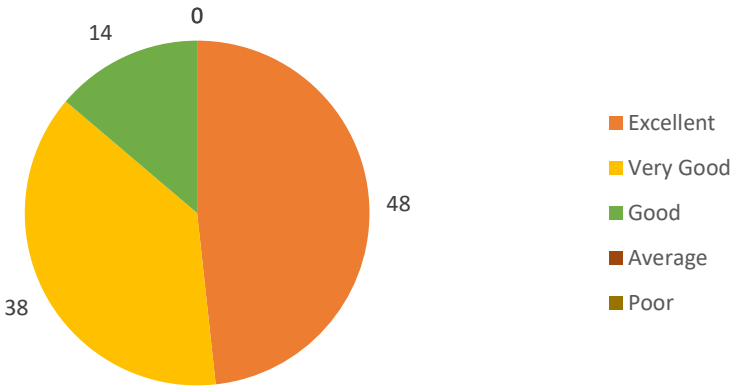

4. How do you rate the academic flexibility embedded in the curriculum which provides opportunity to students to pursue their interest by choosing from several electives?

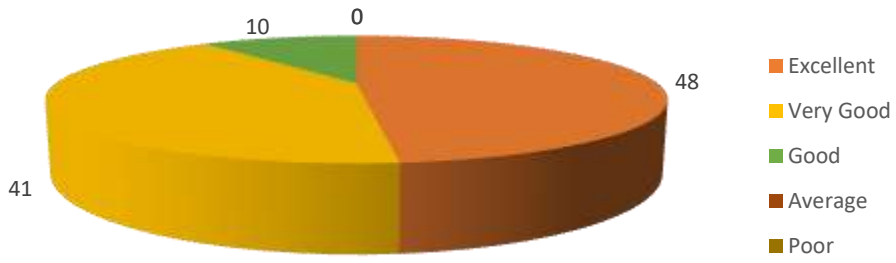

5. How do you rate the outcome (goal) oriented curricular design of the course (i.e.; becoming competent and independent professionals) in professional and in real life situation?

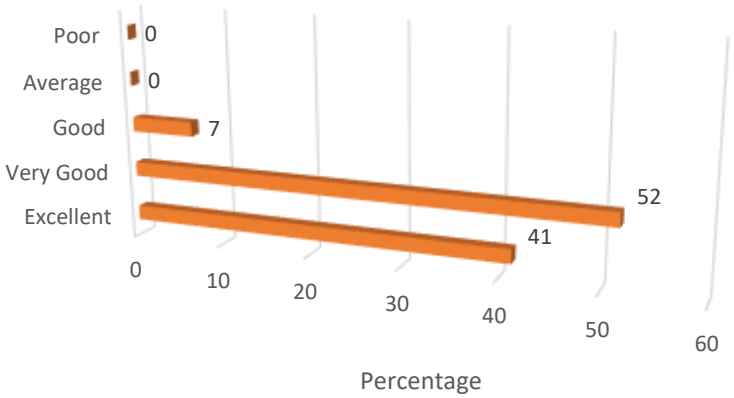

6. How do you rate the ambience of the college for effective delivery of the academic process?

7. How do you rate the implementation of innovative teaching-learning methods in the execution of syllabus?

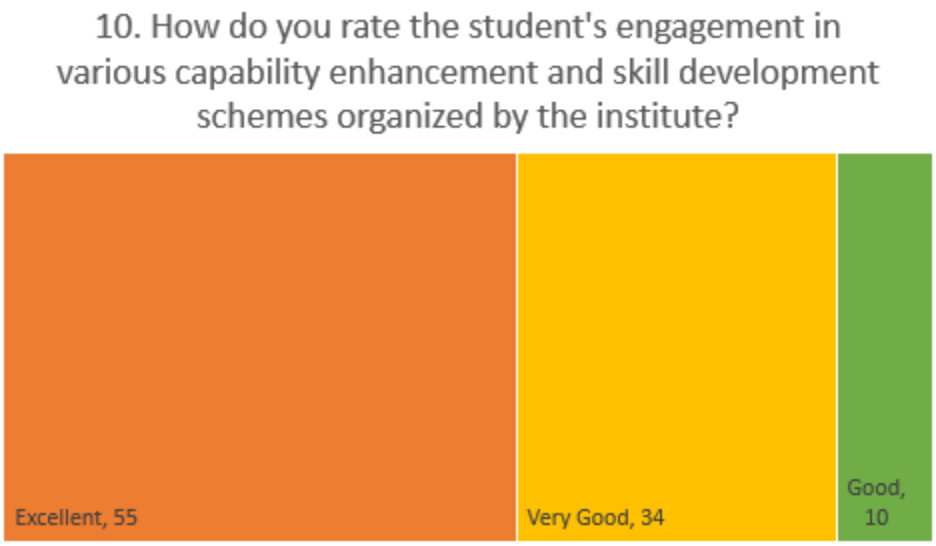

8. How do you rate the assessment methods used by the institute?

Remarks
Excellent examination system, theory and practical, at institutional and university level. Nicely executed induction program, value added courses and online/offline workshop/conferences. Best financial support for students with scholarships and education loan facilities. All the best wishes for taking efforts to implement excellence in nursing education.
Students building capacity is excellent. Students in KINS are not just taught syllabus for completion but they are prepared to think ahead for the road.

EMPLOYERS' FEEDBACK

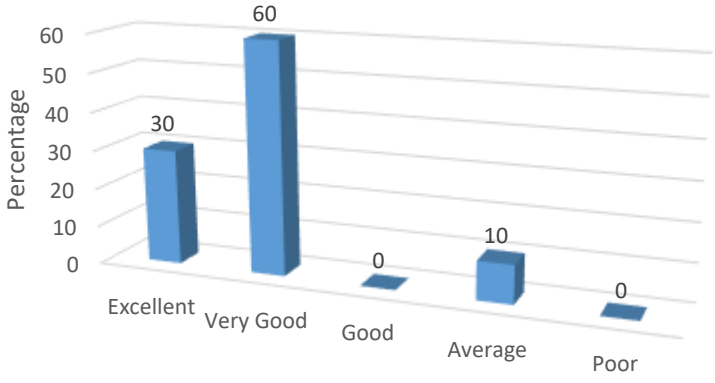

1. How do you rate the employee's general communication skills?

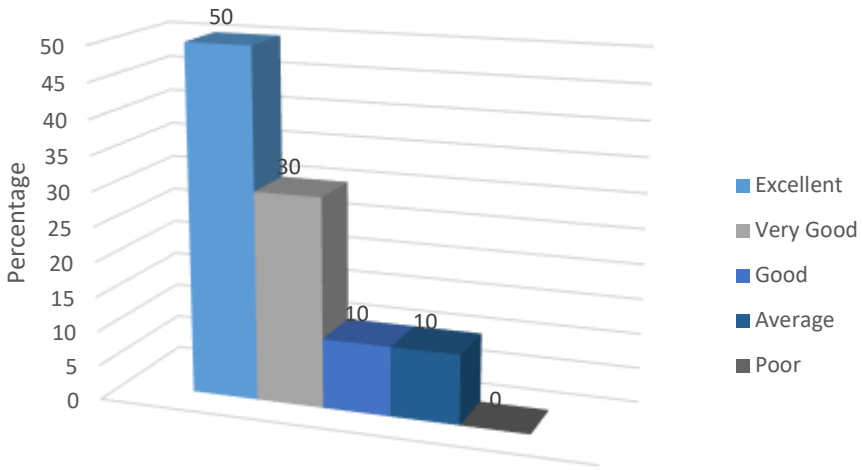

2. How do you rate the employee's overall management skills?

FEEDBACK ANALYSIS – PROCESS

BACKGROUND

Krishna Vishwa Vidyapeeth "Deemed to be University," Karad (KVV), previously known as Krishna Institute of Medical Sciences "Deemed to Be" University, Karad (KIMSDU), offers a curriculum tailored to student needs, providing a comprehensive learning experience that aligns with the institution's vision and mission of academic excellence, spiritual vitality, and social relevance. The university emphasizes fostering entrepreneurial skills and encouraging innovation from an educator's standpoint.

KVV has established a well-defined process for designing, developing, and revising its curriculum continuously to meet the required program and course outcomes, adhering strictly to the standards set by regulatory bodies. The university is equipped with state-of-the-art infrastructure and sufficient physical facilities to support curriculum implementation, teaching, learning, and skill acquisition, as per the guidelines of relevant authorities.

As a result of these efforts, KVV has received numerous accolades and accreditations, reflecting the success of its stakeholders. A key aspect of achieving this excellence is the use of feedback from various stakeholders to enhance and update the quality of education provided. Consequently, KVV has implemented a mechanism for collecting feedback from stakeholders, in accordance with the requirements of the National Assessment and Accreditation Council (NAAC):

1. Students
2. Teachers
3. Alumni
4. Professionals
5. Employers

QUESTIONNAIRE

Questionnaires for taking feedback from the above stakeholders were developed as per KVV's Standard Operating Procedure (SOP) for Feedback.

RESPONSE COLLECTION

For the Academic Year 2023-24, we continued using our in-house platform for collecting feedback, following positive responses from nodal officers and stakeholders regarding the new feedback system introduced in 2021-22. This system has been granted copyright by the Copyright Office, Government of India (Reg No L-126130/2023, dated 15/06/2023).

This feedback system offers the following benefits:

1. User-friendly:
    a. The minimalist design ensures fast website loading.
    b. A single common link for each stakeholder simplifies sharing through various communication channels and facilitates response collection.

2. Data integrity:
    a. Basic background data is auto-loaded based on the PRN entered by students.
    b. 'One Time Password' (OTP) verification for both mobile numbers and email IDs prevents data corruption and duplication.

3. Anonymity:
    a. Random codes are generated in the database for each stakeholder response, and access to the complete database is restricted according to 'Standard Operating Procedure' (SOP) guidelines.

4. Ease of understanding:
    a. The questions cover a wide range of curricular, co-curricular, and extra-curricular activities. Terminology explanations, with additional reference links, ensure stakeholders have a better understanding and perspective of university activities.

The links were open for responses from 01 July 2024 to 15 July 2024. As per SOP guidelines, response collection was centralized, with only two officers having access to the data.

Additionally, feedback on the in-house platform and suggestions for improvement were gathered through an ANONYMOUS and OPTIONAL "Feedback on Feedback" link. The responses will be analyzed and used to enhance the in-house feedback system in the future.

ANALYSIS

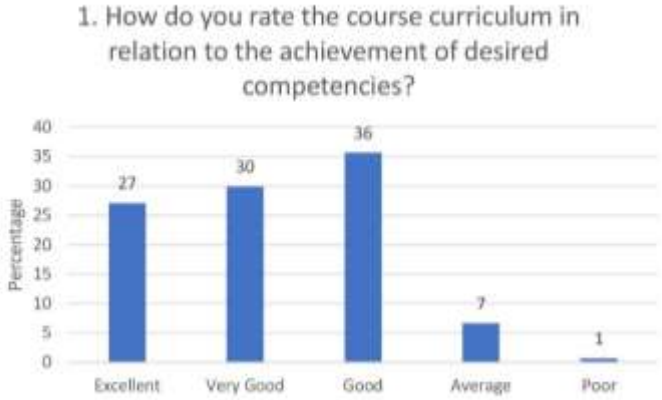

The results were analyzed using descriptive statistics and presented graphically as 'percentages' and the numerical 'most frequent response.' Responses to open-ended questions were categorized under 'Remarks' and 'Suggestions.' The data was anonymized and then shared with the respective faculty for further processing.

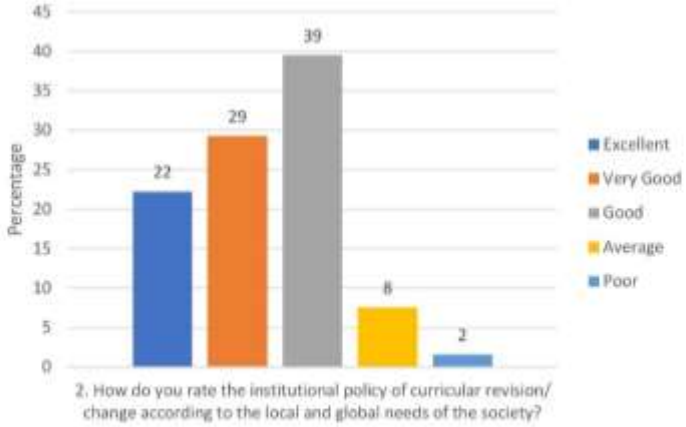

INTERPRETATION

A combined rating of over 75% for 'Excellent,' 'Very Good,' and 'Good' on any given question was considered a favorable response. Similarly, a most frequent response score of 3 or higher for each question was deemed favorable. No further action was required for these favorable responses.

Open-ended question responses were reviewed for positive feedback, which was categorized as 'Remarks' in the analysis, while suggestions for improvement were categorized as 'Suggestions.' Suggestions related to curricular aspects were forwarded to the respective faculty for necessary action.

Stakeholder Feedback Analysis
Krishna Vishwa Vidyapeeth "Deemed to be University", Karad

Remarks
The university has excellent faculty and technology which aids us to learn more and dive deep into the field of medicine thus serving the society indirectly
Excellent guidance by the department. We experienced no lack of facilities that were provided nor in the knowledge imparted. We thank you cordially!

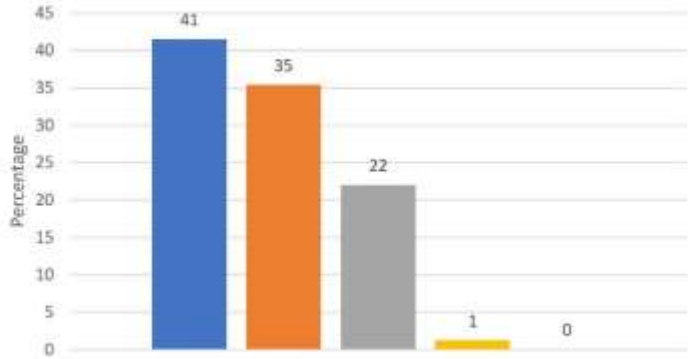

Suggestions
The academics end of the college is excellent. But measures should be taken to help the students build their soft skills and personality. Workshops should be organized under the AETCOM framework for personality development and soft skill training. It is usually observed that students tend to have a lot of knowledge and are well trained but lack a personality that backs that knowledge.
Please introduce more of case-based studies in subjects that are needed for USMLE and other international examinations. These need to introduced into final year as well as 1;2nd and 3rd year

Stakeholder Feedback Analysis
Krishna Vishwa Vidyapeeth "Deemed to be University", Karad

Remarks
All curricular; co-curricular and extra- curricular activities are well designed
The Institute helps in conducting research and is also cooperative in carrying out other co-curricular activities. It encourages teachers and students in carrying out the above activities.
Over all curricular; co-curricular and extracurricular activities are very good. Institutions management takes extra efforts and interest in these activities. Regular feedback from staff; students; social activity like health camps; awareness camps; regular CME; conferences; workshops; guest lectures are praise worthy activities.

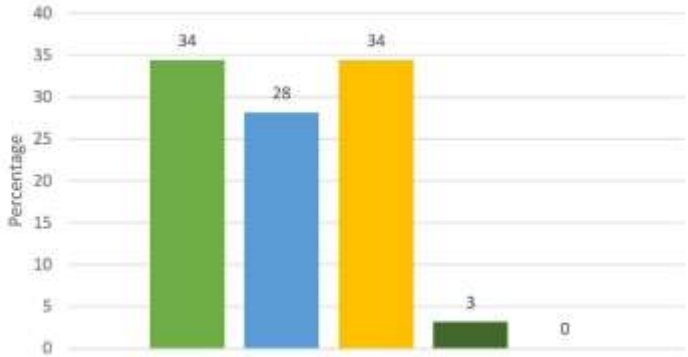

Suggestions
Materials for professional and social skill development to be provided for PGs.

Stakeholder Feedback Analysis
Krishna Vishwa Vidyapeeth "Deemed to be University", Karad

ALUMNI FEEDBACK

1. How do you rate the institute's policy of curricular revision/ change according to the local and global needs of the society?

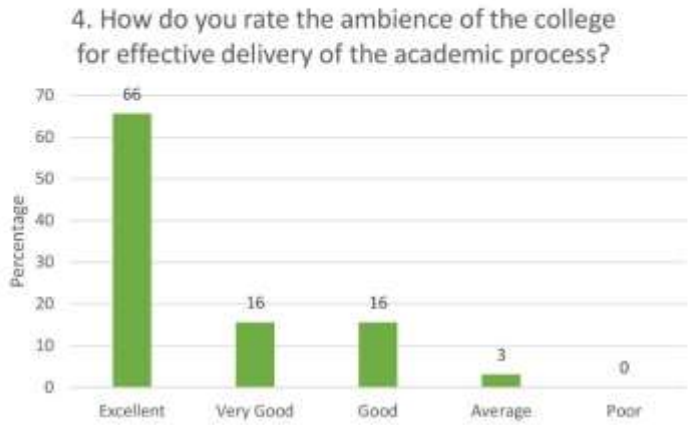

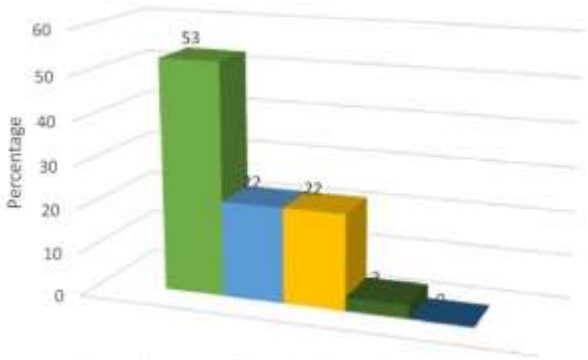

2. How do you rate the academic flexibility embedded in the curriculum which provides opportunity to students to pursue their interest by choosing from several electives?

3. How do you rate the outcome (goal) oriented curricular design of the course (ie. becoming competent and independent professionals)?

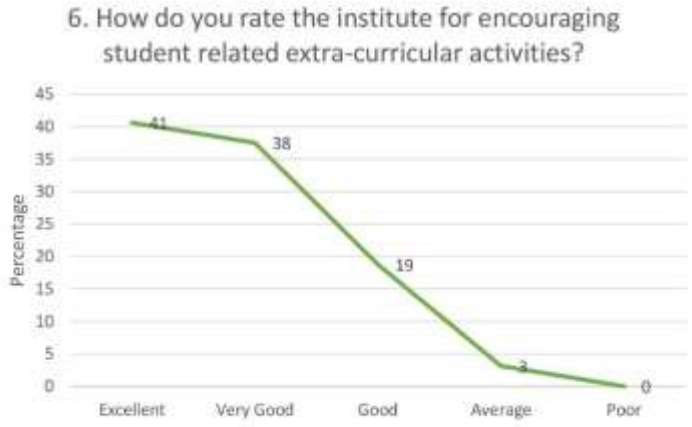

19

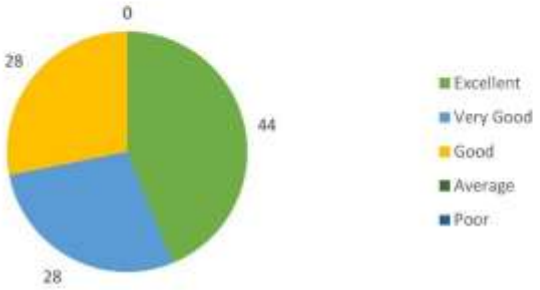

5. How do you rate the institute for organizing various co-curricular academic activities?

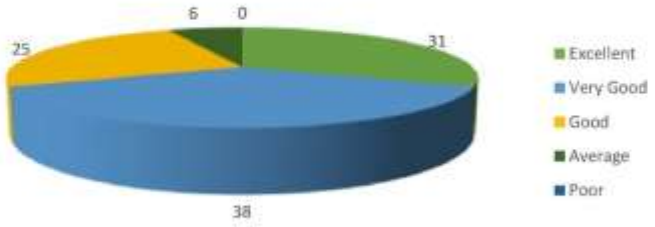

Stakeholder Feedback Analysis
Krishna Vishwa Vidyapeeth "Deemed to be University", Karad

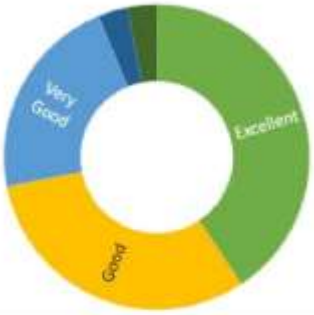

7. How do you rate the institute's implementation of capability enhancement and other skill development schemes?

8. How do you rate grievance redressal mechanism of the institute?

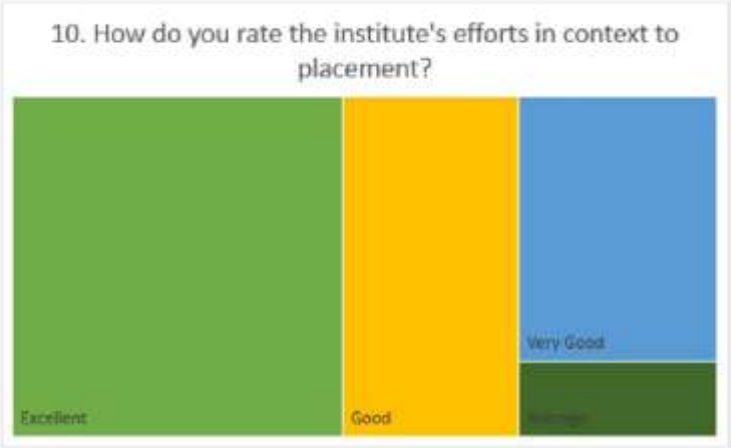

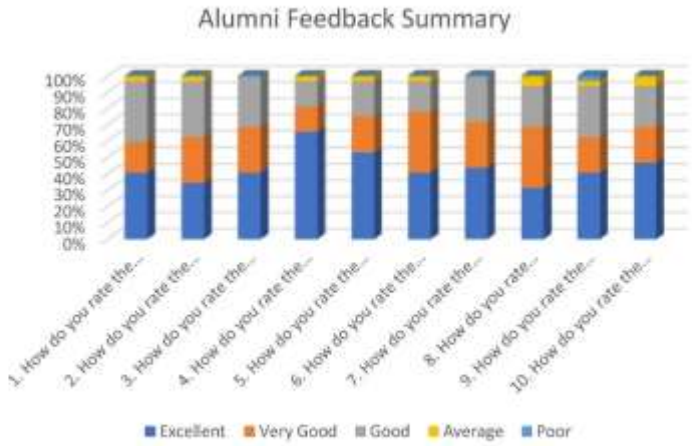

9. How do you rate the institute's efforts in context to guidance for competitive exams and career advancement?

38

Stakeholder Feedback Analysis
Krishna Vishwa Vidyapeeth "Deemed to be University", Karad

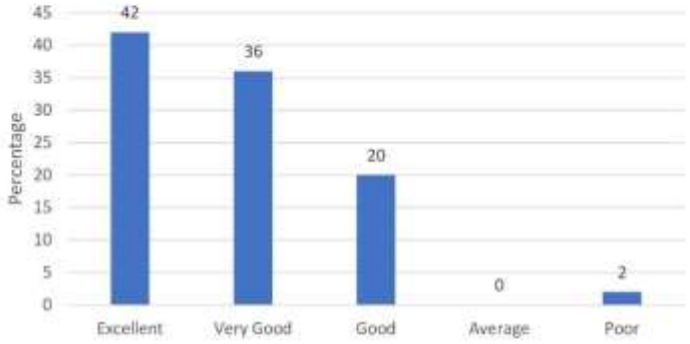

Remarks
All the activities are carried out in a meaningful manner to make students learn various things through them
Good faculty and well-mannered staff with best teaching feedback
The teaching way and infrastructure of college is quite good. Faculty members of college are also very well qualified and always helpful.

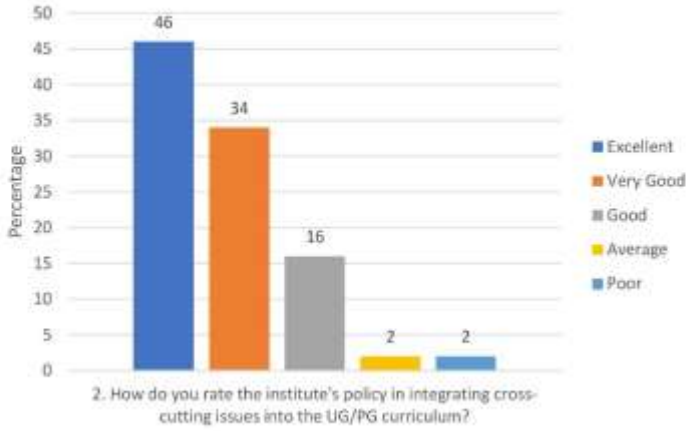

Suggestions
Workshops on management of finances; self-employment should be held
Dental library needs to be well organized as like clean washroom; water supply; drinking water container to be placed
Should teach us more about how to convince the patient about treatments to be given. Overall, how to build up the conversation with the patient.

Stakeholder Feedback Analysis
Krishna Vishwa Vidyapeeth "Deemed to be University", Karad

Remarks
Cocurricular activities as well as academics is excellent. We enjoy each activity at institute
At this moment; I am unable to provide any specific suggestions as I feel content with how things are currently. Everything appears to be in good order; functioning as intended without the need for enhancement or alteration. I am satisfied with the current situation and do not foresee any changes being necessary. Given the situation; there is no advice or recommendations to offer as I am happy with the status quo.
The university overall has a unique and multidisciplinary approach leading to excellence of students.

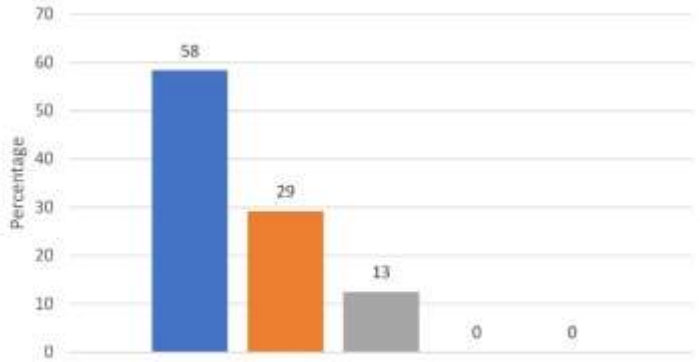

Suggestions
Should have abroad opportunities
Paid internship should be implemented
Roll number and name should not be asked on answer sheet! There should be equality! Paper should be checked anonymously either its prelim or University
Suggestion box in the classroom into which students can share their learning experience

Stakeholder Feedback Analysis
Krishna Vishwa Vidyapeeth "Deemed to be University", Karad

Stakeholder Feedback Analysis
Krishna Vishwa Vidyapeeth "Deemed to be University", Karad

Remarks
Great support and knowledgeable faculty; good exposure of various cases through the hospital.
Proud of being alumni of university that has been best and top among many.

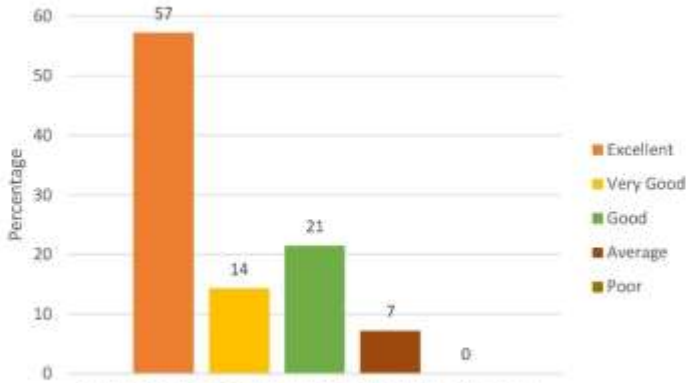

Suggestions
There needs to be more focus on training and creating a mindset that allows broader thinking of a patient and not just about diagnosing and treating. In addition, limited duration of treatment with effective methods to achieve planed rehab goals should be the focus of the curriculum.
The University needs to have a grading policy, so as the outgoing students of all faculty can correlate their academic performance in terms of GPA and CGPA.

Krishna Vishwa Vidyapeeth "Deemed to be University", Karad

79

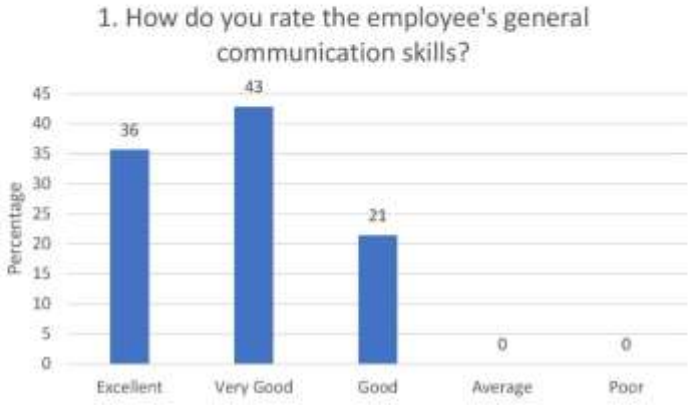

Stakeholder Feedback Analysis
Krishna Vishwa Vidyapeeth "Deemed to be University", Karad

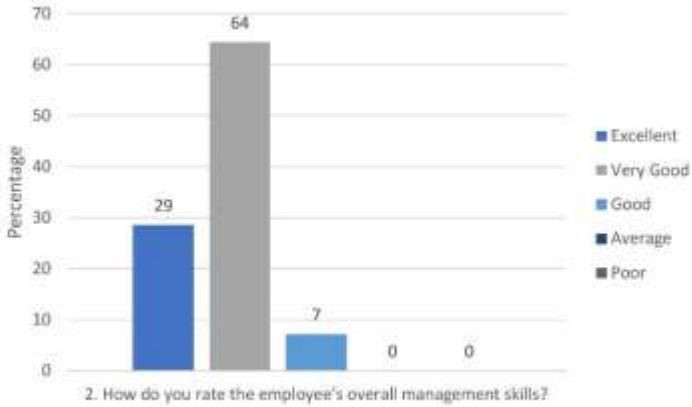

Remarks
Practical or clinical aspect is good; suggesting to maintain that.
Overall institution developed excellent curricular and co-curricular practice.

Suggestions
While attending theory examination students to be strictly inform to mention question number & options correctly and highlight each question; so that it is easy while evaluating the answer sheets.
Please add few topics regarding evidence-based practice in the UG syllabus and tele rehabilitation.

Krishna Vishwa Vidyapeeth "Deemed to be University", Karad

4. How do you rate the institute's policy of curricular revision/ change according to the local and global needs of the society?

5. How do you rate the academic flexibility embedded in the curriculum which provides opportunity to students to pursue their interest by choosing from several electives?

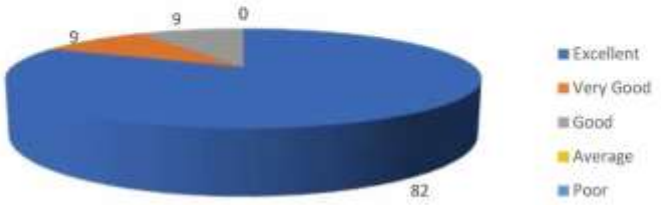

6. How do you rate the involvement of institute in various national health programs?

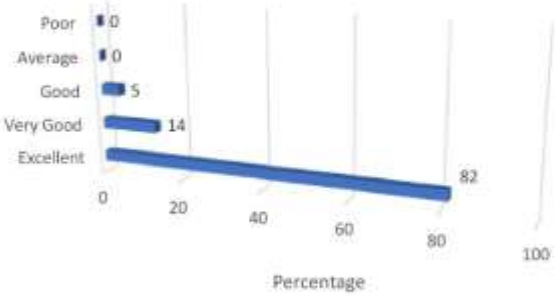

94

7. How do you rate the institute for organizing various co-curricular academic activities?

8. How do you rate the institute for encouraging student related extra-curricular activities?

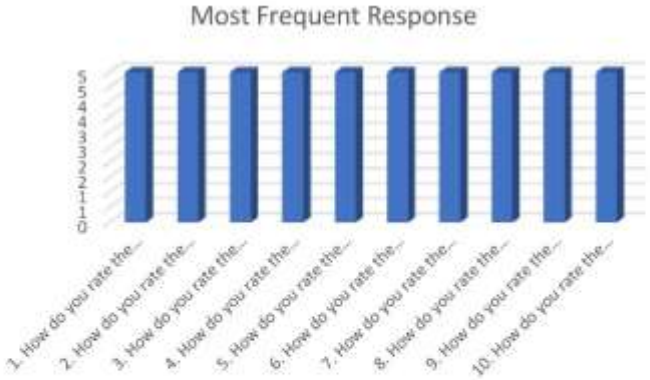

9. How do you rate the institute's research cell initiated activities?

Stakeholder Feedback Analysis
Krishna Vishwa Vidyapeeth "Deemed to be University", Karad

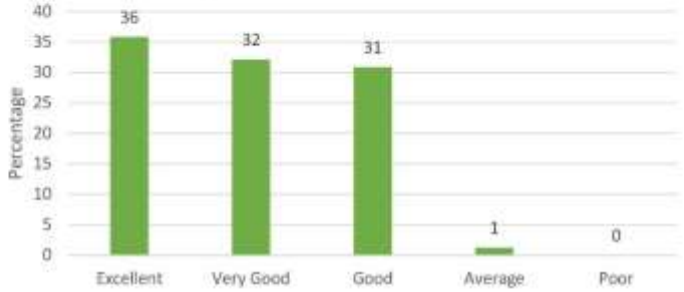

Stakeholder Feedback Analysis
Krishna Vishwa Vidyapeeth "Deemed to be University", Karad

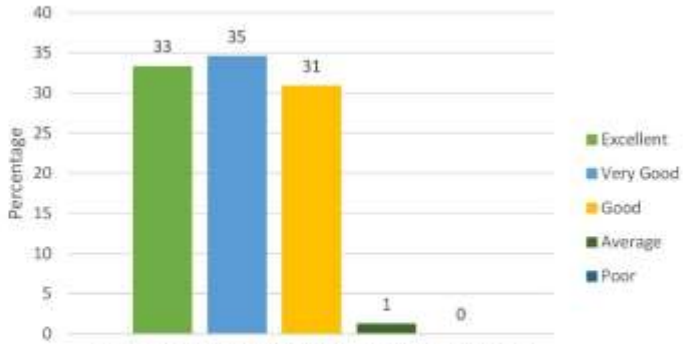

Remarks
It is a very high rich experience in institutional environment in study and co-curricular activity in institutions only is the students should take initiation to more and more development in their carrier. Thank you.
Curriculum design for UG/PG with respect to inclusion of community extension and outreach activities are excellent. Institute's research cell-initiated activities are too good. Institute encourage for extracurricular activities also. Institute's truly implement of capability enhancement and other skill development schemes.

(Formerly known as KIMSDU)

FEEDBACK ANALYSIS – PROCESS

BACKGROUND

Krishna Vishwa Vidyapeeth "Deemed to be University," Karad (KVV), previously known as Krishna Institute of Medical Sciences "Deemed to Be" University, Karad (KIMSDU), offers a curriculum tailored to student needs, providing a comprehensive learning experience that aligns with the institution's vision and mission of academic excellence, spiritual vitality, and social relevance. The university emphasizes fostering entrepreneurial skills and encouraging innovation from an educator's standpoint.

KVV has established a well-defined process for designing, developing, and revising its curriculum continuously to meet the required program and course outcomes, adhering strictly to the standards set by regulatory bodies. The university is equipped with state-of-the-art infrastructure and sufficient physical facilities to support curriculum implementation, teaching, learning, and skill acquisition, as per the guidelines of relevant authorities.

As a result of these efforts, KVV has received numerous accolades and accreditations, reflecting the success of its stakeholders. A key aspect of achieving this excellence is the use of feedback from various stakeholders to enhance and update the quality of education provided. Consequently, KVV has implemented a mechanism for collecting feedback from stakeholders, in accordance with the requirements of the National Assessment and Accreditation Council (NAAC):

11. Students
12. Teachers
13. Alumni
14. Professionals
15. Employers

QUESTIONNAIRE

Questionnaires for taking feedback from the above stakeholders were developed as per KVV's Standard Operating Procedure (SOP) for Feedback.

RESPONSE COLLECTION

For the Academic Year 2024-25, we continued using our in-house platform for collecting feedback, following positive responses from nodal officers and stakeholders regarding the new feedback system introduced in 2021-22. This system has been granted copyright by the Copyright Office, Government of India (Reg No L-126130/2023, dated 15/06/2023).

This feedback system offers the following benefits:

1. User-friendly:
    a. The minimalist design ensures fast website loading.
    b. A single common link for each stakeholder simplifies sharing through various communication channels and facilitates response collection.

2. Data integrity:
    a. Basic background data is auto-loaded based on the PRN entered by students.
    b. 'One Time Password' (OTP) verification for both mobile numbers and email IDs prevents data corruption and duplication *(This year a minor change was introduced to reduce the number of OTPs to 1 for those stakeholders who were submitting their feedback again this year. Their personal details were pre-filled, from*

our database of previous years, after authentication of mobile number using OTP, thereby bypassing the need to authenticate their email ID. Only new stakeholders, that is those who were submitting the feedback for the first time, were required to authenticate both mobile number and email ID using 2 separate OTPs)

3. Anonymity:
    a. Random codes are generated in the database for each stakeholder response, and access to the complete database is restricted according to 'Standard Operating Procedure' (SOP) guidelines.

4. Ease of understanding:
    a. The questions cover a wide range of curricular, co-curricular, and extra-curricular activities. Terminology explanations, with additional reference links, ensure stakeholders have a better understanding and perspective of university activities.

The links were open for responses from 22 May 2025 to 30 June 2025. As per SOP guidelines, response collection was centralized, with only two officers having access to the data.

Additionally, feedback on the in-house platform and suggestions for improvement were gathered through an ANONYMOUS and OPTIONAL "Feedback on Feedback" link. The responses will be analyzed and used to enhance the in-house feedback system in the future.

ANALYSIS

The results were analyzed using descriptive statistics and presented graphically as 'percentages' and the numerical 'most frequent response.' Responses to open-ended questions were categorized under 'Remarks' and 'Suggestions.' The data was anonymized and then shared with the respective faculty for further processing.

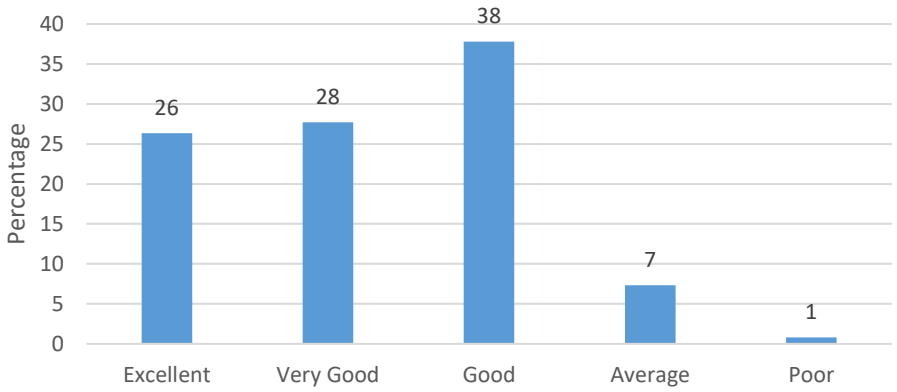

INTERPRETATION

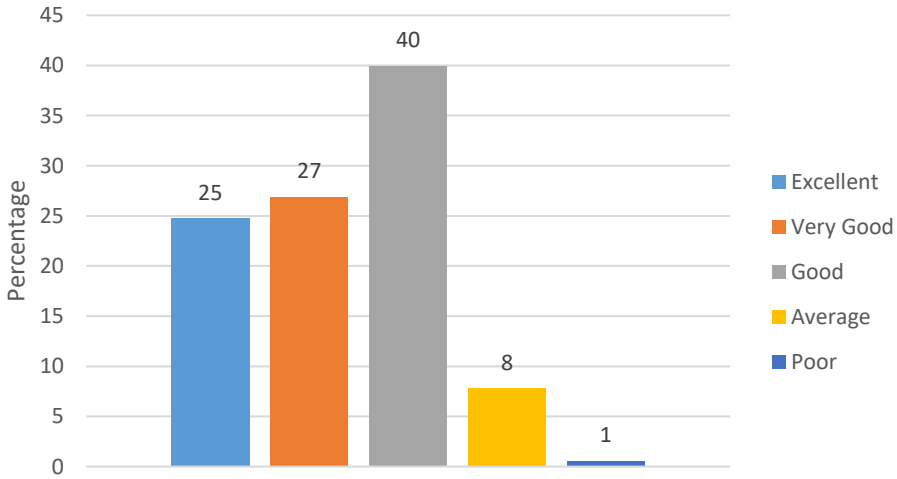

A combined rating of over 75% for 'Excellent,' 'Very Good,' and 'Good' on any given question was considered a favorable response. Similarly, a most frequent response score of 3 or higher for each question was deemed favorable. No further action was required for these favorable responses.

Open-ended question responses were reviewed for positive feedback, which was categorized as 'Remarks' in the analysis, while suggestions for improvement were categorized as 'Suggestions.' Suggestions related to curricular aspects were forwarded to the respective faculty for necessary action.

STUDENTS' FEEDBACK

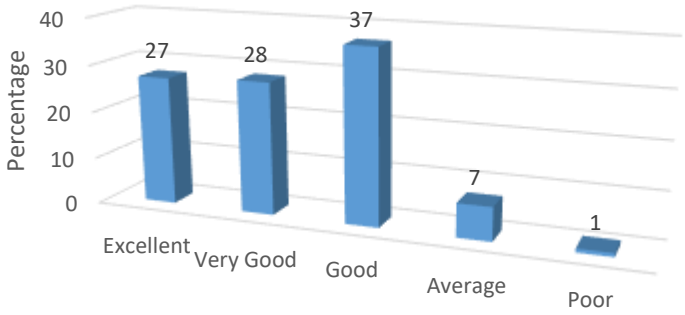

1. How do you rate the course curriculum in relation to the achievement of desired competencies?

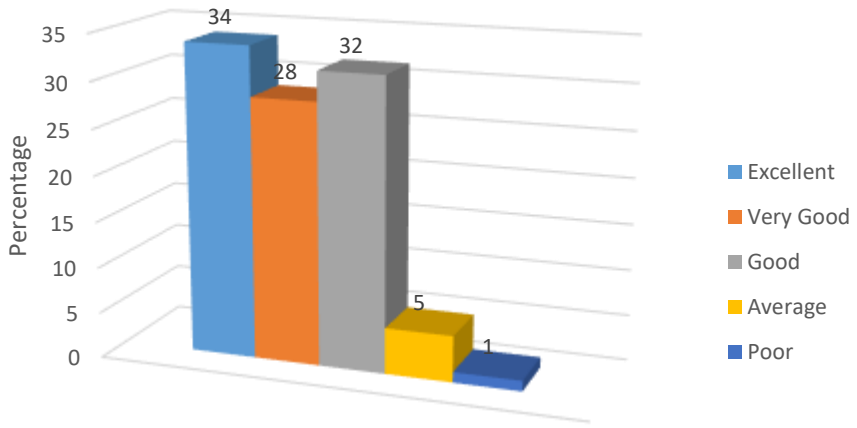

2. How do you rate the institutional policy of curricular revision/ change according to the local and global needs of the society?

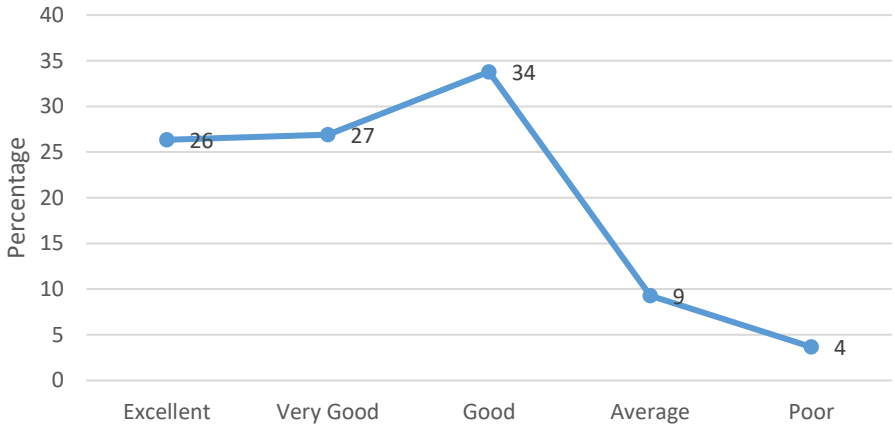

3. How do you rate the institute’s practice of starting new academic programmes (courses) according to the local and global needs of the society?

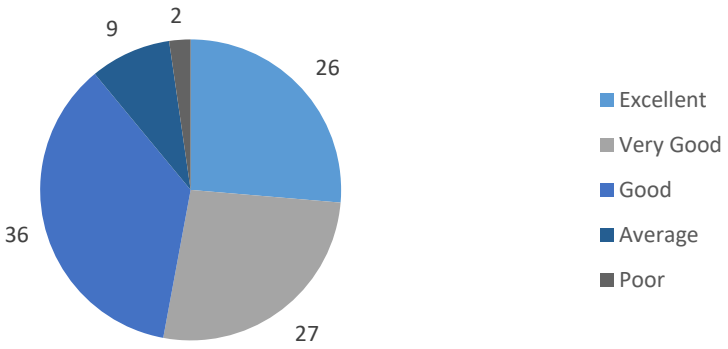

4. How do you rate the institute in terms of provisions for acquiring AETCOM (Attitude; Ethics; and Communication) skills?

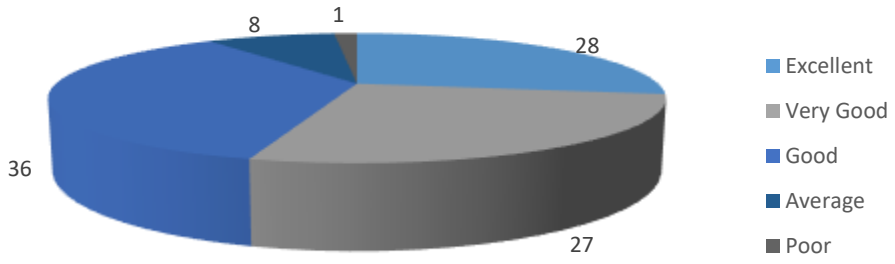

5. How do you rate the curriculum design for inclusion of field / industrial visits?

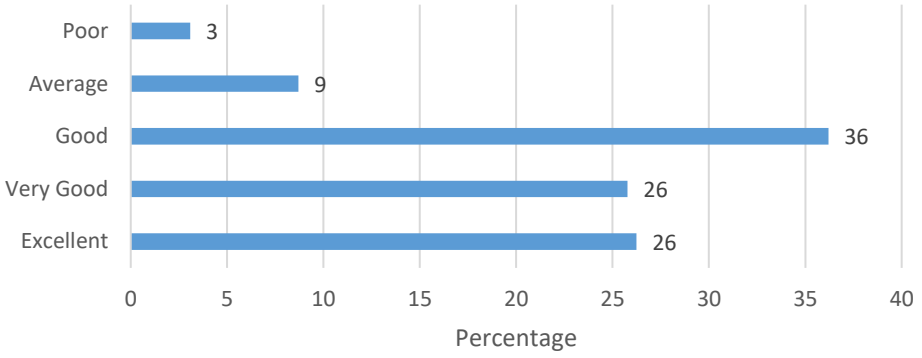

6. How do you rate the social equity and inclusiveness in the profile of students enrolled in the University?

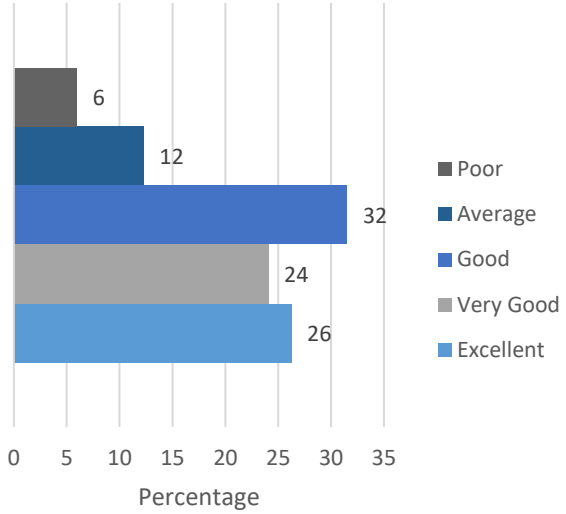

7. How do you rate the overall implementation of innovative teaching learning methods?

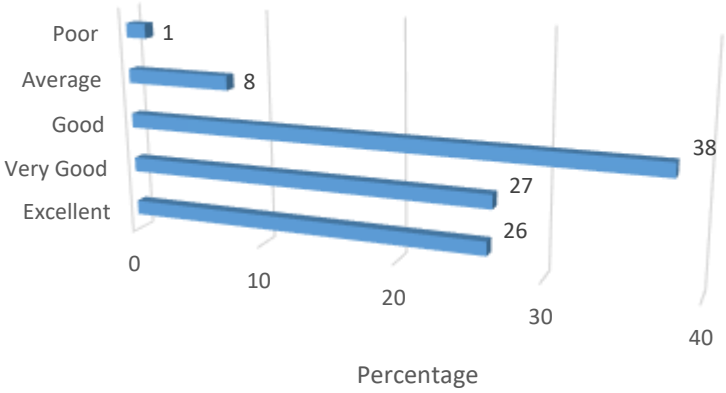

8. How do you rate the information communication technology (ICT) mediated e-learning facilities provided by the institute?

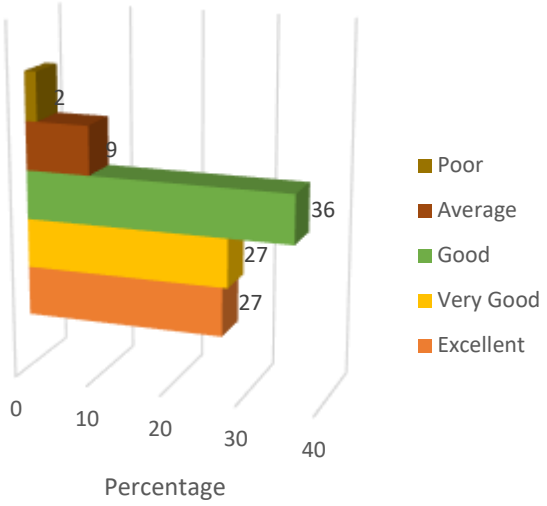

9. How do you rate the mentorship program in your Institute?

10. How do you rate the overall assessment (evaluation) methods used in the institute?

11. How is the overall research guidance provided by the institute?

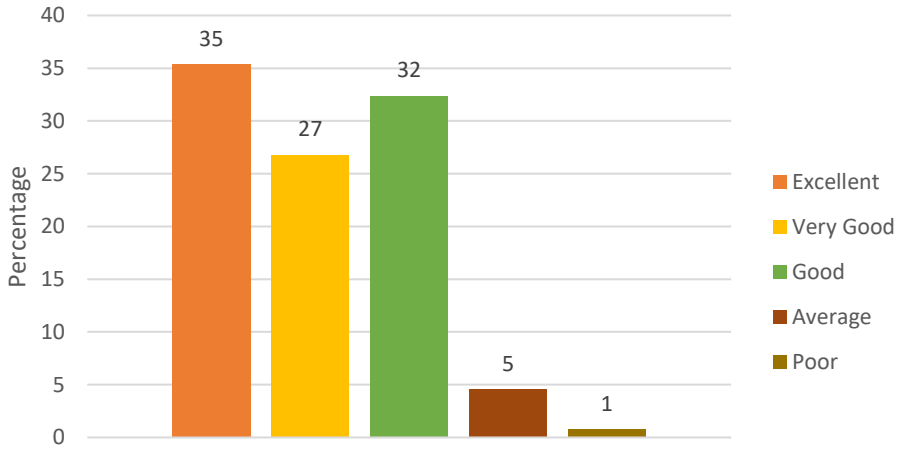

12. How do you rate the institute for organizing various co-curricular academic activities?

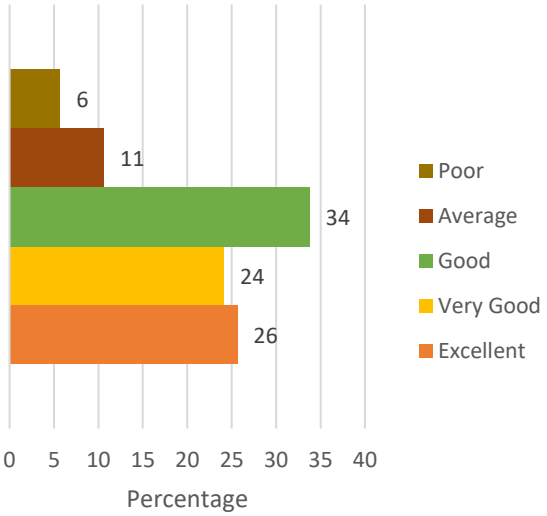

13. How do you rate the institute's initiative in organizing community-based learning through extension and outreach activities?

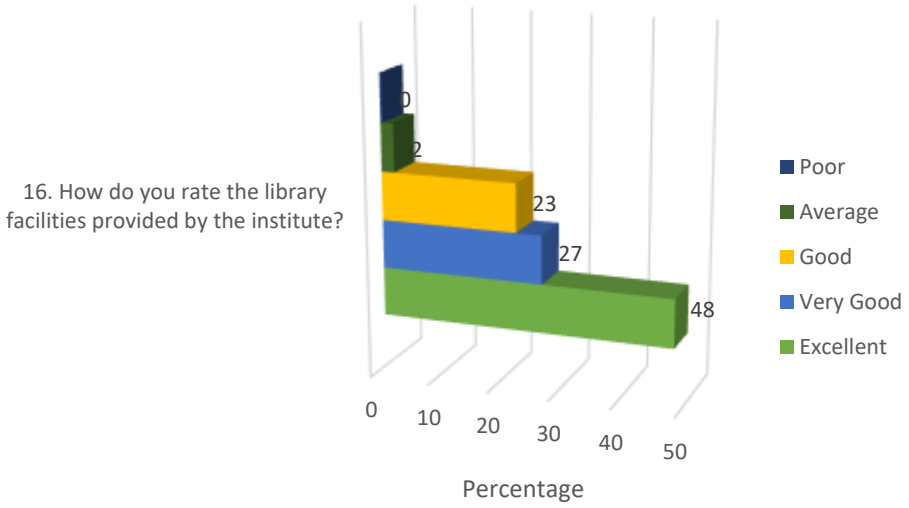

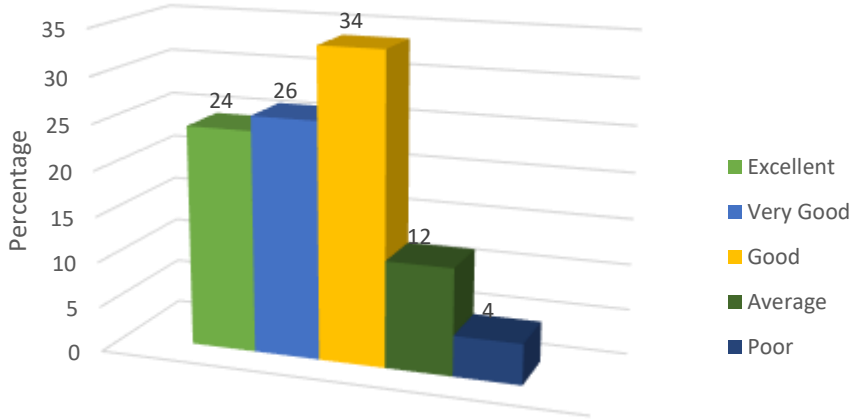

14. How do you rate the institute for the availability and adequacy of physical infrastructure for better learning outcomes in your designated course?

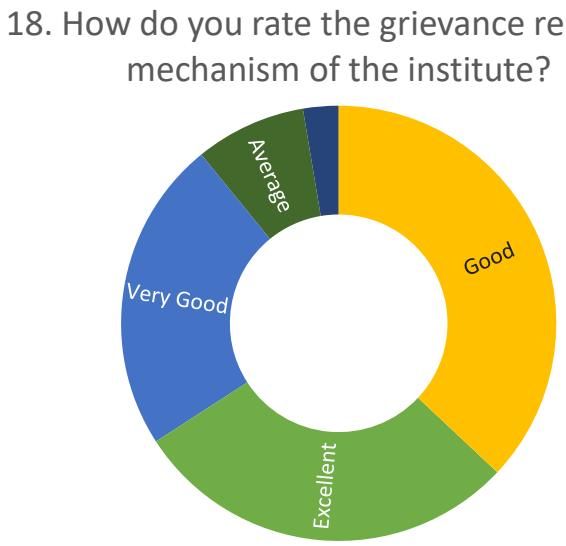

15. How do you rate the institute for encouraging student related extra-curricular activities?

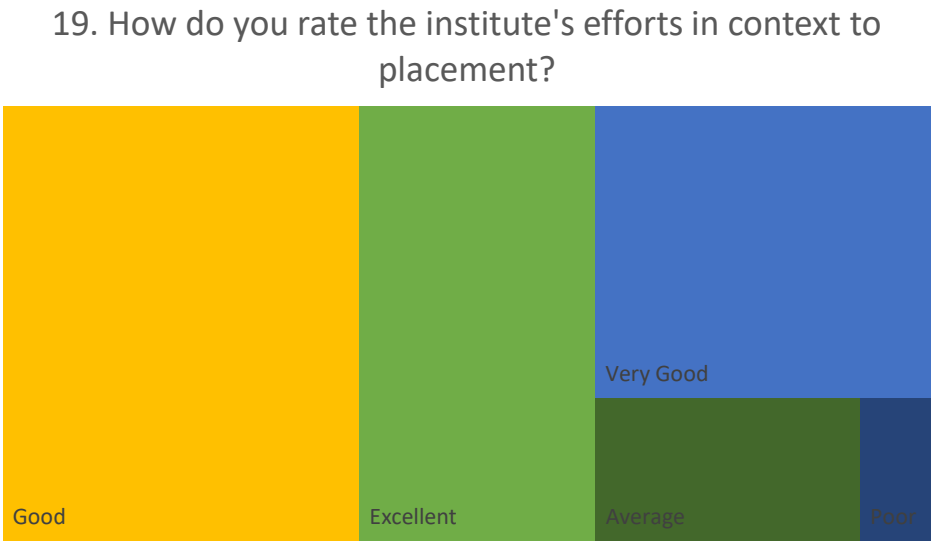

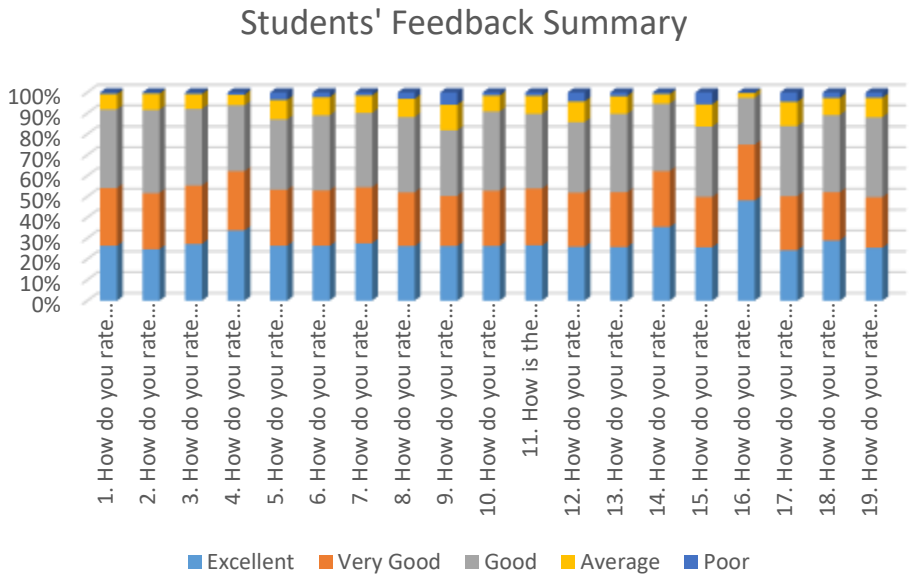

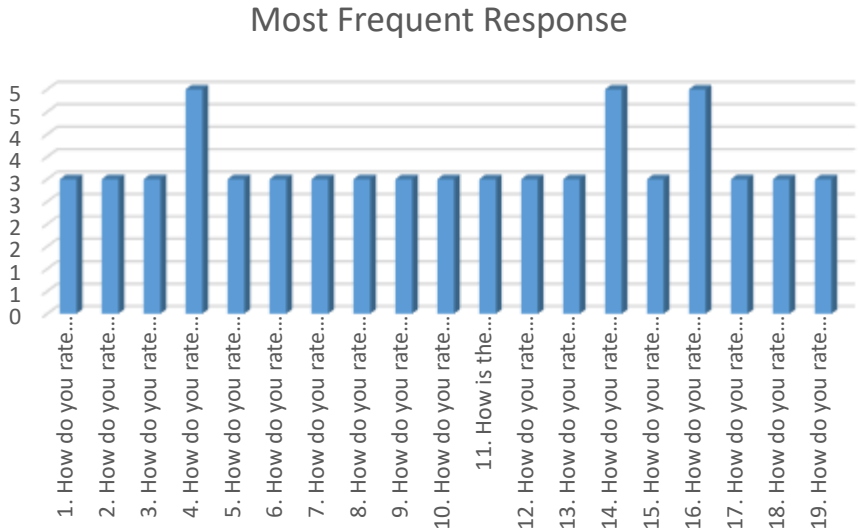

17. How do you rate the institute's efforts in context to guidance for competitive exams and career advancement?

19. How do you rate the institute's efforts in context to placement?

Remarks
Very good college for a medical aspirant. A friendly environment is present among students and the staff. Discipline is taken very seriously and do not tolerate any form of ragging or harassment. The amenities are amazing.
The academic rigor; dedicated faculty; and supportive environment at KVV have greatly shaped my personal and professional journey. What sets KVV apart is its commitment to excellence in both education and community service.

Suggestions
More community-based outreach programs are needed in PG to spread awareness regarding mental health.
Small group PBL (Problem Based Learning) sessions to improve analytical and critical thinking.
Please send all the lecture PPTs of all the subjects on the students' WhatsApp group on the same day after the lecture is over so that the students who want to do revisions can do so regularly.
Institute should conduct strict and supportive separate departments for sports/physical activities as per NMC curriculum. Sports might help them develop sense of sportsmanship; never giving up spirit; friendship/bond and respect to guru in that pursuit.
All postgraduate students pose great stress it would be healthier if sports are arranged for PG students

TEACHERS' FEEDBACK

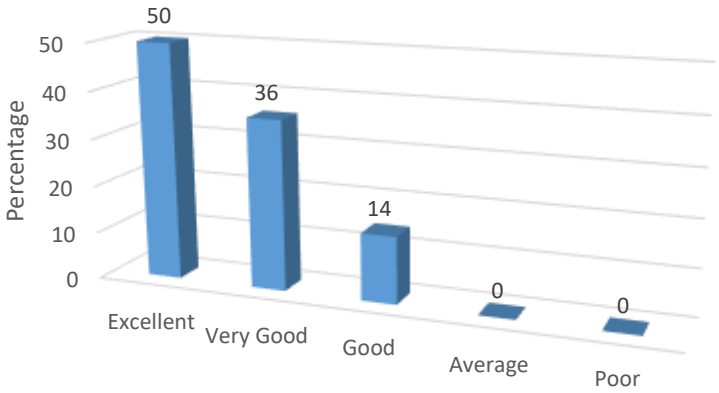

1. How do you rate the overall curriculum for UG/PG courses offered by the institute?

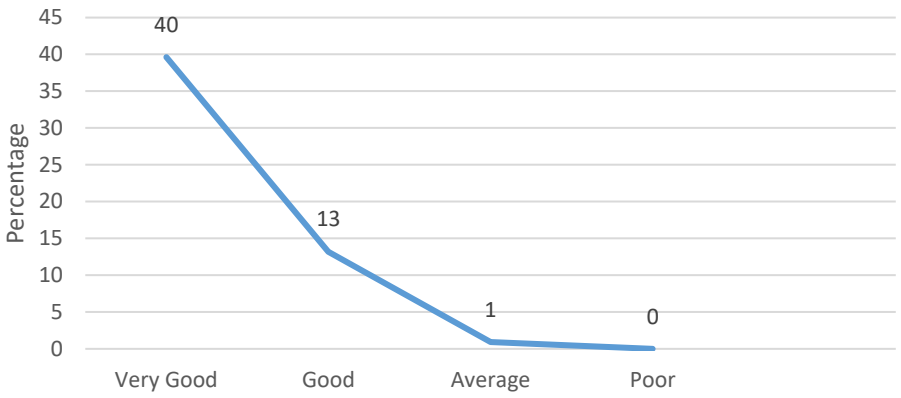

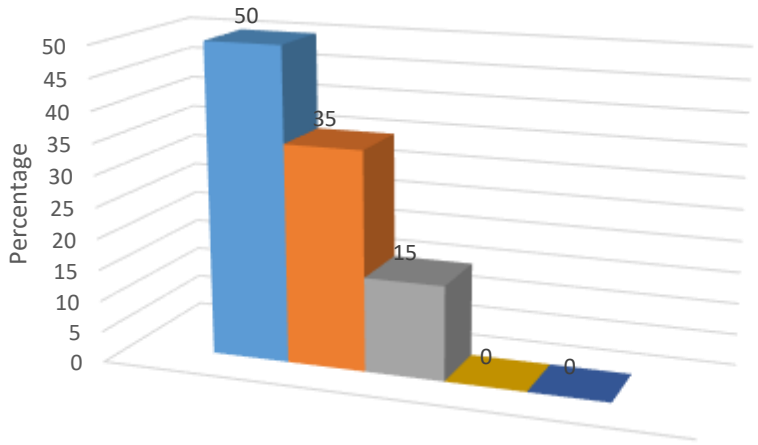

2. How do you rate the institute's policy in integrating cross-cutting issues into the UG/PG curriculum?

3. How do you rate the curriculum design for UG/PG with respect to inclusion of community extension and outreach activities?

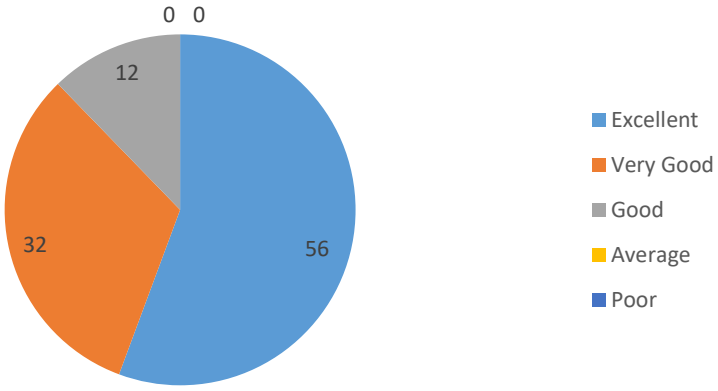

4. How do you rate the institute's policy of curricular revision/ change according to the local and global needs of the society?

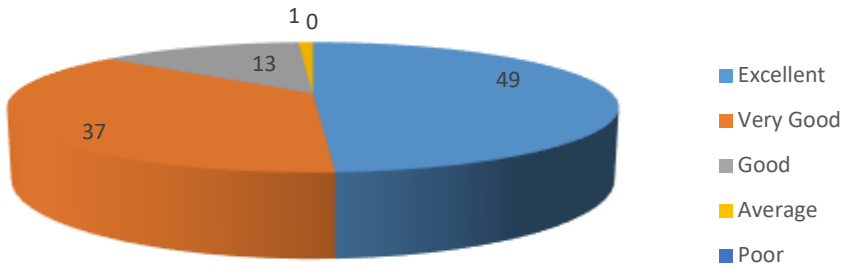

5. How do you rate the academic flexibility embedded in the curriculum which provides opportunity to students to pursue their interest by choosing from several electives?

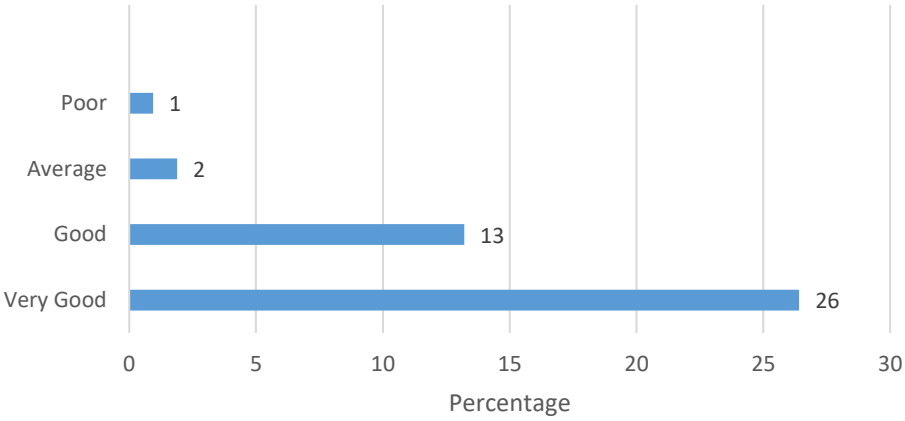

6. How do you rate the involvement of institute in various national health programs?

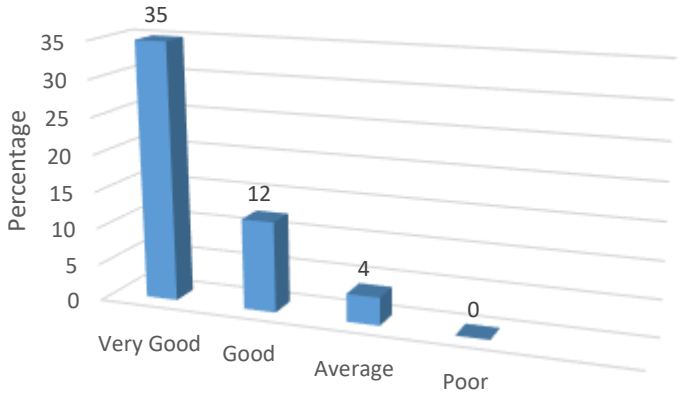

7. How do you rate the institute for organizing various co-curricular academic activities?

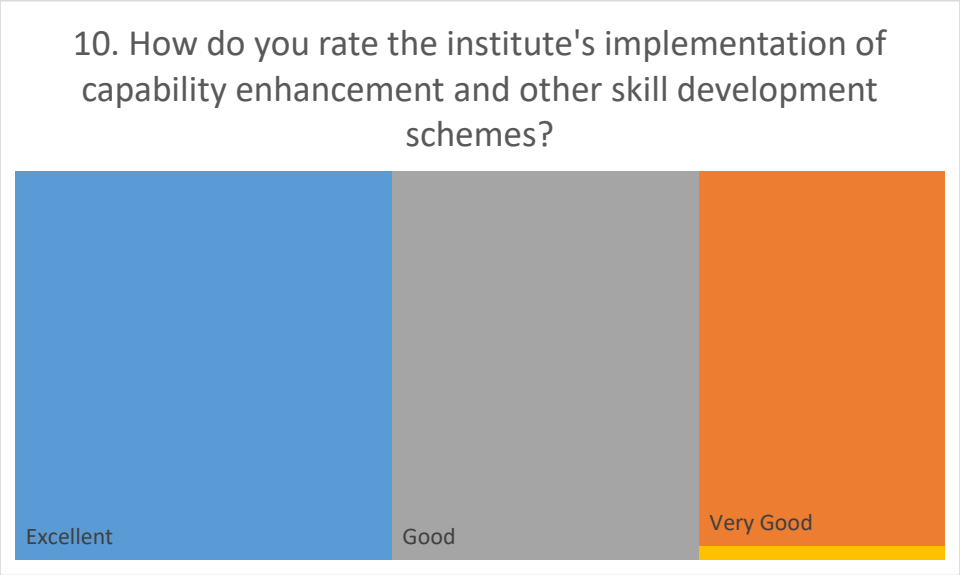

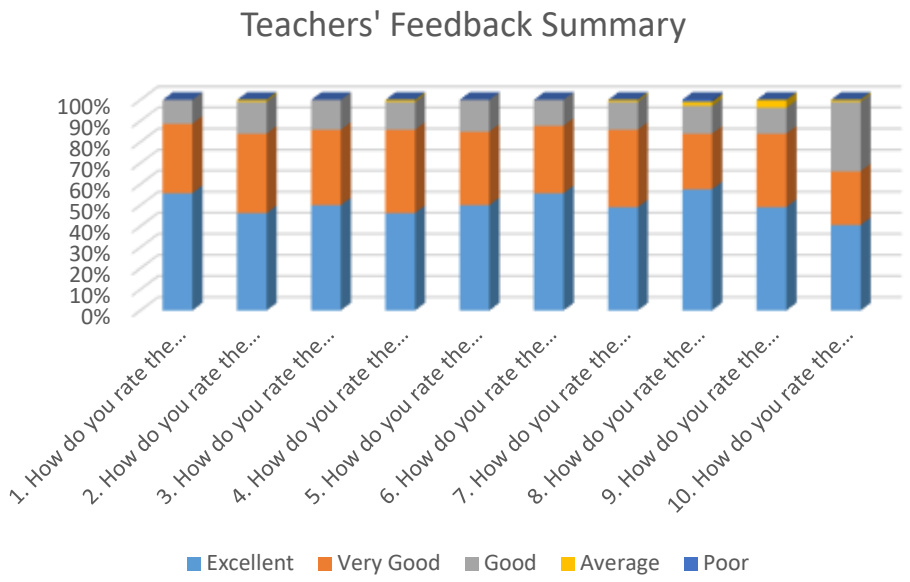

8. How do you rate the institute for encouraging student related extra-curricular activities?

Remarks
Great institute with excellent curriculum which is revised regularly according to need of community. So many skill development schemes to enhance capability. Encourages for research and extracurricular activities
Overall; the planning and implementation of curricular and extracurricular activities is at par with the best institutes.

Suggestions
Should start FOGSI affiliated courses like sonography for students who have passed PG in OBGY
Corporate five-star hospital exposure should be considered for PG students to learn advanced medical care

Remarks
The institute is doing a fabulous job of training both undergraduates and post graduates with constant knowledge update & modern facilities. Keep up the good work.
The institution is running curricular; cocurricular and extracurricular activities in very precise way.

Suggestions
Lasers were part of the curriculum however we did not have any in the department 2015-2018

PROFESSIONALS' FEEDBACK

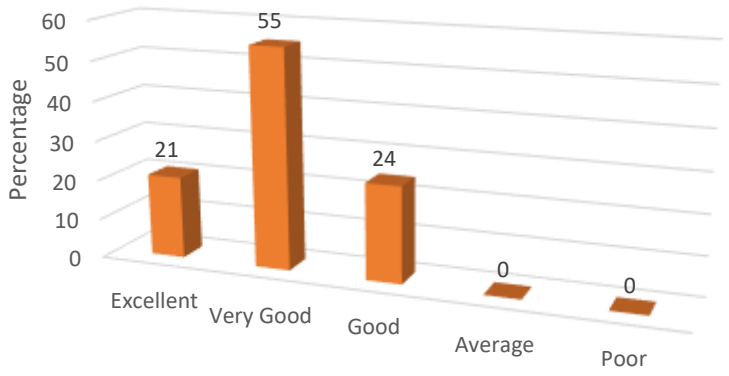

1. How do you rate the curriculum for UG/PG courses offered by the institute?

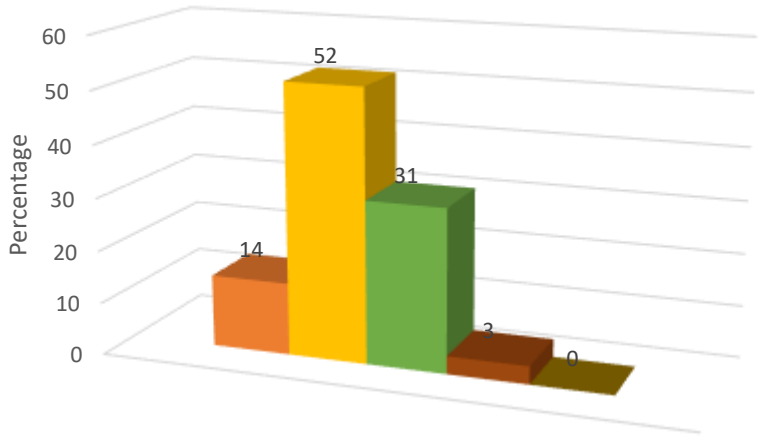

2. How do you rate the institute's practice in integrating cross-cutting issues into the UG/PG curriculum?

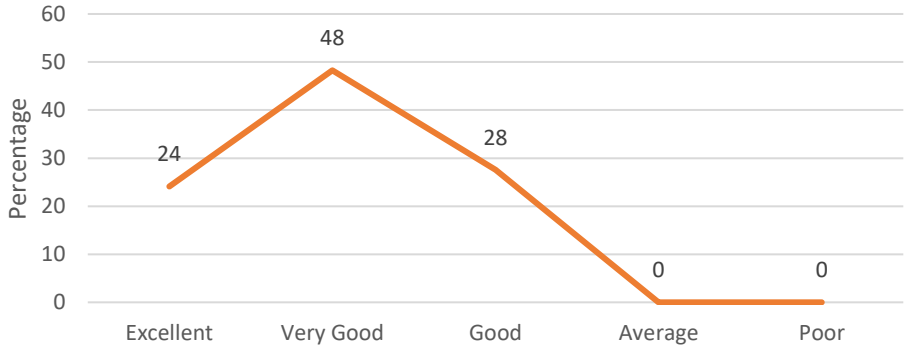

3. How do you rate the institute's policy of curricular revision/ change according to the local and global needs of the society?

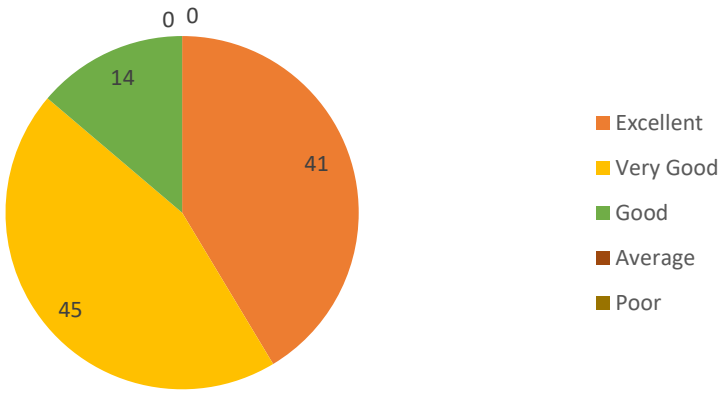

4. How do you rate the academic flexibility embedded in the curriculum which provides opportunity to students to pursue their interest by choosing from several electives?

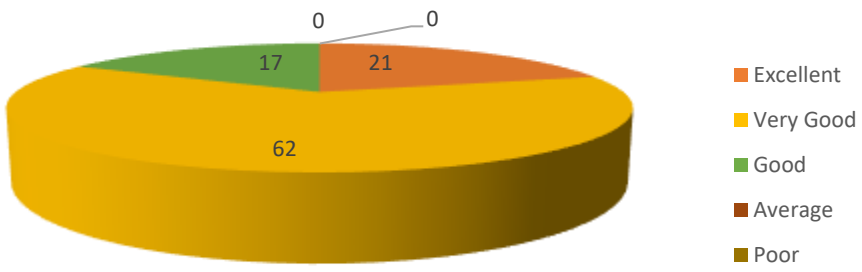

5. How do you rate the outcome (goal) oriented curricular design of the course (i.e.; becoming competent and independent professionals) in professional and in real life situation?

Remarks
The institute offers a well-organized curriculum for the undergraduate and postgraduate students. Along with the curriculum it also promotes students for research activities. The involvement of the students in extra-curricular activities is appreciated.

Suggestions
Extracurricular activities can be reduced and curricular and co-curricular activities can be added more.

Remarks
Everything is well planned according to the needs of the students and the faculty including the teaching and non-teaching.
This institute provides us knowledge that will makes us to build our career. Thank You.

Suggestions
Our institute is one of the best institutes in Maharashtra. Only one suggestion - in council members add all faculty student in each one
Students should be exposed to clinical assessment as early as possible and should be given wide knowledge of the outside world instead of sticking to textbook knowledge
Spend extra time for practicing and dissection

Remarks
Updates and quality enhancement is always there as per my academic experience so far. We are more enthusiastic in having keen involvement with feedback and improvisation.
All activities are excellent for students' overall improvement and enhancement of skills

Suggestions
More time ups for enhancing skill development and capabilities of faculty.

Remarks
My practice is going excellent due to all the skills taught by my teachers and the guidance given by them. I very thankful to them.
Staff and faculty members are up to date with evidence-based practice. Faculty member and staff respect the students and encourage them. Staff and faculty members undergo teacher training as well as continue their professional development to then provide enhanced support to the students.
The university has provided me with all the necessary sources to become a competent Physical Therapist in real world.

Suggestions
Alumni meet and feedback to be arranged regularly
If Institute arrange the workshop/ conference for up gradation of knowledge to the alumni it'll be more helpful

Remarks
Neatly organised curriculum very effortlessly executed considering Industry academic requirements.
The teaching method; students' performance in studies are good; clinical; labs; hospital set up is excellent and I suggest to keep improving. I thank the Principal; his team and the management for giving me the opportunity. Thank you.
Very good institution for all curricular, co-curricular and extracurricular activities for students.

Remarks
I would like to sincerely commend the institution for its proactive and holistic approach toward curricular; co-curricular; and extra-curricular excellence. The integration of this reflects a forward-thinking vision and genuine commitment to student development. The institute has admirably created a vibrant academic and co-curricular environment.
I have found that KINS provides authentic curriculum; also co-curricular activities are very fine to improve and motivate the students to bring out their potentials.

Suggestions
Start a short course. Start an educational YouTube channel.

Remarks
Talents are given scope and at the same time doubts in the study sequence are cleared in a very simple and easy manner. I am thankful to all the faculty members who helped me from time to time.
Very good university. Good surroundings and clean environment. Nice teaching.

Suggestions
Institute must work on infrastructure
Need to improve KIPS library

TEACHERS' FEEDBACK

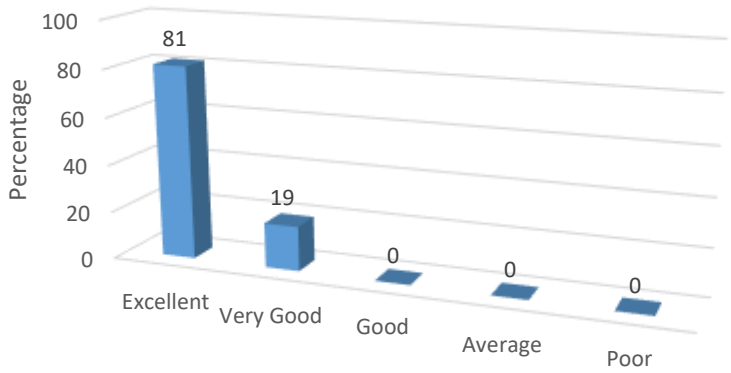

1. How do you rate the overall curriculum for UG/PG courses offered by the institute?

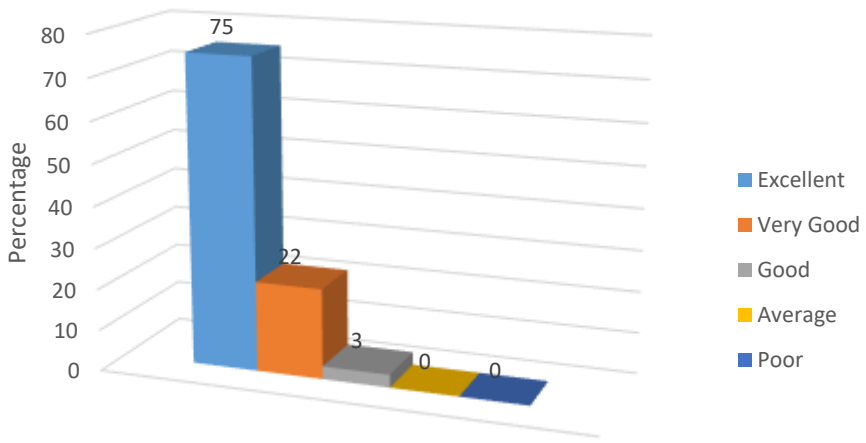

2. How do you rate the institute's policy in integrating cross-cutting issues into the UG/PG curriculum?

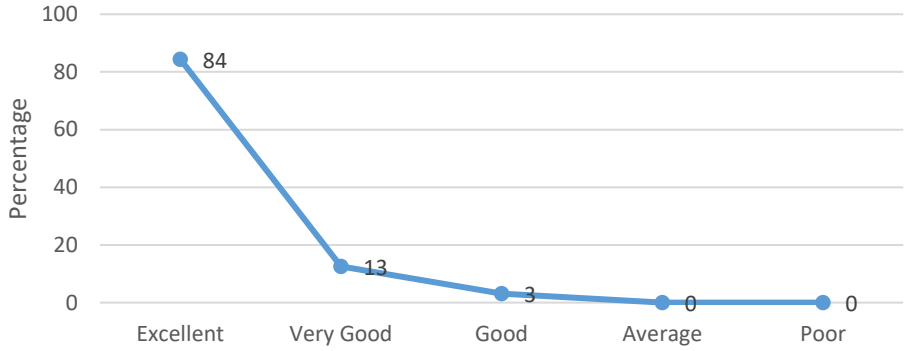

3. How do you rate the curriculum design for UG/PG with respect to inclusion of community extension and outreach activities?

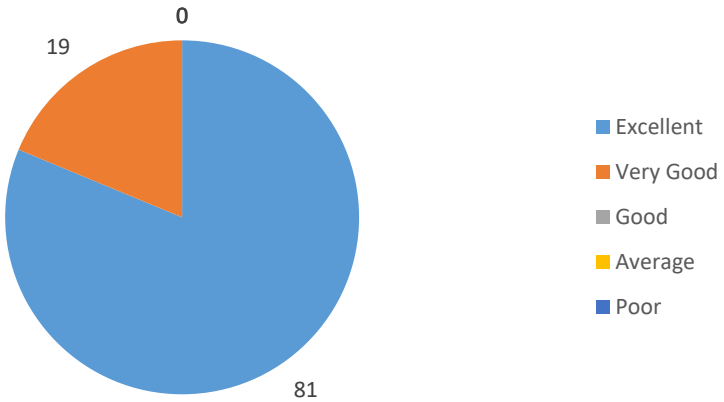

4. How do you rate the institute's policy of curricular revision/ change according to the local and global needs of the society?

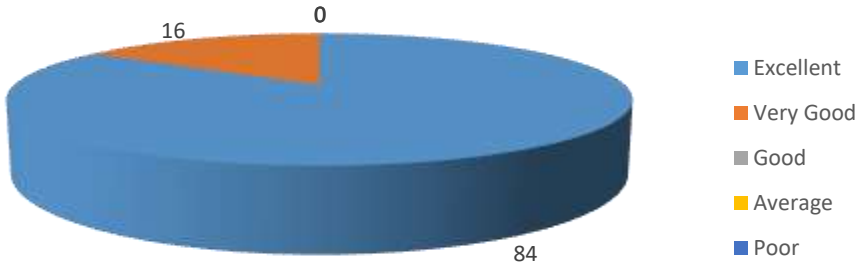

5. How do you rate the academic flexibility embedded in the curriculum which provides opportunity to students to pursue their interest by choosing from several electives?

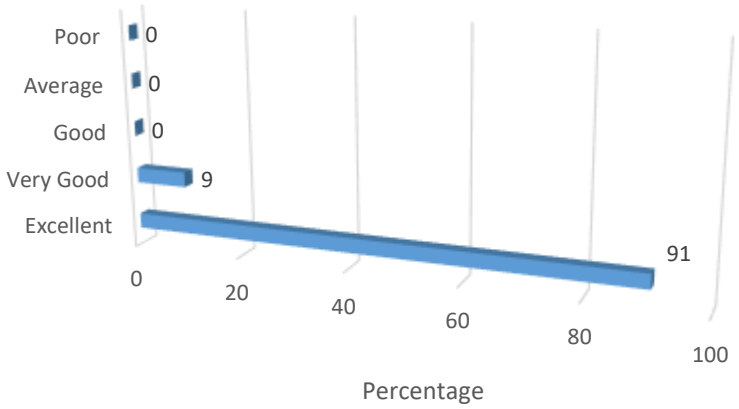

6. How do you rate the involvement of institute in various national health programs?

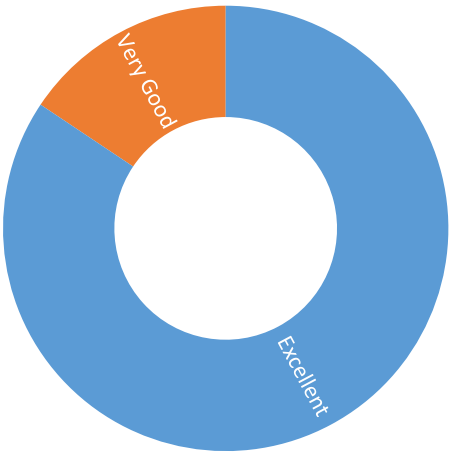

7. How do you rate the institute for organizing various co-curricular academic activities?

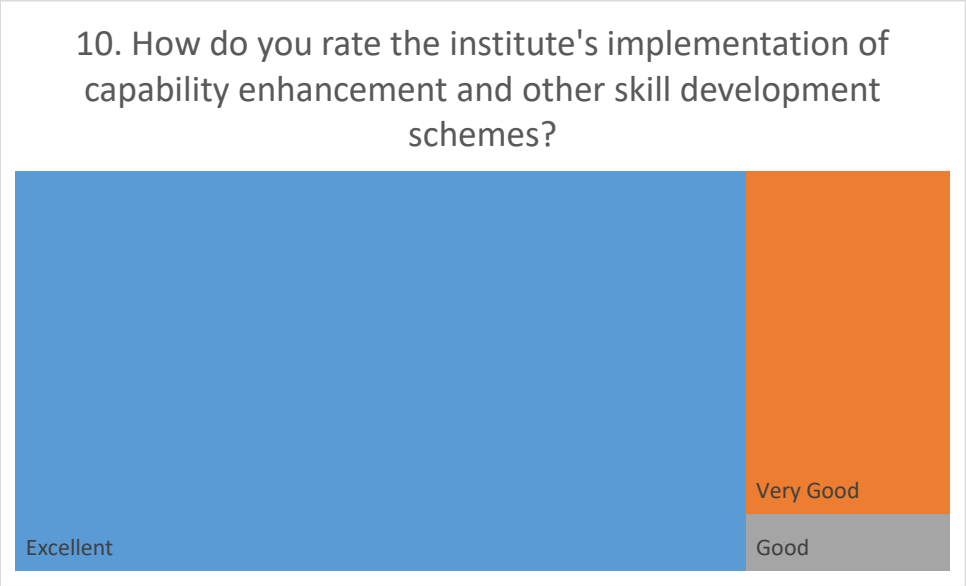

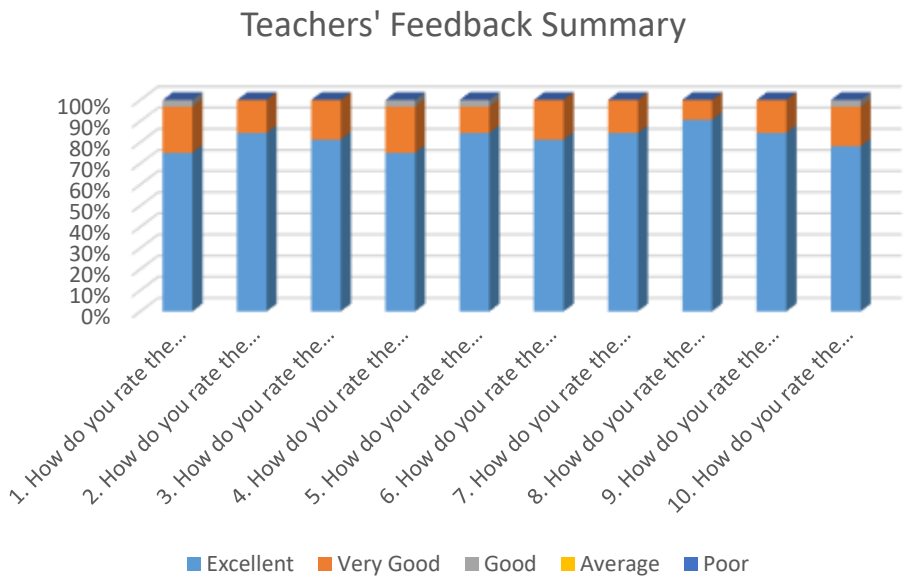

8. How do you rate the institute for encouraging student related extra-curricular activities?

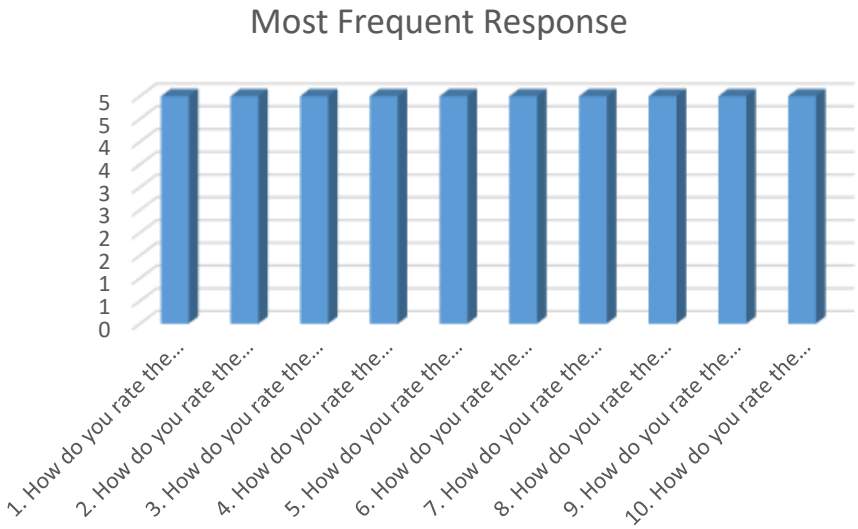

9. How do you rate the institute's research cell initiated activities?

10. How do you rate the institute's implementation of capability enhancement and other skill development schemes?

Remarks
The university is implementing the excellent policies for the overall growth of the teachers and students.
The PharmD program at Krishna Institute of Pharmacy offers a well-structured curriculum with strong clinical; research; and industry-oriented components; including hospital training and pharmacotherapeutics. Co-curricular activities like workshops; seminars; and certification programs enhance professional skills. Extra-curricular engagements such as health camps; cultural events; and student organizations foster holistic development. Overall, the program provides a solid academic foundation with opportunities for growth in practical training; research; and career readiness; ensuring students are well-prepared for the evolving pharmacy landscape.

Suggestions
Students' class strength for the theory lecture should be up to 60.

ALUMNI FEEDBACK

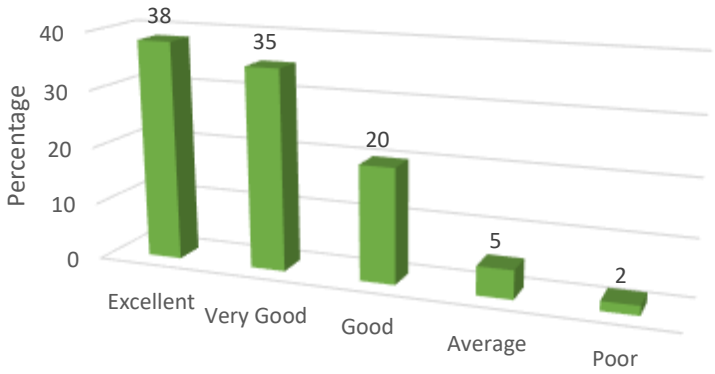

1. How do you rate the institute's policy of curricular revision/ change according to the local and global needs of the society?

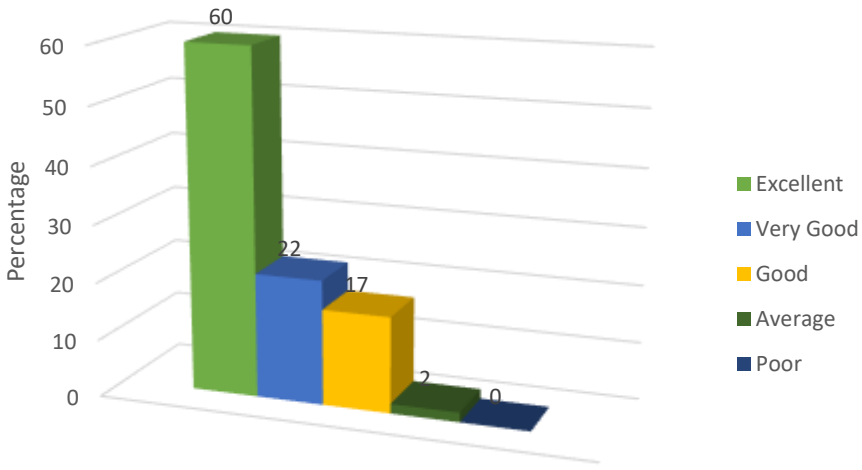

2. How do you rate the academic flexibility embedded in the curriculum which provides opportunity to students to pursue their interest by choosing from several electives?

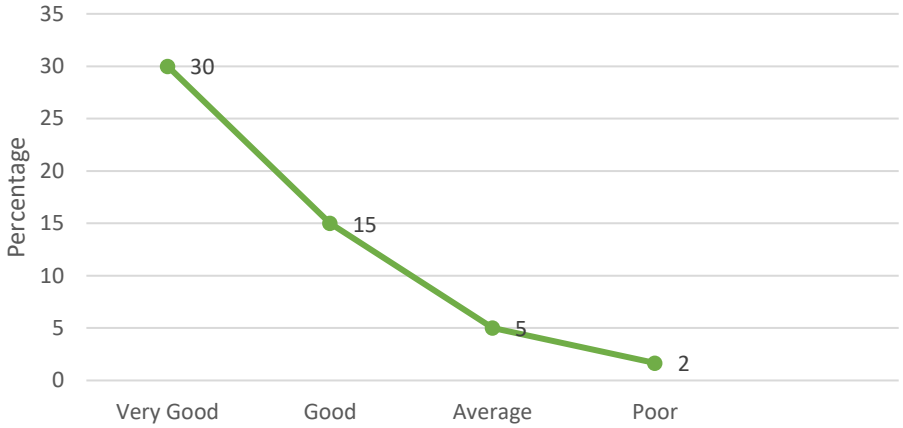

3. How do you rate the outcome (goal) oriented curricular design of the course (ie. becoming competent and independent professionals)?

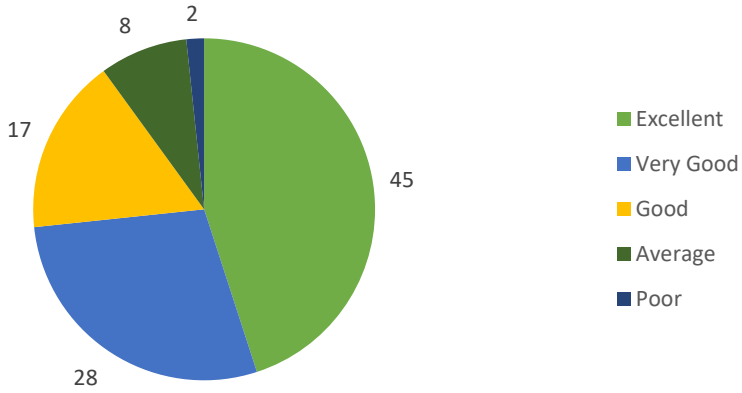

4. How do you rate the ambience of the college for effective delivery of the academic process?

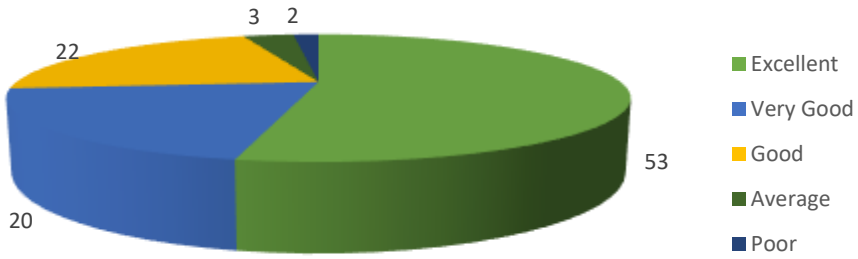

5. How do you rate the institute for organizing various co-curricular academic activities?

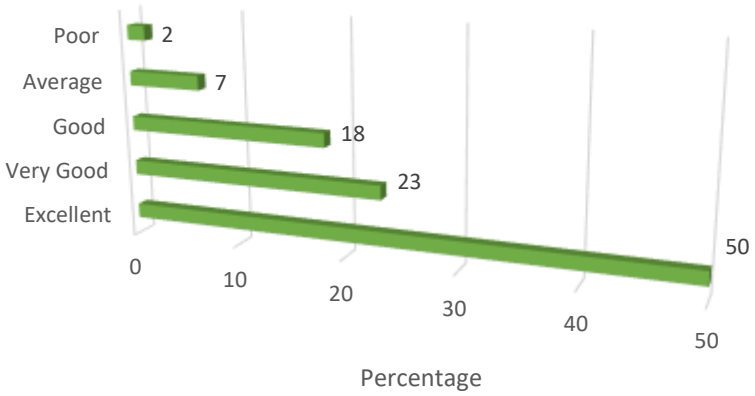

6. How do you rate the institute for encouraging student related extra-curricular activities?

7. How do you rate the institute's implementation of capability enhancement and other skill development schemes?

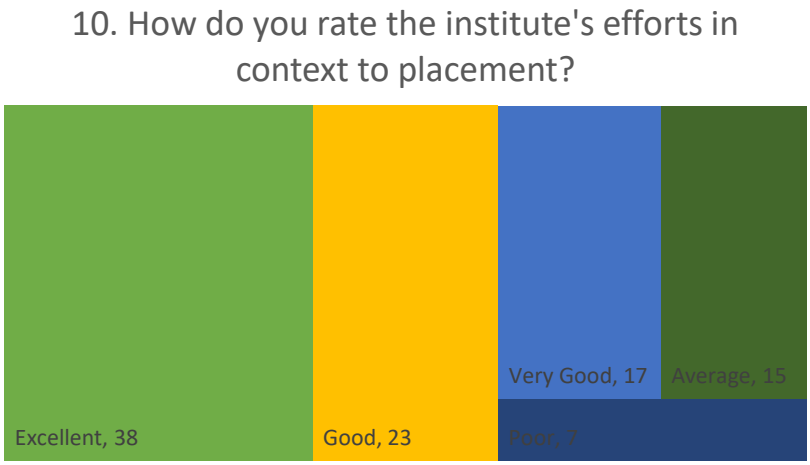

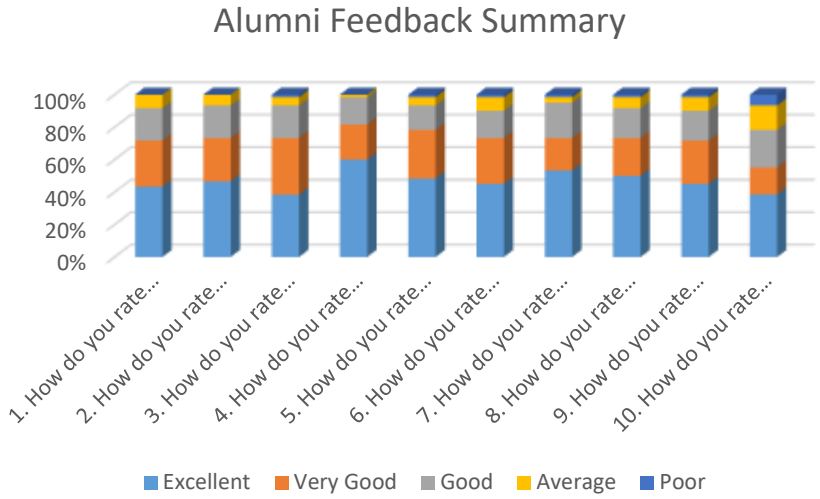

8. How do you rate grievance redressal mechanism of the institute?

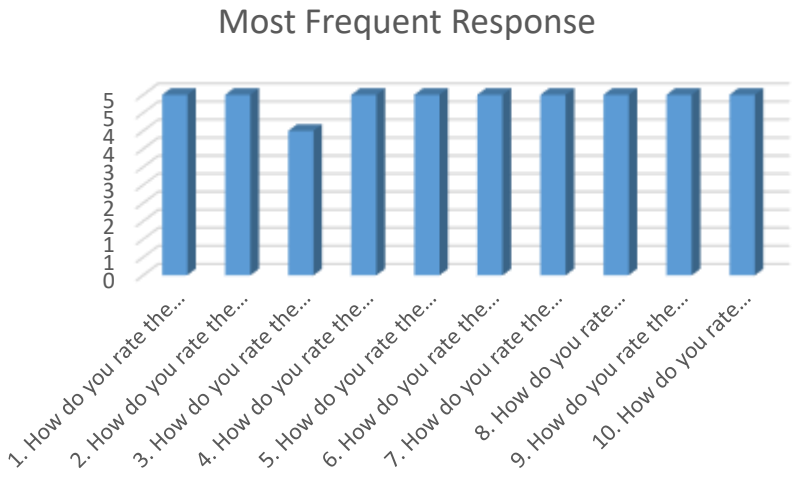

9. How do you rate the institute's efforts in context to guidance for competitive exams and career advancement?

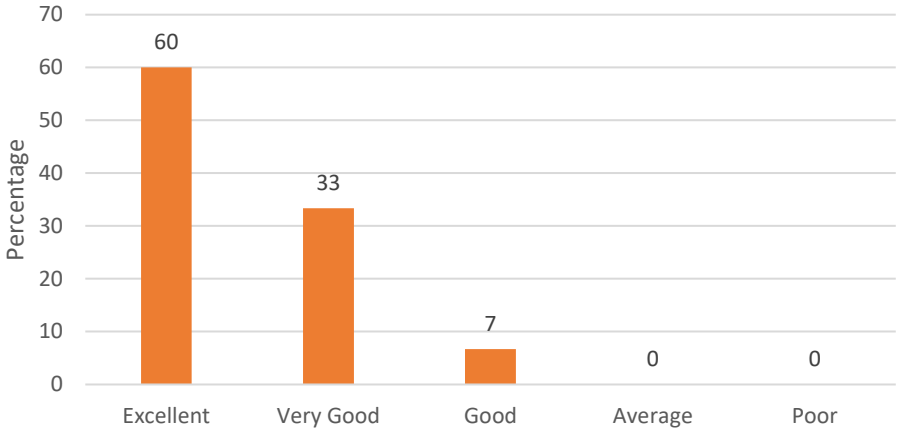

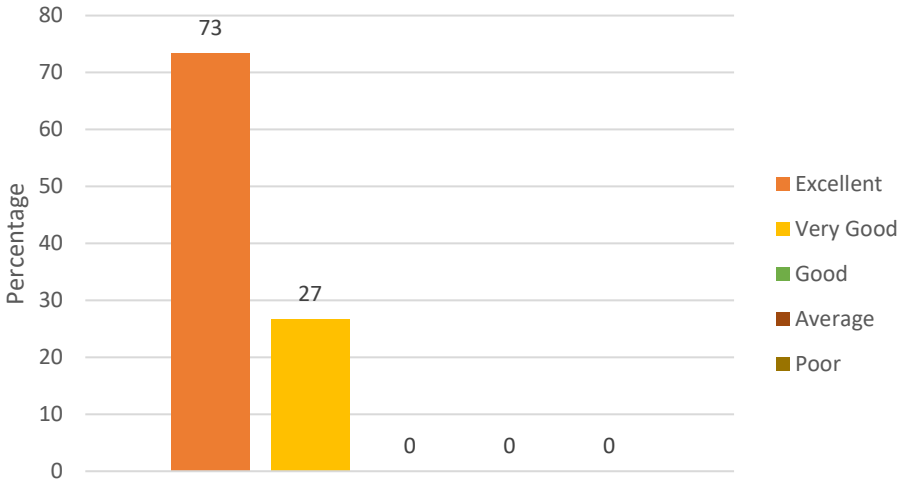

Suggestions
Improvise the guidance regarding various competitive exams as it will prepare the students for the same. Should provide job opportunities internship opportunities for the students

PROFESSIONALS' FEEDBACK

Remarks
Curriculum and co-curriculum both are designed to enhance the student learning experience beyond traditional classroom instruction, and are very good for my experience
Teaching staff are excellent. Good faculty. KVV gives us great experience; knowledge; and support for students in any situation. Provide essential needs for students.

Suggestions
Should organize more hands-on training sessions and certificate courses which can add core value and internship programs for the same

Remarks
Our Institute is the best in every category. I wish the best to institute to grow in future. Thanks to all my teachers; mentors from college.
Good college with experienced teachers and extracurricular activities also conducted.

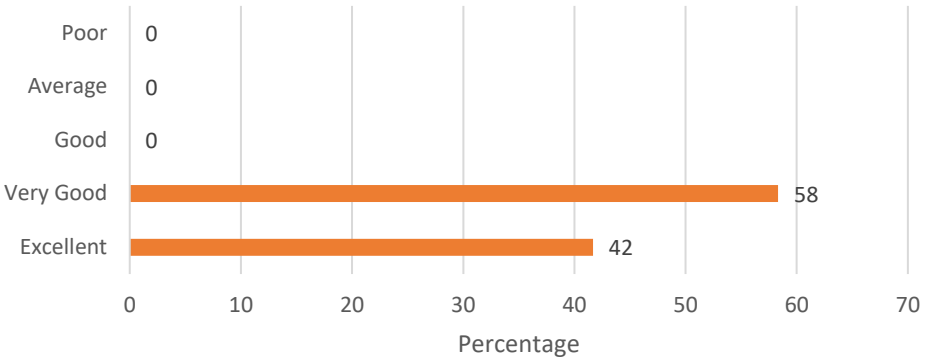

Suggestions
Conduct the webinar, conferences, drug discovery, and development related webinars to curriculum activity

Remarks
The institute has very nice infrastructure and laboratory facilities. The different courses like BSc and MSc have very nice and applicative syllabus which will surely help the students to achieve their future careers in many filed. All the teaching staff and non-teaching staff is highly qualified and innovative in implementing world class skills amongst students. The Dean sir has very great vision with the guidance of institutions heads and chairman this unit will surely become the hub for producing world class students. Best wishes to all.

Suggestions
The syllabus needs feedback from industry experts so that students will be ready to face industrial challenges, in addition, if possible, visits to industries, clinical lab, research institutes etc. for the final year students will add value.
